The Cost of Living
Vintage Canada

From the bestselling author of *The God of Small Things* comes a scathing and passionate indictment of big government's disregard for the individual. In her Booker Prize-winning novel, *The God of Small Things*, Arundhati Roy turned a compassionate but unrelenting eye on one family in India. Now

she lavishes the same acrobatic language and fierce humanity on the future of her beloved country. In this spirited polemic, Roy dares to take on two of the great illusions of India's progress: the massive dam projects that were supposed to haul this sprawling subcontinent into the modern age--but which instead have displaced untold millions--and the detonation of India's first nuclear bomb, with all its attendant Faustian bargains. Merging her inimitable voice with a great moral outrage and imaginative sweep, Roy peels away the mask of democracy and prosperity to show the true costs hidden beneath. For those who have been mesmerized by her vision of India, here is a sketch, traced

in fire, of its topsy-turvy society, where the lives of the many are sacrificed for the comforts of the few. From the Trade Paperback edition.

The Four Humors *Catapult*

This wry and visceral debut novel follows a young Turkish-American woman who, rather than grieving her father's untimely death, seeks treatment for a stubborn headache and grows obsessed with a centuries-old theory of medicine. Twenty-year-old Sibel thought she had concrete plans for the summer. She would care for her grandmother in Istanbul, visit her father's grave, and study for the MCAT.

Instead, she finds herself watching Turkish soap operas and self-diagnosing her own possible chronic illness with the four humors theory of ancient medicine. Also on Sibel's mind: her blond American boyfriend who accompanies her to Turkey; her energetic but distraught younger sister; and her devoted grandmother, who, Sibel comes to learn, carries a harrowing secret. Delving into her family's history, the narrative weaves through periods of political unrest in Turkey, from military coups to the Gezi Park protests. Told with pathos and humor, Sibel's search for strange and unusual cures is disrupted as she begins to see how she might heal herself

through the care of others, including her own family and its long-fractured relationships.

The Checkbook and the Cruise Missile

Conversations with Arundhati Roy : Interviews *South End Press*

A skillful interviewer can reveal aspects of a writer's voice in simple yet telling ways. As a novelist, Arundhati Roy is known for her lush language and intricate structure. As a political essayist, her prose is searching and fierce. All of these qualities shine through in the interviews collected by David Barsamian for

Globalizing Dissent: Conversations with Arundhati Roy. New and devoted readers will find that these exchanges, recorded between 2001 and 2003, add to their appreciation of Roy's previous work. Whether discussing her childhood or the problems of translation in a multilingual society, Roy and Barsamian, the producer and host of Alternative Radio, engage in a lively and accessible manner. Speaking candidly and casually, Roy describes her participation in a demonstration against the Indian dam program as, "absolutely fantastic." She jokes that her Supreme Court charge for "corrupting public morality"--in the case of her novel *The God of*

Small Things--should have been changed to "further corrupting public morality." She calls on her training as an architect to explain what she means by the "physics of power." Like a house of cards, she argues that "unfettered power . . . cannot go berserk like this and expect to hold it all together." Roy has been acclaimed for her courage (Salman Rushdie) and her eloquence (Kirkus Reviews), and her writing has been described as "a banquet for the senses" (Newsweek). She has found a readership among fiction enthusiasts and political activists. Globalizing Dissent captures Roy speaking one-on-one to her audience, revealing her intense and wide-

ranging intellect, her very personal voice, and her opinion on momentous political events. Arundhati Roy's novel *The God of Small Things* was awarded the Booker Prize in 1997. She is the recipient of the 2002 Lannan Foundation Prize for Cultural Freedom.

Kashmir

The Case for Freedom *Verso Books*

Kashmir is one of the most protracted and bloody occupations in the world—and one of the most ignored. Under an Indian military rule that, at half a million strong, exceeds the total number of US forces in Iraq and Afghanistan, freedom of speech is non-existent, and human-rights abuses

and atrocities are routinely visited on its Muslim-majority population. In the last two decades alone, over seventy thousand people have died. Ignored by its own corrupt politicians, abandoned by Pakistan and the West, which refuses to bring pressure to bear on its regional ally, India, the Kashmiri people's ongoing quest for justice and self-determination continues to be brutally suppressed. Exploring the causes and consequences of the occupation, *Kashmir: The Case for Freedom* is a passionate call for the end of occupation, and for the right of self-determination for the Kashmiri people.

