The Other Side *Penguin*

Two girls, one white and one black, gradually get to know each other as they sit on the fence that divides their town.

The Problem with the Other Side *Soho Press*

Told in two voices, the budding romance between tenth-graders Uly Gates and Sallie Walls is tested when their sisters run against each other in a racially-charged campaign for student-body president.

On the Other Side

Evie Snow is eighty-two when she quietly passes away in her sleep, surrounded by her children and grandchildren. It's the way most people wish to leave the world. But when Evie reaches the door of her own private heaven, she finds that she's become her twenty-seven-year-old self, and the door won't open. Evie's soul must be light enough to pass through, so she needs to get rid of whatever is making her soul heavy. For Evie, this means unburdening herself of the three secrets that have weighed her down for over fifty years, so she must find a way to reveal them before it's too late. As Evie begins the journey of a lifetime, she learns more about life and love than she ever thought possible.

The Other Side: A Memoir *Tin House Books*

Lacy Johnson's rich and poetic memoir, *The Other Side*, chronicles her brutal kidnapping and imprisonment at the hands of an ex-boyfriend, her dramatic escape, and her hard-fought struggle to recover. Lacy Johnson bangs on the glass doors of a sleepy local police station in the middle of the night. Her feet are bare; her body is bruised and bloody; U-bolts dangle from her wrists. She has escaped, but not unscathed. *The Other Side* is the haunting account of a first passionate and then abusive relationship; the events leading to Johnson's kidnapping, rape, and imprisonment; her dramatic escape; and her hard-fought struggle to recover. At once thrilling, terrifying, harrowing, and hopeful, *The Other Side* offers more than just a true crime record. In language both stark and poetic, Johnson weaves together a richly personal narrative with police and FBI reports, psychological records, and neurological experiments, delivering a raw and unforgettable story of trauma and transformation.

On the Other Side of Freedom

The Case for Hope *Penguin*

"Hope and insight and empathy spring from every page. . . . [McKesson] stares down the faces of bigotry and unfreedom and cynicism and doesn't flinch in writing out our marching orders toward freedom." --Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* From the internationally recognized civil rights activist/organizer and host of the podcast *Pod Save the People*, a meditation on resistance, justice, and freedom, and an intimate portrait of a movement

from the front lines. In August 2014, twenty-nine-year-old activist DeRay Mckesson stood with hundreds of others on the streets of Ferguson, Missouri, to push a message of justice and accountability. These protests, and others like them in cities across the country, resulted in the birth of the Black Lives Matter movement. Now, in his first book, Mckesson lays down the intellectual, pragmatic, and political framework for a new liberation movement. Continuing a conversation about activism, resistance, and justice that embraces our nation's complex history, he dissects how deliberate oppression persists, how racial injustice strips our lives of promise, and how technology has added a new dimension to mass action and social change. He argues that our best efforts to combat injustice have been stunted by the belief that racism's wounds are history, and suggests that intellectual purity has curtailed optimistic realism. The book offers a new framework and language for understanding the nature of oppression. With it, we can begin charting a course to dismantle the obvious and subtle structures that limit freedom. Honest, courageous, and imaginative, *On the Other Side of Freedom* is a work brimming with hope. Drawing from his own experiences as an activist, organizer, educator, and public official, Mckesson exhorts all Americans to work to dismantle the legacy of racism and to imagine the best of what is possible. Honoring the voices of a new generation of activists, *On the Other Side of Freedom* is a visionary's call to take responsibility for imagining, and then building, the world we want to live in.

On the Other Side *Xulon Press*

This book is based on a true story about a man who had hardship since he was a little child. Going through agony living with a single mother, an abusive stepfather, being homeless, living in poverty, scared and fearful for his life. He was able to build a relationship with God and God continued to protect him

The City on the Other Side *First Second Books*

In *The City on the Other Side*, a young girl stumbles into a pitched war between two fairy kingdoms, and the fate of San Francisco itself hangs in the balance! Sheltered within her high-society world, Isabel plays the part of a perfectly proper little girl—she's quiet, well-behaved, and she keeps her dresses spotlessly clean. She's certainly not the kind of girl who goes on adventures. But that all changes when Isabel breaches an invisible barrier and steps into another world. She discovers a city not unlike her own, but magical and dangerous. Here, war rages between the fairies of the Seelie and Unseelie Courts. Only Isabel, with the help of a magical necklace and a few new friends, stands a chance of ending the war before it destroys the fairy world, and her own. From Mairghread Scott and Robin Robinson comes a colorful fantasy graphic novel set in early twentieth century San Francisco.

