Getting to Yes *Houghton Mifflin Harcourt*

Describes a method of negotiation that isolates problems, focuses on interests, creates new options, and uses objective criteria to help two parties reach an agreement.

. . . And His Lovely Wife *Random*

House

Writing with warmth and humor, Connie Schultz reveals the rigors, joys, and absolute madness of a new marriage at midlife and campaigning with her husband, Sherrod Brown, now the junior senator from Ohio. She describes the chain of events leading up to Sherrod's decision to run for the Senate (he would not enter the fray without his wife's unequivocal support), and her own decision to step down from writing her Pulitzer Prize-winning column during the course of one of the nation's most intensely watched races. She writes about the moment her friends in the press became not so friendly, the constant campaign demands on her marriage and family life, and a personal tragedy that came out of the blue.

Schultz also shares insight into the challenges of political life: dealing with audacious bloggers, ruthless adversaries, and political divas; battling expectations of a political wife; and the shock of having staffers young enough to be her children suddenly directing her every move. Connie Schultz is passionate and outspoken about her opinions—in other words, every political consultant's nightmare, and every reader's dream. "[Schultz is] a Pulitzer Prize—winning journalist with a mordant wit. . . . The [campaign memoir] genre takes on new life." —The Washington Post Book World "With her characteristic wit and reportorial thoroughness, [Schultz] describes the behind-the-scenes chaos, frustration and excitement of a political campaign and the impact it has on a

candidate's family." -Minneapolis Star Tribune "Witty and anecdotal, whether read by a Democrat or a Republican." -Deseret Morning News "Frank and feisty . . . a spunky tribute to the survival of one woman's spirit under conditions in which it might have been squelched." -The Columbus Dispatch

Getting to Yes *National Geographic Books*

The key text on problem-solving negotiation-updated and revised Getting to Yes has helped millions of people learn a better way to negotiate. One of the primary business texts of the modern era, it is based on the work of the Harvard Negotiation Project, a group that deals with all levels of negotiation and conflict resolution. Getting to Yes *Boston : Houghton Mifflin*

Describes a method of negotiation that isolates problems, focuses on interests, creates new options, and uses objective criteria to help two parties reach an agreement

Getting Past No *Bantam*

We all want to get to yes, but what

happens when the other person keeps saying no? How can you negotiate successfully with a stubborn boss, an irate customer, or a deceitful coworker? In *Getting Past No*, William Ury of Harvard Law School's Program on Negotiation offers a proven breakthrough strategy for turning adversaries into negotiating partners. You'll learn how to:

- Stay in control under pressure
- Defuse anger and hostility
- Find out what the other side really wants
- Counter dirty tricks
- Use power to bring the other side back to the table
- Reach agreements that satisfies both sides' needs

Getting Past No is the state-of-the-art book on negotiation for the twenty-first century. It will help you deal with tough times, tough people, and tough negotiations. You don't have to

get mad or get even. Instead, you can get what you want!

Getting Ready to Negotiate *Penguin*

This companion volume to the negotiation classic *Getting to Yes* explores the negotiation process in depth and presents case studies, charts, and worksheets for blueprinting and personalized negotiating strategy.

SUMMARY - Getting To Yes: Negotiating Agreement Without Giving In By Roger Fisher And William Ury *Shortcut Edition*

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. *By reading this summary, you will learn how to negotiate in all

circumstances and in all serenity. *You will also learn : that it is possible to protect your relationships while making your demands heard; that several negotiation techniques and tactics are useful to (re)know; that a few key phrases are enough to communicate your interests clearly; that a negotiation is successful if both parties enjoy finding common solutions. *If you feel that you do not know how to negotiate, it is probably because its practice is associated with power struggles or a sharp confrontation of arguments. Negotiation is perceived as an intimidating and deterrent practice related to conflict. Wouldn't you be more confident if the art of negotiation was above all the art of interfering in the best possible cooperation? Roger Fisher

and William Ury, law researchers at Harvard University, suggest that you try interest-based negotiation, a style of dialogue centered on each participant's interest, creativity and good faith. For them, negotiation should be first and foremost a collaborative science, designed to lead not to one, but to several solutions to a disagreement. Ready to finally negotiate properly? *Buy now the summary of this book for the modest price of a cup of coffee!