The End of Imagination

Haymarket Books

Five books of essays in one volume from the Booker Prize-winner and "one of the most ambitious and divisive political essayists of her generation" (The Washington Post). With a new introduction by Arundhati Roy, this new collection begins with her pathbreaking book *The Cost of Living*—published soon after she won the Booker Prize for her novel *The God of Small Things*—in which she forcefully condemned India's nuclear tests and its construction of enormous dam projects that continue to

displace countless people from their homes and communities. The End of Imagination also includes her nonfiction works *Power Politics*, *War Talk*, *Public Power in the Age of Empire*, and *An Ordinary Person's Guide to Empire*, which include her widely circulated and inspiring writings on the US invasions of Afghanistan and Iraq, the need to confront corporate power, and the hollowing out of democratic institutions globally. Praise for Arundhati Roy "The fierceness with which Arundhati Roy loves humanity moves my heart." —Alice Walker, Pulitzer Prize-winning author and recipient of the LennonOno Grant for Peace Award "Arundhati Roy combines her brilliant

style as a novelist with her powerful commitment to social justice in producing these eloquent, penetrating essays." —Howard Zinn, author of *Political Awakenings* and *Indispensable Zinn* "Arundhati Roy is incandescent in her brilliance and her fearlessness. A Study in the Multiple Narratives

The Treeline

The Last Forest and the Future of Life on Earth *St. Martin's Press*

In the tradition of Elizabeth Kolbert and Barry Lopez, a powerful, poetic and

deeply absorbing account of the "lung" at the top of the world. For the last fifty years, the trees of the boreal forest have been moving north. Ben Rawlence's *The Treeline* takes us along this critical frontier of our warming planet from Norway to Siberia, Alaska to Greenland, Canada to Sweden to meet the scientists, residents and trees confronting huge geological changes. Only the hardest species survive at these latitudes including the ice-loving Dahurian larch of Siberia, the antiseptic Spruce that purifies our atmosphere, the Downy birch conquering Scandinavia, the healing Balsam poplar that Native Americans use as a cure-all and

the noble Scots Pine that lives longer when surrounded by its family. It is a journey of wonder and awe at the incredible creativity and resilience of these species and the mysterious workings of the forest upon which we rely for the air we breathe. Blending reportage with the latest science, *The Treeline* is a story of what might soon be the last forest left and what that means for the future of all life on earth.

The Ministry of Utmost Happiness

Penguin Canada

2017 Man Booker Prize Longlist
2018 Women's Prize for Fiction Longlist
The Ministry of Utmost Happiness is a dazzling new novel by the internationally celebrated author of

The God of Small Things. It takes us on an intimate journey of many years across the Indian subcontinent--from the cramped neighborhoods of Old Delhi and the roads of the new city to the mountains and valleys of Kashmir and beyond, where war is peace and peace is war. It is an aching love story and a decisive remonstrance, a story told in a whisper, in a shout, through unsentimental tears and sometimes with a bitter laugh. Each of its characters is indelibly, tenderly rendered. Its heroes are people who have been broken by the world they live in and then rescued, patched together by acts of love--and by hope. The tale begins with Anjum--who used to be Aftab--

unrolling a threadbare Persian carpet in a city graveyard she calls home. We encounter the odd, unforgettable Tilo and the men who loved her--including Musa, sweetheart and ex-sweetheart, lover and ex-lover; their fates are as entwined as their arms used to be and always will be. We meet Tilo's landlord, a former suitor, now an intelligence officer posted to Kabul. And then we meet the two Miss Jebeens: the first a child born in Srinagar and buried in its overcrowded Martyrs' Graveyard; the second found at midnight, abandoned on a concrete sidewalk in the heart of New Delhi. As this ravishing, deeply humane novel braids these richly complex lives together,

it reinvents what a novel can do and can be. The Ministry of Utmost Happiness demonstrates on every page the miracle of Arundhati Roy's storytelling gifts.

Their Eyes Were Watching God

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

Middlemarch

George Eliot's beloved masterpiece in a Penguin Classics Deluxe Edition with a

foreword by Rebecca Mead, author of the bestselling memoir *My Life in Middlemarch* A triumph of realist fiction, George Eliot's *Middlemarch: A Study of Provincial Life* explores a fictional nineteenth-century Midlands town in the midst of sweeping change. The proposed Reform Bill, the new railroads, and scientific advances are threatening upheaval on every front. Against this backdrop, the quiet drama of ordinary lives is played out by the novel's complexly portrayed characters--until the arrival of two outsiders further disrupts the town's equilibrium. Every bit as powerful and perceptive in our time as it was in the Victorian era, *Middlemarch* displays

George Eliot's clear-eyed yet humane understanding of characters caught up in the mysterious unfolding of self-knowledge. An “extraordinary” (New York Review of Books) novel based on the true story of how German war profiteer and factory director Oskar Schindler came to save more Jews from the gas chambers than any other single person

devoted herself to the political essay as a way of opening up space for justice, rights and freedoms in an increasingly hostile environment. Taken together, these essays trace her twenty year journey from the Booker Prize-winning *The God of Small Things* to the extraordinary *The Ministry of Utmost Happiness*: a journey marked by compassion, clarity and courage. Radical and readable, they speak always in defence of the collective, of the individual and of the land, in the face of the destructive logic of financial, social, religious, military and governmental elites. In constant conversation with the themes and settings of her novels,

the essays form a near-unbroken memoir of Arundhati Roy's journey as both a writer and a citizen, of both India and the world, from 'The End of Imagination', which begins this book, to 'My Seditious Heart', with which it ends.