Sounds from the Other Side

Afro-South Asian Collaborations in Black Popular Music *U of Minnesota Press*

A sixty-year history of Afro-South Asian musical collaborations From Beyoncé's South Asian music-inspired Super Bowl Halftime

performance, to jazz artists like John and Alice Coltrane's use of Indian song structures and spirituality in their work, to Jay-Z and Missy Elliott's high-profile collaborations with diasporic South Asian artists such as the Panjabi MC and MIA, African American musicians have frequently engaged South Asian cultural productions in the development of Black music culture. *Sounds from the Other Side* traces such engagements through an interdisciplinary analysis of the political implications of African American musicians' South Asian influence since the 1960s. Elliott H. Powell asks, what happens when we consider Black musicians' South Asian sonic explorations as distinct from those of their white counterparts? He looks to Black musical genres of jazz, funk, and hip hop and examines the work of Miles Davis, John Coltrane, Rick James, OutKast, Timbaland, Beyoncé, and others, showing how Afro-South Asian music in the United States is a dynamic, complex, and contradictory cultural site where comparative racialization, transformative gender and queer politics, and coalition politics intertwine. Powell situates this cultural history within larger global and domestic sociohistorical junctures that link African American and South Asian diasporic communities in the United States. The long historical arc of Afro-South Asian music in *Sounds from the Other Side* interprets such music-making activities as highly political endeavors, offering an essential conversation about cross-cultural musical exchanges between racially marginalized musicians.

Amigos Del Otro Lado *Children's Book Press*

Did you come from Mexico? An Mexican-American defends Joaquin, a boy who came across the border. The

Border Patrol is looking for him and his mother who are hiding. His newly found friend Prietita took him to the Herb Lady to help him with red welts.

The Other Side of Yet

Finding Light in the Midst of Darkness *Simon and Schuster*

A raw and powerful memoir about how resilience, hope, and defiant faith can lead to powerful transformation even in the midst of our darkest hours. Media executive Michelle D. Hord has suffered loss at almost every major phase in her life; the most devastating being the murder of her beloved daughter at the hands of her ex-husband. Yet through it all, there was a voice inside her insisting that she must let the light shine through the holes in her heart. With evocative prose and spiritual insight, *The Other Side of Yet* offers a compassionate blueprint on how to harness your inner strength. She shares how, while we can't control the pain or trauma that alters life as we knew it before, we can always pivot to a yet and rebuild a new after. *The Other Side of Yet* is about creating a life of purpose, passion, and possibility regardless of what is thrown at us. It highlights how we can face our hardships, yet also choose to keep fighting. A timeless and accessible book for anyone who has experienced grief or loss, it will give you the inspiration and tools you need to reclaim your story.

Letters from the Other Side

With Love, Harry and Helen *Upper Access Books*

Blind since childhood, Mary Blount White was limited in what she could write. Yet after her brother and sister had died, she asked her father for a pencil and began to transcribe messages by automatic handwriting. She said, I felt as if I held a galvanic battery in my hand. Between 1913 and 1917 she received scores of letters from Harry and Helen, describing life after death. Their straight talk about the need for peace, tolerance of others, individual responsibility, and existence on other planes has impressed many and is still relevant today. This was one of the first books we published, and we've kept it in print because new people keep discovering it and thanking us for making it available. Note: The original publication date was 1987, although that date does not work on this Web form.

On the Other Side, Blue

Collects poems that explore grief.

