The great losers in this westward wave were the Native American tribes. Displaced as new settlers moved in, they lost their traditional way of life and were relegated to reservations. However, westward expansion provided the United States with vast natural resources and ports along the Atlantic, Pacific and Gulf coasts for expanding trade, key elements in creating the superpower America is today.

Westward Expansion - HistoryNet

Native American Indian and Western Expansion of the United States. People have lived in North America for around 15,000 years ago. Permanent settlement by Europeans, in contrast, is barely 500 years old, following Columbus's renowned 1492 voyage. Columbus was seeking a short sea route to the Orient, or "Indies," when he made land in the New World. Thinking he had reached his original destination, he coined the term "Indians" (in English translation) for the people he encountered.
