Genre is any form or type of

communication in any mode with socially-agreed-upon conventions developed over time. Genre is most popularly known as a category of literature, music, or other forms of art or entertainment, whether written or spoken, audio or visual, based on some set of stylistic criteria, yet genres can be aesthetic, rhetorical, communicative, or functional. Genres form by conventions that change over time as cultures invent new genres and discontinue the use of old ones. Often, w