The Other Side

Stories of Central American Teen Refugees Who Dream of Crossing the Border *Farrar, Straus and Giroux (BYR)*

Award-winning Mexican author Juan Pablo Villalobos explores illegal immigration with this emotionally raw and timely nonfiction book about ten Central American teens and their journeys to the United States. You can't really tell what time it is when you're in the freezer. Every year, thousands of migrant children and teens cross the U.S.-Mexico border. The journey is treacherous and sometimes deadly, but worth the risk for migrants who are escaping gang violence and poverty in their

home countries. And for those refugees who do succeed? They face an immigration process that is as winding and multi-tiered as the journey that brought them here. In this book, award-winning Mexican author Juan Pablo Villalobos strings together the diverse experiences of eleven real migrant teenagers, offering readers a beginning road map to issues facing the region. These timely accounts of courage, sacrifice, and survival—including two fourteen-year-old girls forming a tenuous friendship as they wait in a frigid holding cell, a boy in Chicago beginning to craft his future while piecing together his past in El Salvador, and cousins learning to lift each other up through angry waters—offer a rare and invaluable window into the U.S.-Central American refugee crisis. In turns optimistic and heartbreaking, *The Other Side* balances the boundless hope at the center of immigration with the weight of its risks and repercussions. Here is a necessary read for young people on both sides of the issue.

On the Other Side of the Garden *Groundwood Books Ltd*

From one of the great creative teams in picture books, *On the Other Side of the Garden* is about a city girl learning to accept the change brought about by her parents' separation when she is taken to her grandmother's house in the country and befriended by an owl, a frog and a mouse. When her father leaves her at her grandmother's house, the young girl at the center of this story feels abandoned and lonely. Her mother has moved to another country, and the girl wasn't paying attention when her father explained what was happening. And she hardly remembers her grandmother. After going up to her room she decides to venture out into the nighttime garden where she meets an owl, a frog and

a mouse. They take her on a tour of her extraordinary new world. When she gets back in the morning, her grandmother explains that her father won't be back for a long time. The girl tells her that she wants to be able to spend time in the garden with the plants and animals of this new world, and her grandmother doesn't seem to be either surprised or alarmed by her nighttime adventures. And she is very happy that the girl and she will get to know each other. Buitrago's stories are noted for conveying large truths through understatement and suggestion. This story, beautifully illustrated by Yockteng, shows how a child can use her own bravery and curiosity to confront frightening and potentially destructive realities such as a parents' separation and being left with an almost unknown relative through what we must assume is a situation where her father had no choice. There is an endnote about the plants and animals that might be found in such a garden.

The Other Side of Me *Grand Central Publishing*

Author of over a dozen bestsellers, Academy Award-winning screenwriter, and creator of some of television's greatest hits, Sheldon has seen and done it all, and now in this candid memoir, he shares his story for the first time.

Adele

The Other Side *Stories Behind the Songs*

Adele: The Other Side reveals the stories behind the hugely popular and iconic songs that have made Adele the star she is today. With a detailed exploration of the meanings behind her

personal and enigmatic lyrics, and full of insightful revelations about her musical journey both on and off the stage, this is the perfect book for any fan of Adele and the soulful, heart-wrenching music she has written.

Light on the Other Side of Divorce

Discovering the New You *Mango*

Light on the Other Side of Divorce: Discovering the New You is for people who have separated/divorced from their partners who want to feel excited about who they are now, more emboldened and less overwhelmed. The book is a comprehensive, inspirational resource for healing and thriving after divorce.

The Other Side of Perfect *Poppy*

For fans of Sarah Dessen and Mary H.K. Choi, this lyrical and emotionally driven novel follows Alina, a young aspiring dancer who suffers a devastating injury and must face a world without ballet—as well as the darker side of her former dream. Alina Keeler was destined to dance, but then a terrifying fall shatters her leg—and her dreams of a professional ballet career along with it. After a summer healing (translation: eating vast amounts of Cool Ranch Doritos and binging ballet videos on YouTube), she is forced to trade her pre-professional dance classes for normal high school, where she reluctantly joins the school musical. However, rehearsals offer more than she expected—namely Jude, her annoyingly attractive castmate she just might be falling for. But to move forward, Alina must make peace with her past and face the racism she experienced in the dance industry. She

wonders what it means to yearn for ballet—something so beautiful, yet so broken. And as broken as she feels, can she ever open her heart to someone else? Touching, romantic, and peppered with humor, this debut novel explores the tenuousness of perfectionism, the possibilities of change, and the importance of raising your voice.

