It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Season's Change *Carina Press*
"This is hockey romance for hockey fans." --Rachel Reid, author of the Game Changers series A veteran hockey player and a rookie can't get away from each other—or their own desires—in this sexy, heartfelt opposites-attract hockey romance. Olly Järvinen has a long way to go. He's got a fresh start playing for a new team, but getting his hockey career back on track is going to take more than a change of scenery. He's got to shut his past out and focus. On the game, not on his rookie roommate and his annoyingly sunny disposition—and annoyingly distracting good looks. All Benji Bryzinski ever wanted was to play in the big leagues, and he's not going to waste one single second of his rookie season. Yoga, kale smoothies and guided meditation help keep his head in the game. But his roommate keeps knocking him off track. Maybe it's just that Olly is a grumpy bastard. Or maybe it's something else, something Benji doesn't have a name for yet. Olly and Benji spend all their time together—on the ice, in the locker room, in their apartment—and ignoring their unspoken feelings isn't making them go away. Acting on attraction is one thing, but turning a season's fling into forever would mean facing the past—and redefining the future. Trade Season Book 1: Season's Change
