No, boss, you are not a leader - Business Today

Thus, having too many leaders creates a problematic situation. This excess of leaders and not enough workers is not confined to just the military ranks. It is a problem most organizations and businesses will face. I believe that just as leadership is emphasized in growing up, emphasis should be put into the importance of followers as well.

Leadership is a special talent that goes far beyond just being a boss, and he shows that deciding to develop that talent is a critical choice.

Too Many Bosses, Too Few Leaders : The Three Essential ...

That pedigree entitles Peshawaria to his claim that the over \$40 billion spent by American corporations on leadership development programs is largely wasted. He attempts to solve the conundrum of why, when people are asked, "Out of all the bosses you've had in your life, how many would you rate as truly great leaders?" the typical answer is between zero and two, even for people in the twilight of their careers.

Guru Review: Too Many Bosses, Too Few Leaders

There are far too many bosses, but very few good leaders around. Leadership is the art of harnessing human energy toward the creation of a better future . Leaders must overcome significant obstacles, and succeed in spite of their environment.