What's on the Other Side?

What the Gospel Teaches Us about the Spirit World

Nan Goldin

The Other Side *Steidl*

This is an expanded and updated version of Nan Goldin's seminal book *The Other Side*, originally published in 1993. There will be a revised introduction by Goldin, and for the first time the voices of those whose stories are represented. Now being released at a time when the discourse around gender and sexual orientation is evolving, *The Other Side* traces some of the history that informs this new visibility. The first photographs in the book are from the 1970s, when Goldin lived in Boston with a group of drag queens and documented their glamour and vulnerability. In the early eighties, Goldin chronicled the lives of transgender friends in New York when AIDS began to decimate her community. In the nineties, she recorded the explosion of drag as a social phenomenon in New York, Berlin and Bangkok, photographing their public personas while showing their real lives backstage. Goldin's newest photographs are intimate portraits, imbued with

tenderness, of some of her most beloved friends. *The Other Side* is her homage to the queens she's loved, many of whom she's lost, over the last four decades. The pictures in this book are not of people suffering gender dysphoria but rather expressing gender euphoria... - Nan Goldin

On the Other Side of the Forest *Greystone Books Ltd*

A 2021 New York Times/New York Public Library Best Illustrated Children's Book "Absorbing storytelling."—Publishers Weekly STARRED Review "A riveting read."—Kirkus Reviews STARRED Review What's on the other side of the forest? A young rabbit and his father are determined to find out in this modern picture book that "feels like a vintage gem" (New York Times), calling to mind the tender work of Beatrix Potter. Some say that wolves, ogres, and giant badgers live in the forest beside Arthur's house. That's why no one ever goes in there, to see what's on the other side. But one day, Arthur's dad has an idea—a magnificent idea! Build a tower to look over the treetops! But a magnificent idea takes a lot of work. Will the villagers join and help them? And when the tower takes shape, what will they see on the other side? This wonderful, heartwarming story reminiscent of classic children's books, is perfect for: Teaching kids about cooperation and teamwork—and how they help us achieve our dreams! A fun and creative Easter or Spring-themed gift for kids

The Other Side of Impossible

Ordinary People Who Faced Daunting Medical Challenges and Refused to Give Up *Random House Trade Paperbacks*

You're faced with a difficult health condition. You have exhausted medicine's answers. What do you do? Susannah Meadows tells the real-life stories of seven families who persisted when traditional medicine alone wasn't enough. Their adventures take us to the outer frontiers of medical science and cutting-edge complementary therapies, as Meadows explores research into the mind's potential to heal the body, the possible role food may play in reversing disease, the power of agency, perseverance, and hope—and more. When journalist Susannah Meadows noticed her three-year-old son, Shepherd, shying away from soccer practice, she had no idea it was the first sign of juvenile idiopathic arthritis. The diagnosis was the first step of a long journey, physically painful for Shepherd and emotionally wrenching for Susannah and her family. But they pressed on, and using a combination of traditional and complementary medicine they beat the disease, and the odds. Meadows chronicles her own story, and takes you into the lives of other remarkable people, exploring their heartbreaks and triumphs. One boy who has severe food allergies undergoes an unconventional therapy and is soon eating everything. An organic farmer in Washington State tries to solve the puzzle of her daughter's epileptic seizures. A physician with MS creates her own combination of treatments and goes from a wheelchair to riding a bike again. A child diagnosed with ADHD refuses to take medication and instead improves his life, and the life of his family, after changing his diet. Other families take on rheumatoid arthritis and autistic behaviors. Meadows includes new information about traditional and nontraditional medicine and the latest science on how the health of our gut bacteria is connected to wellness—and how the right foods play a key role in

helping this microscopic population thrive. She also talks with scientists who study the traits and circumstances that may make some people keep going when others feel helpless. These researchers are illuminating the psychology of healing—how the mind, and asserting control over your body and health, can play a part in recovery. Fascinating, moving, and profoundly inspiring, *The Other Side of Impossible* gives us people driven by love, desperation, and astonishing resolve—a community of the defiant who share an extraordinary talent for hope and for fighting the battle for healing in today's world and tomorrow's.

