 ISBN 0-19-514332-9. The Principles of Biomedical Ethics by Beauchamp and Childress is a classic in the field of medical ethics. The first edition was published in 1979 and "unleashed" the four principles of respect for autonomy, non-maleficence, beneficence, and justice on the newly emerging field. These principles were argued to be mid-level principles mediating between high-level moral theory and low-level common morality, and they immediately became very popular in writings about ...
