Amazon ...**

The eccentric Mrs. Carpenter whom they choose is far from a sweet little old lady, and her large, nasty, holy terror of a sheep, Agnes, is misnamed as the "lamb of God." Taylor, a New Zealander, has written a genuinely funny, fast-paced story of the students' attempts to save Agnes from becoming mutton or a rug when they inherit her at Mrs. Carpenter's death.

Meanwhile, Agnes is an unpredictable terror who provides plenty of slapstick as the two kids try to save her from Mrs. Carpenter's grasping heir, from his obnoxious little son, and from a butcher's assistant who hopes to make his mother a rug from Agnes's extraordinary fleece. Taylor, whose notable skills were more seriously employed in *Paradise Lane* (1987), neatly exploits the inherent comedy in the sheep's unruly behavior and the resulting interaction of his satirically limned human characters.