Getting to Yes with Yourself *HarperOne*

William Ury, coauthor of the international bestseller *Getting to Yes*, returns with another groundbreaking book, this time asking: how can we expect to get to yes with others if we

haven't first gotten to yes with ourselves? Renowned negotiation expert William Ury has taught tens of thousands of people from all walks of life—managers, lawyers, factory workers, coal miners, schoolteachers, diplomats, and government officials—how to become better negotiators. Over the years, Ury has discovered that the greatest obstacle to successful agreements and satisfying relationships is not the other side, as difficult as they can be. The biggest obstacle is actually our own selves—our natural tendency to react in ways that do not serve our true interests. But this obstacle can also become our biggest opportunity, Ury argues. If we learn to understand and influence ourselves first, we lay the groundwork for

understanding and influencing others. In this prequel to *Getting to Yes*, Ury offers a seven-step method to help you reach agreement with yourself first, dramatically improving your ability to negotiate with others. Practical and effective, *Getting to Yes with Yourself* helps readers reach good agreements with others, develop healthy relationships, make their businesses more productive, and live far more satisfying lives.

Negotiation (The Brian Tracy Success Library) AMACOM

Few things have as broad an effect on your life and career as the ability to negotiate well. The art of negotiation has become an essential element of almost all our interactions in every area

of life. Enhancing our ability to negotiate effectively affects not only business contracts and career opportunities but also our personal relationships. Those who don't negotiate well risk falling victim to those who do. Success expert Brian Tracy has negotiated millions of dollars' worth of contracts during his career and has learned firsthand all the tips, tools, strategies, and things to avoid that are necessary for anyone to become a master negotiator. In *Negotiation*, Tracy will show you how to: Utilize the six key negotiating styles Harness the power of emotion in hammering out agreements Prepare like a pro and enter any negotiation from a position of strength Gain clarity on areas of agreement and disagreement Develop win-win outcomes Know when and how

to walk away Apply the Law of Four, and much more Within the pages of this practical and concise guide, begin mastering the art of negotiation. No other life skill can impact you as broadly as learning how to negotiate well--saving you time and money, making you more effective in all areas of life, and contributing substantially to your career. *Negotiation* puts the power of negotiation right in your hands.

Getting to Yes

Getting to Yes

The problem; The method; Ues, but ... ; In conclusion.

Beyond Reason *Penguin*

"Written in the same remarkable vein as

Getting to Yes, this book is a masterpiece.” —Dr. Steven R. Covey, author of *The 7 Habits of Highly Effective People* • Winner of the Outstanding Book Award for Excellence in Conflict Resolution from the International Institute for Conflict Prevention and Resolution • In *Getting to Yes*, renowned educator and negotiator Roger Fisher presented a universally applicable method for effectively negotiating personal and professional disputes. Building on his work as director of the Harvard Negotiation Project, Fisher now teams with Harvard psychologist Daniel Shapiro, an expert on the emotional dimension of negotiation and author of *Negotiating the Nonnegotiable: How to Resolve Your Most Emotionally Charged Conflicts*. In *Beyond Reason*, Fisher and

Shapiro show readers how to use emotions to turn a disagreement—big or small, professional or personal—into an opportunity for mutual gain.

Fisher, Ury & Patton's *Getting to Yes* Createspace Independent Publishing Platform

This is a Summary of Fisher, Ury & Patton's *Getting to Yes: Negotiating Agreement Without Giving In* Since its original publication nearly thirty years ago, *Getting to Yes* has helped millions of people learn a better way to negotiate. Getting to Yes

