The Making of Star Wars (Enhanced Edition) *Ballantine Group*

This enhanced eBook transforms The Making of Star Wars into an immersive multimedia experience worthy of the original film. It features exclusive content pulled from the Lucasfilm archives by author J. W. Rinzler: • 26 minutes of rare behind-the-scenes video* • 29 minutes of rare audio interviews with the cast and crew • New bonus photos and artwork not found in the print edition After the 1973 success of American Graffiti, filmmaker George Lucas made the fateful decision to pursue a longtime dream project: a space fantasy movie unlike any ever produced. Lucas envisioned a swashbuckling SF saga inspired by the Flash Gordon serials, classic American westerns, the epic cinema of Japanese auteur Akira Kurosawa, and mythological heroes. Its original title: The Star Wars. The rest is history, and how it was made is a story as entertaining and exciting as the movie that has enthralled millions for more than thirty years—a story that has never been told as it was meant to be. Until now. Using his unprecedented access to the Lucasfilm Archives and its trove of “lost” interviews, photos, production notes, factoids, and anecdotes, Star Wars scholar J. W. Rinzler hurtles readers back in time for a one-of-a-kind behind-the-scenes look at the nearly decade-long quest of George Lucas and his key collaborators to make the “little” movie that became a phenomenon. It’s all here: • the evolution of the now-classic story and characters—including “Annikin Starkiller” and “a huge green-skinned monster with no nose and large gills” named Han Solo • excerpts from George Lucas’s numerous, ever-morphing script drafts • the birth of Industrial Light & Magic, the special-effects company that revolutionized Hollywood filmmaking • the studio-hopping and budget battles that nearly scuttled the entire project • the director’s early casting saga, which might have led to a film spoken mostly in Japanese—including the intensive auditions that won the cast members their roles and made them legends • the grueling, nearly catastrophic location shoot in Tunisia and the subsequent breakneck dash at Elstree Studios in London • the who’s who of young film rebels who pitched in to help—including Francis Ford Coppola, Steven Spielberg, and Brian DePalma But perhaps most exciting, and rarest of all, are the interviews conducted before and during production and immediately after the release of Star Wars—in which George Lucas, Mark Hamill, Harrison Ford, Carrie Fisher, Sir Alec Guinness, Anthony Daniels, composer John Williams, effects masters Dennis Muren, Richard Edlund, and John Dykstra, Phil Tippett, Rick Baker, legendary production designer John Barry, and a host of others share their fascinating tales from the trenches and candid opinions of the film that would ultimately change their lives. No matter how you view the

spectrum of this phenomenon, *The Making of Star Wars* stands as a crucial document—rich in fascination and revelation—of a genuine cinematic and cultural touchstone. *Video may not play on all readers. Please check your user manual for details.

The Making of Star Wars: The Empire Strikes Back (Enhanced Edition) *Ballantine Group*

This enhanced eBook transforms *The Making of Star Wars: The Empire Strikes Back* into an immersive multimedia experience worthy of the original film. It features exclusive content pulled from the Lucasfilm archives by author J. W. Rinzler: • 28 minutes of rare behind-the-scenes video* • 29 minutes of rare audio interviews with the cast and crew • New bonus photos and artwork not found in the print edition In this lavish thirtieth-anniversary tribute to the blockbuster film *Star Wars: Episode V The Empire Strikes Back*, New York Times bestselling author J. W. Rinzler draws back the curtain to reveal the intense drama and magnificent wizardry behind the hit movie—arguably the fan favorite of the *Star Wars* Saga. Following his *The Making of Star Wars*, the author has once again made use of his unlimited access to the Lucasfilm Archives and its hidden treasures of interviews, photos, artwork, and production mementos. The result is a comprehensive behind-the-scenes, up-close-and-personal look at the trials and triumphs, risks and close calls, inspiration, perspiration, and imagination that went into every facet of this cinematic masterpiece. Here’s the inside scoop on: • the evolution of the script, from story conference and treatment to fifth draft, as conceived, written, and rewritten by George Lucas, famed science-fiction author Leigh Brackett, and screenwriter Lawrence Kasdan • the development of new key characters, including roguish hero Lando Calrissian, sinister bounty hunter Boba Fett, and iconic Jedi Master Yoda • the challenges of shooting the epic ice planet battle in the frozen reaches of Norway and of conjuring up convincing creatures and craft—from tauntauns and snowspeeders to Imperial walkers • the construction of a life-sized Millennium Falcon and the swamp planet Dagobah inside a specially built soundstage in Elstree Studios • the technique behind master Muppeteer Frank Oz’s breathing life into the breakthrough character Yoda • the creation of the new, improved Industrial Light & Magic visual effects facility and the founding of the now-legendary Skywalker Ranch In addition, of course, are rare on-the-scene interviews with all the major players: actors Mark Hamill, Harrison Ford, Carrie Fisher, Billy Dee Williams, Anthony Daniels, Peter Mayhew, and David Prowse; director Irvin Kershner; producer Gary

