general standards manual for labor accommodation

Manual labour or manual work is physical work done by humans, in contrast to labour by machines and working animals. It is most literally work done with the hands and, by figurative extension, it is work done with any of the muscles and bones of the body. For most of human prehistory and history, manual labour and its close cousin, animal labour, have been the primary ways that physical work has been accomplished. Mechanisation and automation, which reduce the need for human and animal labour in
