An Introduction

Introduction to Law in Canada *North York, Ont. : Captus Press*

Introduction to Psychology and Law

Canadian Perspectives

University of Toronto Press

Leading Canadian scholars cover a wide range of topics spanning the applications of psychology in both criminal and civil areas of law. An authoritative introduction to law and

psychology for a Canadian audience.

Introduction to Law in Canada

Introduction to Health Law in Canada

An Introduction to Canadian Law

Introduction to Law *Springer*

This book is exceptional in the sense that it provides an introduction to law in general rather than the law of one specific jurisdiction, and it presents a unique way of looking at legal education. It is crucial for lawyers to be aware of the different ways in which societal problems can be solved and to be able to discuss the advantages and

disadvantages of different legal solutions. In this respect, being a lawyer involves being able to reason like a lawyer, even more than having detailed knowledge of particular sets of rules. Introduction to Law reflects this view by focusing on the functions of rules and on ways of arguing the relative qualities of alternative legal solutions. Where 'positive' law is discussed, the emphasis is on the legal questions that must be addressed by a field of law and on the different solutions which have been adopted by, for instance, the common law and civil law tradition. The law of specific jurisdictions is discussed to illustrate possible answers to

questions such as when the existence of a valid contract is assumed.

Introduction to Real Property Law

On Coming to Law

An Introduction to Law in Liberal Societies *Markham, Ont. : Butterworths*

A lawyer's view of the institutions and practices of law in society for students beginning or considering the study of law.

Advanced Introduction to Law and Development *Edward Elgar Publishing*

In this thoroughly revised and updated second edition, Mariana Mota Prado and Michael J.

Trebilcock offer a succinct and readable introduction to the main concepts and debates in the field of law and development. They examine the role of legal systems and institutions, investigate perceptions around what laws and legal arrangements encourage and facilitate development, and probe the issues arising in both private law and public law as well as in international economic relations. Written with the insight of two top experts in the field, this Advanced Introduction covers the most recent trends in law and development research and highlights areas that remain underexplored.

The Law in Canada

A Citizen's

Introduction to the Canadian Legal System

Aboriginal Peoples and the Law

A Critical Introduction *Purich Books*

The Truth and Reconciliation

Commission urged a better understanding of Aboriginal law for all Canadians. This book responds to that call, outlining significant legal developments in straightforward, non-technical language. Jim Reynolds provides the historical context needed to understand the relationship between Indigenous peoples and settlers and explains key topics such as sovereignty, fiduciary duties, the honour of the Crown, Aboriginal rights and

title, treaties, the duty to consult, Indigenous laws, and international law. He concludes that rather than leaving the judiciary to sort out essentially political issues, politicians need to take responsibility for this crucial aspect of building a just society.

Foundations of Criminal and Civil Law in Canada

"This text offers a broad and basic survey of Canadian Law and its subdivisions and aims to ensure readers are able to analyze and classify offences and identify possible defences in criminal cases."--

Advanced Introduction to Law and Globalisation

Edward Elgar Publishing

This Advanced Introduction offers a fresh critical analysis of various dimensions of law and globalisation, drawing on historical, normative, theoretical, and linguistic methodologies. Its comprehensive and multidisciplinary approach spans the fields of global legal pluralism, comparative legal studies, and international law.

INTRODUCTION TO ENVIRONMENTAL LAW AND POLICY IN CANADA.

Introduction to Law in Canada
Scarborough, Ont. : Prentice Hall Allyn and Bacon Canada

Designed for use in Introductory Law courses for non-majors in law. The course is found in Political

Science departments in universities, and Law Enforcement, Paralegal, and Legal Secretary programs in community colleges. This text introduces the legal principles that are basic to all major areas of the Canadian legal system. The integration of legal theory and practical application using current case law allow students to appreciate the impact that law has on all aspects of every day life. Introduction to Law in Canada provides a solid introduction to Canadian law and institutions and strikes a balance between theory and practice.

An Introduction to Law *Cambridge University Press*

Since the publication of its first edition, this

textbook has become the definitive student introduction to the subject. As with earlier editions, the seventh edition gives a clear understanding of fundamental legal concepts and their importance within society. In addition, this book addresses the ways in which rules and the structures of law respond to and impact upon changes in economic and political life. The title has been extensively updated and explores recent high profile developments such as the Civil Partnership Act 2005 and the Racial and Religious Hatred Bill. This introductory text covers a wide range of topics in a clear, sensible fashion giving full context to each. For this reason An

Introduction to Law is ideal for all students of law, be they undergraduate law students, those studying law as part of a mixed degree, or students on social sciences courses which offer law options.

**Advanced
Introduction to Law
and Renewable
Energy** *Edward Elgar
Publishing*

This clear and concise book provides an overview of how laws and policies around the world are designed to support and accelerate the growth of renewable energy. Throughout, Professor Eisen focuses on how national and sub-national governments have responded to the revolutionary transformation of the world's energy system

by developing and implementing support programs for renewable energy.