The Other Side of Terror

Black Women and the Culture of US Empire *NYU Press*

Reveals the troubling intimacy between Black women and the making of US global power The year 1968 marked both the height of the worldwide Black liberation struggle and a turning point for the global reach of American power, which was built on the counterinsurgency honed on Black and other oppressed populations at home. The next five decades saw the consolidation of the culture of the American empire through what Erica R. Edwards calls the “imperial grammars of blackness.” This is a story of state power at its most devious and most absurd, and, at the same time, a literary history of Black feminist radicalism at its most trenchant. Edwards reveals how the long war on terror, beginning with the late-Cold War campaign against organizations like the Black Panther Party for Self-Defense and the Black Liberation Army, has relied on the labor and the fantasies of Black women to justify the imperial spread of capitalism. Black

feminist writers not only understood that this would demand a shift in racial gendered power, but crafted ways of surviving it. *The Other Side of Terror* offers an interdisciplinary Black feminist analysis of militarism, security, policing, diversity, representation, intersectionality, and resistance, while discussing a wide array of literary and cultural texts, from the unpublished work of Black radical feminist June Jordan to the memoirs of Condoleezza Rice to the television series *Scandal*. With clear, moving prose, Edwards chronicles Black feminist organizing and writing on “the other side of terror”, which tracked changes in racial power, transformed African American literature and Black studies, and predicted the crises of our current era with unsettling accuracy.

The Other Side of Luck *Bloomsbury Publishing USA*

Perfect for fans of Adam Gidwitz's *The Inquisitor's Tale*, this lyrical middle-grade fantasy follows two children from opposite circumstances as their fates cross and change both their lives forever. Ever since her mother's death, Princess Una has suffered through years of loneliness in the royal palace, where girls are treated as an afterthought. She yearns for a different life but is unsure how to make anyone notice her. Then her father announces a special contest: Whoever finds the rare Silva Flower can present it to Una for her twelfth birthday and receive a reward. Frustrated by her father's grand but empty gesture, Una decides to take her fate into her own hands. Julien, a young pauper, has tried his whole life to make something of nothing, alongside his hardworking Baba. When Baba is arrested by terrifying debt collectors, Julien's only hope to save his father is to win the palace contest--to find the elusive Silva Flower. Little

does he know that Una has decided to embark on a journey to find the prize, as well. As Una and Julien search for the flower, their destinies intertwine and offer a reward greater than anything either could ever hope for: the feeling of belonging. In this lively, heartfelt tale, Ginger Johnson treats readers to an emotionally satisfying adventure with a truly memorable cast of characters.

24 Minutes On The Other Side

Living Without Fear of Death

WOULD YOU RETURN FROM DEATH TO SAVE THE LIFE OF SOMEONE YOU DON'T KNOW? Tessa Romero lived a Near Death Experience (NDE) for 24 minutes. She returned to save another life. This experience transformed her, allowing her to enjoy a full and happy life, free from fear. In "24 Minutes on The Other Side", Tessa tells us about her amazing journey to the afterlife—where she established contact with other beings—to help you understand the sense of life and death. One cannot exist without the other. Thanks to her experience with patients suffering from a terminal disease, the author learned that it is possible to live without fear of death and presently helps others to overcome their fear and die in peace, with dignity, knowing that death is only an awakening to a new life. Why are we afraid of dying? Is there life after death? Can we live without fear? Tessa invites us to follow her during her journey with the object of finding an answer to these fascinating mysteries. **SELECTED REVIEWS** "This shocking book gave me goosebumps. It successfully combines experience with science. The story is clear and the reading is

fluid. Its pages present the author as a benevolent person with good intentions to help us. In hard times, I remember Tessa and her story, and try not to forget that there is life before death." Benjamín Espinoza. Chemical engineer "This book has helped me face my death-related fears. It made me aware of how easy it is to live without fearing death as such. It gave me a lot of strength, energy and, most precious, Love. Tessa taught me that instead of living in fear we should learn how to live." Filli Ramírez. Entrepreneur. THE AUTHOR Tessa Romero is a writer, journalist, sociologist, and life coach. She is a volunteer for the defense of human rights and a journalist with a wide experience in Spain's leading news media. She has written educational manuals on lyrical and symphonic music, tourist guides for several countries, as well as touristic and cultural articles for both the Spanish and the international printed press. She won her first literary award when she was only 8 years old and was prompted by her true vocation, as an author, to write her story and thus give life to this, her first personal-growth book, thus fulfilling her dream of helping others. The Other Side