Island of a Thousand Mirrors

A Novel *St. Martin's Press*

Before violence tore apart the tapestry of Sri Lanka and turned its pristine beaches red, there were two families. Yasodhara tells the story of her own Sinhala family, rich in love, with everything they could ask for. As a child in idyllic Colombo, Yasodhara's and her siblings' lives are shaped by social

hierarchies, their parents' ambitions, teenage love and, subtly, the differences between Tamil and Sinhala people; but the peace is shattered by the tragedies of war. Yasodhara's family escapes to Los Angeles. But Yasodhara's life has already become intertwined with a young Tamil girl's... Saraswathie is living in the active war zone of Sri Lanka, and hopes to become a teacher. But her dreams for the future are abruptly stamped out when she is arrested by a group of Sinhala soldiers and pulled into the very heart of the conflict that she has tried so hard to avoid - a conflict that, eventually, will connect her and Yasodhara in unexpected ways.

Nayomi Munaweera's *Island of a Thousand Mirrors* is an emotionally resonant saga of cultural heritage, heartbreaking conflict and deep family bonds. Narrated in two unforgettably authentic voices and spanning the entirety of the decades-long civil war, it offers an unparalleled portrait of a beautiful land during its most difficult moment by a spellbinding new literary talent who promises tremendous things to come.

Capitalism

A Ghost Story
Haymarket Books

The “courageous and clarion” Booker Prize-winner “continues her analysis and documentation of the disastrous consequences of unchecked global capitalism” (Booklist). From the poisoned rivers, barren wells, and clear-cut forests, to the hundreds of thousands of farmers who have committed suicide to escape punishing debt, to the hundreds of millions of people who live on less than two dollars a day, there are ghosts nearly everywhere you look in India. India is a nation of 1.2 billion, but the

country’s one hundred richest people own assets equivalent to one-fourth of India’s gross domestic product. Capitalism: A Ghost Story examines the dark side of democracy in contemporary India and shows how the demands of globalized capitalism have subjugated billions of people to the highest and most intense forms of racism and exploitation. “A highly readable and characteristically trenchant mapping of early-twenty-first-century India’s impassioned love affair with money, technology, weaponry and the ‘privatization of everything,’ and—because these must not be impeded no matter what—generous doses

of state violence.” —The Nation “A vehement broadside against capitalism in general and American cultural imperialism in particular . . . an impassioned manifesto.” —Kirkus Reviews “Roy’s central concern is the effect on her own country, and she shows how Indian politics have taken on the same model, leading to the ghosts of her book’s title: 250,000 farmers have committed suicide, 800 million impoverished and dispossessed Indians, environmental destruction, colonial-like rule in Kashmir, and brutal treatment of activists and journalists. In this dark tale, Roy gives rays of hope that illuminate cracks in the nightmare she evokes.” —Publishers

Tiny Sunbirds, Far Away

A Novel *Other Press, LLC*

Winner of the 2011 Costa First Novel Award When their mother catches their father with another woman, twelve year-old Blessing and her fourteen-year-old brother, Ezikiel, are forced to leave their comfortable home in Lagos for a village in the Niger Delta, to live with their mother’s family. Without running water or electricity, Warri is at first a nightmare for Blessing. Her mother is gone all day and works suspiciously late into the night to pay the children’s school fees. Her brother, once a promising student,

seems to be falling increasingly under the influence of the local group of violent teenage boys calling themselves Freedom Fighters. Her grandfather, a kind if misguided man, is trying on Islam as his new religion of choice, and is even considering the possibility of bringing in a second wife. But Blessing's grandmother, wise and practical, soon becomes a beloved mentor, teaching Blessing the ways of the midwife in rural Nigeria. Blessing is exposed to the horrors of genital mutilation and the devastation wrought on the environment by British and American oil companies. As Warri comes to feel like home, Blessing

becomes increasingly aware of the threats to its safety, both from its unshakable but dangerous traditions and the relentless carelessness of the modern world. *Tiny Sunbirds, Far Away* is the witty and beautifully written story of one family's attempt to survive a new life they could never have imagined, struggling to find a deeper sense of identity along the way.