Law's Indigenous Ethics *University of Toronto Press*

Law's Indigenous Ethics examines the revitalization of Indigenous peoples' relationship to their own laws and, in so doing, attempts to enrich Canadian constitutional law more generally. Organized around the seven Anishinaabe grandmother and grandfather teachings of love, truth, bravery, humility, wisdom, honesty, and respect, this book explores ethics in relation to Aboriginal issues including title, treaties, legal education, and residential schools. With characteristic

depth and sensitivity, John Borrows brings insights drawn from philosophy, law, and political science to bear on some of the most pressing issues that arise in contemplating the interaction between Canadian state law and Indigenous legal traditions. In the course of a wide-ranging but accessible inquiry, he discusses such topics as Indigenous agency, self-determination, legal pluralism, and power. In its use of Anishinaabe stories and methodologies drawn from the emerging field of Indigenous studies, Law's Indigenous Ethics makes a significant contribution to scholarly debate and is an essential resource for readers seeking a

deeper understanding of Indigenous rights, societies, and cultures.

Introduction to the Canadian Law of Torts *Markham, Ont. : LexisNexis Butterworths*

Apex Courts and the Common Law *University of Toronto Press*

For centuries, courts across the common law world have developed systems of law by building bodies of judicial decisions. In deciding individual cases, common law courts settle litigation and move the law in new directions. By virtue of their place at the top of the judicial hierarchy, courts at the apex of common law systems are unique in that their decisions and, in particular, the

language used in those decisions, resonate through the legal system. Although both the common law and apex courts have been studied extensively, scholars have paid less attention to the relationship between the two. By analyzing apex courts and the common law from multiple angles, this book offers an entry point for scholars in disciplines related to law — such as political science, history, and sociology — who are seeking a deeper understanding and new insights as to how the common law applies to and is relevant within their own disciplines.

Introduction to Law in Canada

A Custom Edition for LGST 2210 Private

**Law, Douglas
College, B.C**

**Invitation to Law
and Society**

**An Introduction to
the Study of Real
Law** *University of
Chicago Press*

Law and Society is a rapidly-growing interdisciplinary field that turns on its head the conventional, idealized view of the "Law" as a magisterial abstraction. Kitty Calavita's *Invitation to Law and Society* brilliantly brings to life the ways in which law shapes and manifests itself in the institutions and interactions of human society, while inviting the reader into conversations that introduce the field's dominant themes and most lively disagreements. Deftly

interweaving scholarship with familiar personal examples, Calavita shows how scholars in the discipline are collectively engaged in a subversive exposé of law's public mythology. While surveying prominent issues and distinctive approaches to the use of the law in everyday life, as well as its potential as a tool for social change, this volume provides a view of law that is more real but just as compelling as its mythic counterpart. In a field of inquiry that has long lacked a sophisticated yet accessible introduction to its ways of thinking, *Invitation to Law and Society* will serve as an engaging and indispensable guide.

Introduction to the

Canadian Legal System

Introduction to the Canadian Legal System goes beyond the mere outline of the basics and seeks to help students challenge and question legal rules. It includes a variety of case studies that exemplify the workings of the law and help students see the connections between the discussed rules and real life.

The Law of Restitution

Introduction to Legal Studies

Quebec Civil Law

An Introduction to Quebec Private Law
Emond Montgomery

Regulating Creation

The Law, Ethics, and Policy of Assisted Human Reproduction

University of Toronto Press

Regulating Creation is a collection of essays featuring contributions by Canadian and international scholars. It offers a variety of perspectives on the role of law in dealing with the legal, ethical, and policy issues surrounding changing reproductive technologies.

Essays in the History of Canadian Law

Crime and Criminal Justice in Canadian History *University of Toronto Press*

This fifth volume in the distinguished series on the history of Canadian law turns to the important issues of

crime and criminal justice. In examining crime and criminal law specifically, the volume contributes to the long-standing concern of Canadian historians with law, order, and authority. The volume covers criminal justice history at various times in British Columbia, Ontario, Quebec, and the Maritimes. It is a study which opens up greater vistas of understanding to all those interested in the interstices of law, crime, and punishment.

An Introduction to the Study of the Law of the Constitution
Springer

A starting point for the study of the English Constitution and comparative constitutional law, *The Law of the Constitution*

elucidates the guiding principles of the modern constitution of England: the legislative sovereignty of Parliament, the rule of law, and the binding force of unwritten conventions.

Legal Literacy

An Introduction to Legal Studies
Athabasca University Press

To understand how the legal system works, students must consider the law in terms of its structures, processes, language, and modes of thought and argument—in short, they must become literate in the field. *Legal Literacy* fulfills this aim by providing a foundational understanding of key concepts such as legal personhood,

jurisdiction, and precedent, and by introducing students to legal research and writing skills. Examples of cases, statutes, and other legal materials support these concepts. While *Legal Literacy* is an introductory text, it also challenges students to consider critically the system they are studying. Touching on significant socio-legal issues such as access to justice, legal jargon, and plain language, Zariski critiques common legal traditions and practices, and analyzes what it means “to think like a lawyer.” As such, the text provides a sound basis for those who wish to pursue further studies in law or legal studies as well as those seeking a better understanding

of how the legal field relates to the society that it serves.

Advanced Introduction to Law and Literature

Edward Elgar Publishing

Peter Goodrich presents a unique introduction to the concept of jurisliterature.

Highlighting how lawyers have been extraordinarily productive of literary, artistic and political works, Goodrich explores the diversity and imagination of the law and literature tradition.

Jurisliterature, he argues, is the source of legal invention and the sign of novelty in judgments.

Canadian Tort Law in a Nutshell *Carswell*

Legal Publications