Summary of Getting to Yes

Getting to Yes: Negotiating Agreement Without Giving in by Roger Fisher - Book Summary - Readtrepreneur (Disclaimer: This is NOT the original book, but an unofficial summary.) Start feeling in control when negotiating personal and professional arguments. Getting to Yes reveals a spectacular method about how to bend the debate to your will but also

doing so without losing emotional control. In an argument, getting angry can really harm your point and make you communicate your ideas in a wrong way. The objective of this book is to teach you how to be in full control of yourself and the discussion. (Note: This summary is wholly written and published by readtrepreneur. It is not affiliated with the original author in any way) "The ability to see the situation as the other side sees it, as difficult as it may be, is one of the most important skills a negotiator can possess." - Roger Fisher When in the middle of a negotiation, do you focus on position instead of interests? If you don't then you are doing it wrong! But don't worry, in Getting to Yes you will learn everything you need to do about the art of negotiation. After you

are done with the book, you'll be able to separate the people from the problem, work together to create opinions that will satisfy both parties and be able to succeed in negotiations with people who are more powerful or don't play by the rules. Roger Fisher stresses how straightforward and universally applicable is his negotiation method. So no matter where and what you are doing, you'll be able to take your negotiation skills to a whole new level. P.S. Getting to Yes is an extremely useful book that will help you master the art of negotiation and also remind you of the importance of keeping your emotions in check when the discussion is its most heated moment. Why Choose Us, Readtrepreneur? ● Highest Quality Summaries ● Delivers Amazing

Knowledge ● Awesome Refresher ● Clear And Concise Disclaimer Once Again: This book is meant for a great companionship of the original book or to simply get the gist of the original book.

The Power of a Positive No *Bantam*

No is perhaps the most important and certainly the most powerful word in the language. Every day we find ourselves in situations where we need to say No—to people at work, at home, and in our communities—because No is the word we must use to protect ourselves and to stand up for everything and everyone that matters to us. But as we all know, the wrong No can also destroy what we most value by alienating and angering people. That's why saying No the right way is crucial. The secret to saying No

without destroying relationships lies in the art of the Positive No, a proven technique that anyone can learn. This indispensable book gives you a simple three-step method for saying a Positive No. It will show you how to assert and defend your key interests; how to make your No firm and strong; how to resist the other side's aggression and manipulation; and how to do all this while still getting to Yes. In the end, the Positive No will help you get not just to any Yes but to the right Yes, the one that truly serves your interests. Based on William Ury's celebrated Harvard University course for managers and professionals, *The Power of a Positive No* offers concrete advice and practical examples for saying No in virtually any situation. Whether you need to say No to

your customer or your coworker, your employee or your CEO, your child or your spouse, you will find in this book the secret to saying No clearly, respectfully, and effectively. In today's world of high stress and limitless choices, the pressure to give in and say Yes grows greater every day, producing overload and overwork, expanding e-mail and eroding ethics. Never has No been more needed. A Positive No has the power to profoundly transform our lives by enabling us to say Yes to what counts—our own needs, values, and priorities. Understood this way, No is the new Yes. And the Positive No may be the most valuable life skill you'll ever learn!

Getting to Yes

This is the second, greatly expanded

edition of one of the world's most successful books on negotiation. Getting to Yes offers powerful principles to guide readers to success in the art of negotiation.

Summary Guide Getting to Yes: Negotiating Agreement Without Giving in Book by Roger Fisher, William L. Ury & Bruce Patton

Independently Published

NOTE: This is a summary guide and is meant as a companion to, not a replacement for, the original book. Please follow this link to purchase a copy of the original book: <https://amzn.to/2F0VOF9>
THE BOOK: *Getting to Yes* is considered the reference for successful negotiations. It presents proven tools and techniques that can help you to resolve any conflict and find win-win solutions. ABOUT THE AUTHOR: Roger Fisher (1922-2012) was an American professor at Harvard Law School. With his co-authors, he founded the Harvard Negotiation Project. William Ury is an anthropologist who works as a peace negotiator for corporations and governments worldwide. Bruce Patton is a Harvard lecturer and co-founder of

