The Quran And The Secular Mind A Philosophy Of Islam [EBOOK]

"Secular Islam" means that the collection of beliefs, moral values and teachings which comprise Islam do not confer on Muslims a mission to form a government or state. The idea of establishing an Islamic state based on the Quran and the Sunnah is incorrect, as neither presents a model for such a state.

Why Secularism Is Compatible with the Quran and Sunnah ...

Secularism is an ambiguous concept that could be understood to refer to anticlericalism, atheism, state neutrality toward religion, the separation of religion from state, banishment of religious symbols from the public sphere, or disestablishment (separation of church and state), although the latter meaning would not be relevant in the Islamic context, since Islam has no institution corresponding to this sense of "church".