Things that Can and Cannot Be Said

Essays and Conversations

Haymarket Books

An activist and an actor reflect on Edward Snowden and the surveillance state in this collection that "reads like a whistleblower's travel

diary" (Disorient). In late 2014, Arundhati Roy, John Cusack, and Daniel Ellsberg traveled to Moscow to meet with NSA whistleblower Edward Snowden. The result was a series of essays and dialogues in which Roy and Cusack reflect on their conversations with Snowden. In these provocative and penetrating discussions, Roy and Cusack discuss the nature of the state, empire, and surveillance in an era of perpetual war, the meaning of flags and patriotism, the role of foundations and NGOs in limiting dissent, and the ways in which capital—but not people—can freely cross borders. "Things That Can and Cannot Be Said is not a book with solutions, nor even a comprehensive framing of the problem. Its charm and potential lies in its disarming conversational approach, offering insights-in-passing; ideas and thoughts to spark further conversations and just maybe inspire other acts of moral courage. While the book channels a palpable sense of rage—rage at imperialism, at the surveillance state, at 'Washington's ability to destroy countries and its inability to win a war'—it concludes on the topic of love." —PopMatters "It asks questions—a lot of them. It connects dots from Kashmir to Palestine to Vietnam to Virginia—leaving no one spared from scrutiny--not even themselves, as

Arundhati asserts.”
 —Disorient “The
 freewheeling
 conversations between
 all the participants will
 bring up many Eureka
 moments for a lot of

It gives you real insight into the world of educated middle-class Iranians in the early 21st century. We are so used to the Iranians we meet in the UK that we do not realise how hard it is to live under their political regime at home. A joy to read." - www.openingthebook.com Louise Soraya Black Born in England in 1977 to an English mother and Iranian father. Her father worked for UNICEF so she spent 17 years living overseas, in countries including Iran, Pakistan, Bangladesh and

Indonesia. In spite of all this travel, she had strong roots: the family spent their summers in England and winter holidays in Iran. She began an English degree at University College London, but after a year switched to Law. She spent 8 years in corporate law but was unfulfilled so began writing in her spare time. She felt it was important to write about Iran because Iran is portrayed in the media as a bleak and oppressive place. She wanted to show Iran as a beautiful country, where the food is delicious, and Iranians are warm and hospitable. And while the media tends to paint a portrait of Iranian women as submissive and voiceless, this was not at all her experience so

she created resilient and brave female characters in her novel. She had just about given up hope of finding a publisher for this novel, when she found out that Pomegranate Sky had won the Virginia Prize, a new literary prize for unpublished women writers. She was astonished and overjoyed, particularly when the novel received excellent reviews. After the birth of her son, she didn't return to law and instead, decided to focus on her writing. She has just completed her second novel.

Arundhati Roy, "The god of small things"

L'hybridité célébrée

The God of Small Things s'impose comme l'un des romans les plus marquants de la littérature contemporaine de langue anglaise. Arundhati Roy nous fait pénétrer au cœur du Kerala, cette région du sud-ouest du subcontinent indien, lieu d'interaction privilégié entre l'Inde traditionnelle et les influences occidentales. Cette série d'études dirigée par François Gallix, professeur à la Sorbonne, aidera le lecteur à mieux appréhender la richesse, tant sur le plan linguistique que culturel, d'une œuvre qui élargit notre

horizon de lecteurs occidentaux du patrimoine anglophone.

Globalization & Colonialism in Arundhati Roy's "The God of Small Things" GRIN Verlag

Examination Thesis from the year 2008 in the subject English Language and Literature Studies - Literature, grade: 2,3, Humboldt-University of Berlin, course: Cross-cultural representations of India, language: English, abstract: In this essay I want to show how globalization and colonialism are phenomenons which cannot be looked at separately when speaking about Indias history and present. Roys book does not only reveal the impact

of globalization and colonialism on India and its people but the interconnection between these processes. I will give examples of how globalization and colonialism are linked and how that is shown in Arudhati Roys novel "The God of Small Things" (1997). This is a semi-autobiographical book which includes examples that draw the authors political beliefs and understanding of how India has been shaped and is still shaped by globalism and colonialist policies. (Roy: "Is globalisation (sic) about the eradication of world poverty or is it a mutant variety of colonialism, remote controlled and digitally operated?" For this I will look at Indias economy, Indias role as an exotic Other and the novels own position within the global market of literature, the Indian Diaspora, examples for othering, self-othering and inbetweenness, at how and why caste and colonialist ideals still have major impacts on the construction of identity in times of globalization. I cannot give a profound analysis of Indias colonial history and position within the context of globalism, but it will provide background information and an insight into selected issues that have shaped and still shape India and the Indian society. The major aim of this essay is to show that "Indias colonial histories cannot be ignored."