Vantage Partners, an international consultancy firm that helps companies improve their negotiations. INTRODUCTION: This is sometimes hard to imagine, but just a few decades ago decisions were rarely made as a result of discussions or negotiations. They were usually made by one person: whoever was in charge. Back then, the world was a place of hierarchy: at home, every decision concerning the family was made by the "wise father," and at work, everybody adhered to the path dictated by the company's boss. Today, such authoritarian structures are increasingly rare. Hierarchies are flatter, information is more accessible, and more and more people participate in decisions at all levels. Hence, it has become much more important for us to talk to others and

include them in our decision-making processes. Politicians now talk to their voters, and companies encourage their employees to participate in company decisions. Even parent-child interactions are becoming more democratic. In the age of Google, parents can no longer simply say, "Don't do this; it's unhealthy," because their child can just go online, find counterevidence and argue their claim. Today, finding agreements in any area of life means negotiating. Arguing with friends about which movie to see is very different to haggling over prices with suppliers or negotiating international arms embargos, yet in many ways all negotiations are similar to each other. By arming yourself with the right knowledge and tools, you can vastly

improve the outcomes of all your negotiations. And since every day of your life involves some kind of negotiating, it's well worth your time to do so. Learn to negotiate well; everything is based on negotiations.

How to Argue & Win Every Time
Macmillan

A noted attorney gives detailed instructions on winning arguments, emphasizing such points as learning to speak with the body, avoiding being blinding by brilliance, and recognizing the power of words as a weapon. Reprint.

Leadership for the Common Good
John Wiley & Sons

When it was first published in 1992, the

first edition of *Leadership for the Common Good* presented a revolutionary approach to community and organizational leadership in a shared-power world. Now, in this completely revised and updated edition, Barbara Crosby and John Bryson expand on their proven leadership model and offer new insights and guidance to leaders. This second edition is a practical resource for a new generation of leaders and aspiring leaders and includes success stories, challenges, and real-world experience.

Giving Knopf

Here, from Bill Clinton, is a call to action. *Giving* is an inspiring look at how each of us can change the world. First, it reveals the extraordinary and innovative efforts now being made by companies and

organizations—and by individuals—to solve problems and save lives both “down the street and around the world.” Then it urges us to seek out what each of us, “regardless of income, available time, age, and skills,” can do to help, to give people a chance to live out their dreams. Bill Clinton shares his own experiences and those of other givers, representing a global flood tide of nongovernmental, nonprofit activity. These remarkable stories demonstrate that gifts of time, skills, things, and ideas are as important and effective as contributions of money. From Bill and Melinda Gates to a six-year-old California girl named McKenzie Steiner, who organized and supervised drives to clean up the beach in her community, Clinton introduces us to both well-known and

unknown heroes of giving. Among them: Dr. Paul Farmer, who grew up living in the family bus in a trailer park, vowed to devote his life to giving high-quality medical care to the poor and has built innovative public health-care clinics first in Haiti and then in Rwanda; a New York couple, in Africa for a wedding, who visited several schools in Zimbabwe and were appalled by the absence of textbooks and school supplies. They founded their own organization to gather and ship materials to thirty-five schools. After three years, the percentage of seventh-graders who pass reading tests increased from 5 percent to 60 percent; Oseola McCarty, who after seventy-five years of eking out a living by washing and ironing, gave \$150,000 to the University of Southern Mississippi to

endow a scholarship fund for African-American students; Andre Agassi, who has created a college preparatory academy in the Las Vegas neighborhood with the city's highest percentage of at-risk kids. "Tennis was a stepping-stone for me," says Agassi. "Changing a child's life is what I always wanted to do"; Heifer International, which gave twelve goats to a Ugandan village. Within a year, Beatrice Biira's mother had earned enough money selling goat's milk to pay Beatrice's school fees and eventually to send all her children to school—and, as required, to pass on a baby goat to another family, thus multiplying the impact of the gift. Clinton writes about men and women who traded in their corporate careers, and the fulfillment they now experience through giving. He

writes about energy-efficient practices, about progressive companies going green, about promoting fair wages and decent working conditions around the world. He shows us how one of the most important ways of giving can be an effort to change, improve, or protect a government policy. He outlines what we as individuals can do, the steps we can take, how much we should consider giving, and why our giving is so important. Bill Clinton's own actions in his post-presidential years have had an enormous impact on the lives of millions. Through his foundation and his work in the aftermath of the Asian tsunami and Hurricane Katrina, he has become an international spokesperson and model for the power of giving. "We all have the capacity to do great things," President

Clinton says. "My hope is that the people and stories in this book will lift spirits, touch hearts, and demonstrate that citizen activism and service can be a powerful agent of change in the world."

