A Guide to Nature. Posted on February 8, 2018 by Miles. Nature is in decline and there is a need to promote a new relationship with the natural world. A closer relationship based on an emotional attachment where nature has meaning in our lives. Where we sense and appreciate nature's everyday beauty.

The nature guide is a chapter of the survival guide in which the player automatically notes what plants and animals they have found so far. It also gives an overview of what plants and animals can be found in The Forest. The chapter is divided into two sections, the first containing two pages of plants and the second containing three pages of animals.

Natures affect the stats of a Pokemon - for example, a hasty Pokemon will have higher than usual speed. To check the nature of your Pokemon, look under the first screen of the Summary. Starting with HeartGold and SoulSilver, the raised stat will be highlighted in red while the lowered stat has a blue tint. This table shows the changes to each stat for each different kind of nature, as well as which kind of PokeBlocks they like and dislike.
