The Love Between A Mother

The love between mother and child arises instantly, as a bond uniting two bodies and souls. A mother's love is unconditional and eternal. When we say that nature is wise, one of the things that we refer to is the bond between mothers and their children. A mother's instinct to protect her offspring begins from the moment she knows she is pregnant. Over the following nine months, although she is yet to see her child, he or she becomes the most precious thing in the world.