Under the Gaze of God

Before being published as a small book, these "counsels of perfection" and spiritual notes by Blessed Edward Poppe (1890-1924), a Belgian priest whose cause for canonization is under way, had been transcribed a hundred times by hand by those who had tasted their flavor, vigor, and supernatural wisdom. Fresh and luminous, this little book has been a tremendous success in Dutch, French, Italian, and German; it now appears at last in English. Responding well to the needs of the faithful, it will

become an inseparable vademecum for all those who wish to live "under the gaze of God."

Negotiation Genius *Bantam*

From two leaders in executive education at Harvard Business School, here are the mental habits and proven strategies you need to achieve outstanding results in any negotiation. Whether you've "seen it all" or are just starting out, *Negotiation Genius* will dramatically improve your negotiating skills and confidence. Drawing on decades of behavioral research plus the experience of thousands of business clients, the authors take the mystery out of preparing for and executing negotiations—whether they involve multimillion-dollar deals or improving

your next salary offer. What sets negotiation geniuses apart? They are the men and women who know how to:

- Identify negotiation opportunities where others see no room for discussion
- Discover the truth even when the other side wants to conceal it
- Negotiate successfully from a position of weakness
- Defuse threats, ultimatums, lies, and other hardball tactics
- Overcome resistance and “sell” proposals using proven influence tactics
- Negotiate ethically and create trusting relationships—along with great deals
- Recognize when the best move is to walk away
- And much, much more

This book gets “down and dirty.” It gives you detailed strategies—including talking points—that work in the real world even when the other side is hostile, unethical,

or more powerful. When you finish it, you will already have an action plan for your next negotiation. You will know what to do and why. You will also begin building your own reputation as a negotiation genius.

Getting It Done *Harper Collins*

Let's face it. In this chaotic world of teams, matrix management, and horizontal organizations, it's tougher than ever to get things done. How do you lead when you're not the one in charge? How can you be effective when joint action is needed? You need an edge in order to reach solutions and effectively work with others.

The Mediation Process *Jossey-Bass*

Provides mediators and other

professionals who use mediationsuch as lawyers, therapists, and personnel managerswith comprehensive, step-by-step instruction in effective dispute resolution strategies.

Bargaining for Advantage

Combining insights in negotiation research with the tactics used by some of the world's leading business strategists, *Bargaining for Advantage* is a practical guide to becoming a more effective negotiator. Richard Shell explores the hidden psychology and patterns that govern every bargaining situation. Driven by stories about everything from hostage taking and high stakes business deals to everyday encounters, this work offers a step-by-step approach that draws on your own

communication style to make you a skilful negotiator.

99 Negotiating Strategies

Createspace Independent Publishing Platform

This is the most complete catalogue of cutting-edge negotiating tactics ever published. This blockbuster work is written as a playbook, a field guide, so lawyers, sales professionals and other dealmakers will actively use it as negotiations proceed. Use the tactics individually or in combinations. Swap them in and out as negotiations proceed for maximum effectiveness, to keep your adversary off balance, to calm them, or to close the deal. Negotiations are fluid and the mood can change. Sticking to a single approach can lead to deal failure.