"With grace, care, honest words, and a hopeful message, Holden has woven a story that will sit in your soul and has the power to make so many of us feel less alone. A must-read for young and old alike." -Ginger Scott, bestselling author From the bestselling author of the Bright Side series comes a thought-provoking, eye opening story about the complexity of family, the devastation of loss, the destruction of depression, and the unequivocal power of kindness and perspective. Amazon Top 50 Bestseller The Other

Side is a standalone novel. There are two sides to every story. The surface reality that's presented to the world... And then there's the other side. The real one. The one that matters. Seventeen-year-old, self-proclaimed asshole, Toby Page, is alone. No friends. No family. He trades maintenance work in exchange for room and board. Every day he fights demons no one else can see. Every day he wants to give up. But he can't. Not yet. When Alice Eliot moves in downstairs, she offers Toby some light in his dark world. At a crossroads and barely hanging on, it's hard to have perspective. It's difficult to see your own worth when you're the villain in your story. Luckily for Toby, Alice brings things out in him that no one else ever has. As the two sides of Toby's story are revealed, and the full reality comes into view, truth is gained, unlikely heroes emerge, and improbable alliances prove that kindness is fundamentally human. The question is, Will it all be enough to save him?

The Other Side of Christmas

This Ambigram Book Has Two Stories in One

Ambigram Christmas childrens' book that bridges the gap between the Santa story and the Jesus story. This ambigram book has two stories in one. The first story shares people celebrating this traditional holiday. Then at the last page, readers are directed to turn the book upside down to read the second story of the birth of Jesus on Christmas day.

Stories from the Other Side Hay House, Inc

Stories From The Other Side is a revealing, honest and often

humorous account of Gordon's experiences as a medium. From realising his abilities as a child (much to the confusion of his family) to silencing voices at night it provides a fascinating insight into his world. Ideal for both believers and sceptics alike, it includes shockingly accurate readings, moving tales of bereavement and surprising celebrity anecdotes. Stories from the Other Side breaches the gap between science and spirituality and offers Gordon's unique insight on life and death. From his early years in a rough estate in Glasgow, to his international acclaim as one of the world's best mediums, it charts the confusion, happiness, love and heartbreak he has encountered along the way.

Blessings From the Other Side

Wisdom and Comfort From the Afterlife for This Life

Penguin

Get back into the spirit of appreciating your life. Share in Sylvia Browne's extraordinary lessons of wisdom and comfort from The Other Side.... Keeping life in perspective is difficult for everyone. For many, holidays, birthdays, and anniversaries become overwhelming events; not to mention job changes, family crises, and personal issues. We become preoccupied with things we cannot change and lose sight of what really matters. Now renowned psychic and #1 New York Times bestselling author Sylvia Browne helps us celebrate and appreciate life by reminding us of the countless blessings we received before coming into this world. With chapters on forgiveness, past lives, contacting The Other Side, and discovering life's purpose, Sylvia Browne tells uplifting stories of people she has helped to find their way. Sylvia Browne believes that, if we can remember why we are here and what we are supposed to be doing here, our lives will ultimately become happier, healthier, and more spiritually fulfilling.

The Dark on the Other Side *HarperTorch*

Everywhere she turns, Linda Randolph hears voices: from empty dark corners and lonely rooms. But it is the house itself that speaks the loudest, telling Linda to run for her life. Her husband, Gordon, the noted statesman and scholar, suggests she's losing her mind. Linda almost hopes it's true, because the alternate explanation is too terrible to contemplate: that Gordon is intimately involved with dark, diabolical forces beyond the scope of the natural and rational. Either Linda Randolph is half-mad ... or her husband is pure evil.

