Political process theory (PPT) is considered the core theory of social movements and how they mobilize (work to create change). It was developed by sociologists in the U.S. during the 1970s and 80s, in response to the Civil Rights, anti-war, and student movements of the 1960s. Sociologist Douglas McAdam, now a professor at Stanford University, is credited with first developing this theory via his study of the Black Civil Rights movement (see his book Political Process and the Development of ...

While it is true that men argue and fight, it is also undeniable that they desire for peace. The process of overcoming conflict to attain order and thereafter maintain that order is politics. In other words, politics is essentially conflict resolution. Politics is the creation, maintenance, and amendment of societal norms or rules. While politics as conflict resolution aims at establishing order in the society, the basis of order today is law.