Rosen says a superior negotiator always adjusts as a deal progresses, just as a winning coach makes in-game adjustments. There is no filler here. There are no war stories. This is not a biography of David Rosen's career. It is exactly what the title says - an easy-to-use directory of powerful negotiating tactics. Each technique is succinctly explained, many with useful examples. The descriptions range in length from a single paragraph to a few pages. While there are many very sophisticated principles at work in Rosen's catalogue of techniques, each is simply explained. This is not an academic work. It is a tool, a device, just like a notepad, a pen or a calculator, for dealmaking pros to reference constantly. Rosen gets high marks for his opening discussion of

ethics. The tactics he compiled here are extremely powerful, and readers should use caution in deciding how to apply them. Some incorporate powerful psychological principles and are proven to work based on decades of heavy academic research. To quote Rosen from the book's Authors Note, "Some negotiators may find ideas in this book too aggressive, but that is a matter of perspective. It is not a matter of right versus wrong, or ethical versus unethical. One may be a principled and hardcore competitive negotiator or an unprincipled, unethical collaborative negotiator. So a given negotiator's description of a tactic as too "aggressive" is really nothing more than his or her marking of the spot on the style continuum beyond which he or she

no longer feels comfortable. Another negotiator might feel discomfort far short of that first negotiator's comfort spectrum. Others still may feel no discomfort even at the extremes." Who will benefit from this collection of advanced strategies? Lawyers, negotiators, sales organizations and sales professionals, business owners, mediators, and anyone involved in negotiating, dealmaking, selling, cold-calling, following up and closing deals. What will you learn? A small sample of the dozens of tactics: motivating others to buy, sell or reach other agreement; overcoming objections; creating or deflating a sense of urgency; helping opposing negotiators sell your deal to their own clients; overwhelming the opposition; and strategic uses of silence

and indecision. But Rosen takes you far beyond that, and far beyond the other, generic books on the market. He introduces you to deeply-researched psychological principles, such as Prospect Theory, Coase Theorem, Asch Conformity principles and concepts like reciprocity, scarcity and consistency. Each is simply explained in a way that teaches you how to use them to achieve superior outcomes. Other books on negotiating don't even address these critical topics. Rosen explains them and shows you how they work. Buy this guide, study it, and keep it with you. There are so many potent and compelling techniques that you'll never remember them all. One thing's for sure, however. Once you become familiar with Rosen's easy-to-understand strategies,

you'll never negotiate without this book again.

The Art of Negotiation *Simon and Schuster*

A member of the world renowned Program on Negotiation at Harvard Law School introduces the powerful next-generation approach to negotiation. A member of the world-renowned Program on Negotiation at Harvard Law School introduces the powerful next-generation approach to negotiation. For many years, two approaches to negotiation have prevailed: the “win-win” method exemplified in *Getting to Yes* by Roger Fisher, William Ury, and Bruce Patton; and the hard-bargaining style of Herb Cohen’s *You Can Negotiate Anything*. Now award-winning Harvard Business

School professor Michael Wheeler provides a dynamic alternative to one-size-fits-all strategies that don’t match real world realities. *The Art of Negotiation* shows how master negotiators thrive in the face of chaos and uncertainty. They don’t trap themselves with rigid plans. Instead they understand negotiation as a process of exploration that demands ongoing learning, adapting, and influencing. Their agility enables them to reach agreement when others would be stalemated. Michael Wheeler illuminates the improvisational nature of negotiation, drawing on his own research and his work with Program on Negotiation colleagues. He explains how the best practices of diplomats such as George J. Mitchell, dealmaker Bruce Wasserstein, and Hollywood producer

Jerry Weintraub apply to everyday transactions like selling a house, buying a car, or landing a new contract. Wheeler also draws lessons on agility and creativity from fields like jazz, sports, theater, and even military science.

Summary to Quickly Read Getting to Yes by William Ury

This summary is a separate companion to *Getting to Yes: Negotiating Agreement Without Giving In* by Roger Fisher, William L. Ury, Bruce Patton. Have you ever bought a book with the intention of making positive changes in your life, and then a month later nothing has changed? A month after you've finished reading the book, life gets busy, and you forget many of the important

ideas you've just read. Use this summary to quickly review the most important ideas from the book and get back on track to achieving the positive life-changing results you bought the book to obtain. Millions of people worldwide use book summaries to quickly re-learn important concepts from the books they've read. Learn a better way to negotiate. A must-read business book based on the Harvard Negotiation Project. Learn the best practices for negotiation and conflict resolution. Move beyond typical confrontational position-based negotiation. Turn conflict into productive mutually beneficial win-win solutions. Use interest-based negotiation to experience the benefits of building trusting and fruitful long-term working relationships. Dealmaking: The New Strategy of Negotiauctions (First Edition) W. W. Norton & Company

