Abstract. Socio-economic rights are those rights that give people access to certain basic needs necessary for human beings to lead a dignified life.

Government and, in certain circumstances, private individuals and bodies, can be held accountable if they do not respect, protect, promote and fulfil these rights. Socio-economic rights are especially relevant for vulnerable and disadvantaged groups in society.

Socio-Economic Rights in South Africa: A resource book

The inclusion of justiciable socio-economic rights in the 1996 South African Constitution raises a number of concerns for the South African Judiciary. At the heart of these difficulties is the tension between giving full effect to these rights, and the appropriate role of the courts in a constitutional democracy in the determination of social and economic policy.
