As always the Haynes manual gives you all the info required for a Telecaster owner. It covers all aspects of the guitar from its history and the basics such as setting up your guitar, what tools are required and even repairs. Well illustrated with lots of notes and input from various guitarists and manufacturers. An easy to understand manual.

I must admit to buying this partly because of the Haynes name and

the quirky idea of them doing a Stratocaster manual. However it is very detailed with loads of photos and illustrations helping me to get the best set-up for my own Strat. I've learned a lot from this book and the pieces by famous guitarists are fascinating.