“Packed with transformative insights, Dealmaking will help a new generation of business leaders get to yes.”—William Ury, coauthor of *Getting to Yes* Informed by meticulous research, field experience, and classroom-tested strategies, Dealmaking offers essential insights for

anyone involved in buying or selling everything from cars to corporations. Leading business scholar Guhan Subramanian provides a lively tour of both negotiation and auction theory, then takes an in-depth look at his own hybrid theory, outlining three specific strategies readers can use in complex dealmaking situations. Along the way, he examines case studies as diverse as buying a house, haggling over the rights to a TV show, and participating in the auction of a multimillion-dollar company. Based on broad research and detailed case studies, *Dealmaking* brings together negotiation and auction strategies for the first time, providing the jargon-free, empirically sound advice professionals need to close the deal. Originally published in hardcover under

the title *Negotiauctions*.

The Serving Mindset *Simon and Schuster*

What if you could stop selling altogether and grow your profits? With *The Serving Mindset*, you'll learn how to serve, elevate your business success, and feel great about it! Targeted to business owners and entrepreneurs who are very good at what they do but feel guilt and shame around selling and sales and therefore limit their own success and overall possibilities, *The Serving Mindset: Stop Selling and Grow Your Business* positions selling as serving and takes readers through the process of why and how to acquire this "serving mindset" and put it into practice. For readers who hate sales, *The Serving Mindset* will help

you diagnose the source of the issue, understand how your mindset affects your sales directly, and discover a fresh approach to selling as serving—an essential lesson for enabling any business to explore maximum levels of prosperity. Using case studies as well as the experience of the author and that of her professional-coaching clients, *The Serving Mindset* is sure to change how readers view selling, serving, and growing. The powerful insights and applications in this book are game-changers for every business owner and entrepreneur who wants to attract and secure ideal customers and premium clients while maintaining integrity to his or her own core values.

We've combed through hundreds of Harvard Business Review articles and selected the most important ones to help you avoid common mistakes, find hidden opportunities, and win the best deals possible. This book will inspire you to: Control the negotiation before you enter the room Persuade others to do what you want--for their own reasons Manage emotions on both sides of the table Understand the rules of negotiating across cultures Set the stage for a healthy relationship long after the ink

has dried Identify what you can live with and when to walk away This collection of articles includes: "Six Habits of Merely Effective Negotiators" by James K. Sebenius; "Control the Negotiation Before It Begins" by Deepak Malhotra; "Emotion and the Art of Negotiation" by Alison Wood Brooks; "Breakthrough Bargaining" by Deborah M. Kolb and Judith Williams; "15 Rules for Negotiating a Job Offer" by Deepak Malhotra; "Getting to Si, Ja, Oui, Hai, and Da" by Erin Meyer; "Negotiating Without a Net: A Conversation with the NYPD's Dominick J. Misino" by Diane L. Coutu; "Deal Making 2.0: A Guide to Complex Negotiations" by David A. Lax and James K. Sebenius; "How to Make the Other Side Play Fair" by Max H. Bazerman and Daniel Kahneman; "Getting Past Yes:

Negotiating as if Implementation Mattered" by Danny Ertel; "When to Walk Away from a Deal" by Geoffrey Cullinan, Jean-Marc Le Roux, and Rolf-Magnus Weddigen.

Getting to Yes

Mastering Negotiation

This comprehensive book covers the key stages of the negotiation process: choosing an approach, preparing to negotiate, initiating talks, moving to substantive bargaining and problem-solving, overcoming common difficulties, and closing a deal. It focuses on issues of negotiation strategy, especially those associated with the interest-based or mutual-gains negotiation that professional negotiators often use in

complex disputes. Special features negotiations, group negotiations, and include chapters on cross-cultural ethical issues.