The Other Side of the Sky *HarperCollins*

"Amie Kaufman and Meagan Spooner prove they are two living goddesses of writing, creating two compelling worlds with high stakes and gripping emotions." —Sarah Rees Brennan, New York Times bestselling author of the *Demon's Lexicon* trilogy and the *Lynburn Legacy* series New York Times bestselling author duo Amie Kaufman and Meagan Spooner have crafted a gripping tale of magic and logic, fate and choice, and a deadly love. Perfect for fans of Laini Taylor and Brandon Sanderson. Prince North's home is in the sky, in a gleaming city held aloft by intricate engines, powered by technology. Nimh is the living goddess of her people on the Surface, responsible for providing answers, direction—hope. North's and Nimh's lives are entwined—though their hearts can never be. Linked by a terrifying prophecy and caught between duty and fate, they must choose between saving their people or succumbing to the bond that is forbidden between them.

Life on the Other Side**A Psychic's Tour of the Afterlife** *Penguin*

The noted psychic explains the afterlife as she illuminates her findings about "the other side" and answers readers' most important questions about death and the afterlife.

A Guide to the Other Side *Simon and Schuster*

A boy and his ghostly twin sister work together to pass messages from the beyond in this "funny, mystical, and endearing" (Kirkus Reviews) debut that James Patterson called "a fun ride and a

great concept." There are a few things you should know about Baylor Bosco: He's thirteen years old, he has a twin sister, and he really does NOT like ghosts...which is problematic because he's a medium and sees ghosts everywhere. Oh, and his twin sister, Kristina? She's a ghost too. They've been working as a pair for years, expertly relaying messages from ghosts to their still-living loved ones. Baylor's even managed to come up with an introductory phrase—one that he has to use far too often. But when a strange ghost shows up close to Halloween, a grown man, covered in a sheet, with only his black leather shoes showing from the bottom, Baylor starts to wonder if something else has taken notice of him. And when his sister goes missing, somehow ghost-napped, he's forced to figure out the truth about the Sheet Man and his sister's disappearance, all without help from his usual ghostly ambassador.

The Other Side of Glory *Triumph Books*

"People often forget the road to greatness is rarely a smooth ride. The Other Side of Glory reminds us of the enormous power of persistence and what can be achieved when a group of young athletes takes the journey and finds that a 'team-first attitude' can navigate the rocky road that leads to the ultimate prize." —Tim Miles, head men's basketball coach, San Jose State University. A compelling story of teamwork and commitment in the competitive world of girls' high school basketball. When the Waconia Wildcats embarked on the 2019 season, their motto was simple: FINISH. It was a mandate to follow through on every play at the basket and a promise to address unfinished business from the previous season, when a one-point loss was all that kept

them from reaching the state tournament for the first time in school history. *The Other Side of Glory* is a sensitive and riveting portrait of youth basketball in small-town Minnesota, a world familiar to many but brimming with its own characters, quirks, and challenges. Readers will get to know the players—girls with nicknames like Sauce, Salsa, Raptor, and Snake—as they navigate high school life, struggle to accept their roles on the team, wrestle with self-doubt, and ultimately band together with the goal of vanquishing a 45-year legacy of coming up short. Inspirational and relatable, this is a must-read for athletes, coaches, and parents everywhere.

The Other Side of Lost *HarperCollins*

Girl Online meets Wild in this emotionally charged story of girl who takes to the wilderness to rediscover herself and escape the superficial persona she created on social media. Mari Turner's life is perfect. That is, at least, to her thousands of followers who have helped her become an internet starlet. But when she breaks down and posts a video confessing she's been living a lie—that she isn't the happy, in love, inspirational online personality she's been trying so hard to portray—it goes viral and she receives a major backlash. To get away from it all, she makes an impulsive decision: to hike the entire John Muir Trail. Mari and her late cousin Bri were supposed to do it together, to celebrate their shared eighteenth birthday. But that was before Mari got so wrapped up in her online world that she shut anyone out who questioned its worth—like Bri. With Bri's boots and trail diary, a heart full of regret, and a group of strangers that she meets along the way, Mari tries to navigate the difficult terrain of the hike. But

the true challenge lies within, as she searches for the way back from to the girl she fears may be too lost to find: herself.

The Vietnam War from the Other Side *Routledge*

Existing studies of the Vietnam War have been written mostly from an American perspective, using western sources, and viewing the conflict through western eyes. This book, based on extensive original research, including Vietnamese, Chinese and former Soviet sources, presents a history of the war from the perspective of the Vietnamese communists. It charts relations with Moscow and Beijing, showing how the involvement of the two major communist powers changed over time, and how the Vietnamese, despite their huge dependence on the Chinese and the Soviets, were most definitely in charge of their own decision making. Overall, it provides an important corrective to the many one-sided studies of the war, and presents a very interesting new perspective.

The Other Side of the Bridge *Dial Press*

From the author of the beloved #1 national bestseller *Crow Lake* comes an exceptional new novel of jealousy, rivalry and the dangerous power of obsession. Two brothers, Arthur and Jake Dunn, are the sons of a farmer in the mid-1930s, when life is tough and another world war is looming. Arthur is reticent, solid, dutiful and set to inherit the farm and his father's character; Jake is younger, attractive, mercurial and dangerous to know – the family misfit. When a beautiful young woman comes into the community, the fragile balance of sibling rivalry tips over the edge. Then there is Ian, the family's next generation, and far too

sure he knows the difference between right and wrong. By now it is the fifties, and the world has changed—a little, but not enough. These two generations in the small town of Struan, Ontario, are tragically interlocked, linked by fate and community but separated by a war which devours its young men—its unimaginable horror reaching right into the heart of this remote corner of an empire. With her astonishing ability to turn the ratchet of tension slowly and delicately, Lawson builds their story to a shocking climax. Taut with apprehension, surprising us with moments of tenderness and humour, *The Other Side of the Bridge* is a compelling, humane and vividly evoked novel with an irresistible emotional undertow.

Stronger on the Other Side

The Power to Choose *Lead Like a Woman*

Andrea Heuston takes you on a journey through the most tumultuous times in her life, from a challenging childhood to watching her home burn to the ground, to prove that when all seems lost, there is life, hope, and even success on the other side. After sinking so low she contemplated ending her life, Andrea takes you along as she rebuilds her life, weaving recovery with wit and wisdom, reminding us that we choose our responses to life's curve balls and that no matter how devastated we feel, we can rise from the ashes and be better than ever. Questions at the end of each section invite you to listen to your own unique voice, create your perfect path, and find strength and power in accepting and loving who you are despite the curve balls life throws in your way. If you've ever doubted yourself, if you've

ever been at a point of inflection, if you've questioned why something is happening to you, this book is for you. Learn along with Andrea as she invites you to contemplate your personal experience with trauma, grief, and hardship.

Looking for the Other Side *Potter Style*

If you're going to write a book about worlds with no answers, phenomenon that scientists can't explain and skeptics can't fathom--you'd better do it with the right equipment--the eye of a journalist, the voice of a novelist, an open mind and compassionate heart. In *Looking for the Other Side*, writer Sherry Suib Cohen is perfectly outfitted with these tools in her exploration of the world of the occult. It all begins when Cohen, a journalist, takes an assignment to try and contact the spirit of her deceased mom. In her searching, she meets astrologers, past-life channelers, numerologists, psychics, and a host of other practitioners eager to put her in touch with her past, her future, and her heretofore unexplored spiritual self. "Cohen will hook readers with her determination, wit, generosity and astonishing willingness to try anything. In the end, her personal odyssey becomes ours, and even the most devoted skeptics will find themselves rethinking what might and what might not be possible." --Betsy Carter, Editor-in-Chief, *New Woman* magazine "When I saw the words know thyself carved above the Oracle's gate at Delphi, I shivered--and didn't understand why. Now, I understand. Knowing myself would mean suspending judgment, would mean tapping into banks of information I never before thought relevant to my pragmatic lifestyle. Well, I've tapped. This book is the result," writes Sherry Suib Cohen. And in a spirited

narrative, Cohen tells us about her experiences wherein she confronts death, blame, forgiveness, faith, truth, and family, in

addition to Mom. When readers finish this personal odyssey and guidebook into the unknown, they may decide, just as Cohen did, that there's something to these otherwordly spheres after all.