Kurtz; effects specialists Richard Edlund, Dennis Muren, Ken Ralston, and Phil Tippett; composer John Williams; and many others. Punctuating the epic account is a bounty of drawings, storyboards, and paintings by Ralph McQuarrie, Joe Johnston, and Ivor Beddoes, along with classic and rare production photos. An added bonus is a Foreword by acclaimed director Ridley Scott. *The Making of Star Wars: The Empire Strikes Back* is a fittingly glorious celebration of an undisputed space-fantasy movie milestone. Search your feelings, you know it to be true. *Video may not play on all readers. Please check your user manual for details.

The Making of Star Wars

The Definitive Story Behind the Original Film *Random House*

George Lucas spent nearly ten years bringing his dream project to life: a ground-breaking space fantasy movie. Its original title: *The Star Wars*. The rest is history. Yet its production is a story as entertaining and exciting as the movie itself. Now, recounted in the words of those who were there, it is finally being told, for the first time. Between 1975 and 1978, over fifty interviews were conducted with key members of cast and crew - George Lucas, Mark Hamill, Harrison Ford, Carrie Fisher, Anthony Daniels, composer John Williams, legendary production designer John Barry amongst many others. Remarkably, these candid and revelatory interviews have sat, undisturbed, in the Lucasfilm Archives for three decades. Until now. Using his unprecedented access to the archives and this treasure trove of never-before-published 'lost' interviews, photographs, production notes, factoids and anecdotes, J.W. Rinzler hurtles back in time for a definitive look at the genesis of a cinematic legend. A true story of human endeavour and creativity, *The Making of Star Wars* reveals exactly what it took to produce one of the most outstanding and innovative films of all time.

Star Wars: the Making of Episode I - the Phantom Menace

The Making of Return of the Jedi

The Definitive Story Behind the Film *Lucas Books*

Just as *Star Wars: Episode VI Return of the Jedi* completed the most successful cinematic trilogy of its generation, perhaps of all time, this splendid thirtieth-anniversary tribute concludes New York Times bestselling author J. W. Rinzler's trio of breathtaking books celebrating George Lucas's classic saga. Once again, the author's unprecedented access to the Lucasfilm Archives has yielded a mother lode of fascinating and often unexpected revelations from behind the scenes of a blockbuster in the making. Brimming with previously unpublished photos, concept artwork, script excerpts, storyboards, on-set interviews and present-day commentary, *The Making of Return of the Jedi* chronicles 'how George Lucas and his crew of extroverted artists, misfits and expert craftspeople roused themselves to great heights for a third time' to create the next unforgettable chapter in one of the most beloved stories in movie history. Get up close to the action and feel like a studio insider as: * George Lucas, Oscar-nominated screenwriter Lawrence Kasdan and director Richard Marquand huddle in a script conference to debate the destinies of iconic *Star Wars* characters * The artists and technicians at the ground-breaking Industrial Light & Magic facility surpass their own revolutionary innovations with boundary-pushing new visual effects * A crack team of sculptors, puppeteers, actors and 'monstermakers' brings Jabba the Hutt and his unsavoury cohorts to startling, slobbering life * Actors and crew race to the finish line at Elstree Studios, in a fiery desert and beneath the canopy of a dense redwood forest to provide answers to the questions that audiences had waited three years to find out: Is Darth Vader really Luke's father? Who is the mysterious 'other'? And who, or what, is the Emperor? *Star Wars* luminaries from both sides of the camera, including Mark Hamill, Harrison Ford, Carrie Fisher, Anthony Daniels, Peter Mayhew, David Prowse, Alec Guinness, director Richard Marquand, producer Howard Kazanjian, Ralph McQuarrie, Joe Johnston, Dennis Muren, Phil Tippett and mastermind George Lucas, all weigh in with candid insights on everything from technical crises and character design, to the Ewoks and the ultimate challenge of bringing this phenomenal space fantasy to a dramatic close. A gloriously illustrated and painstakingly researched tribute to a truly spectacular movie, *The Making of Return of the Jedi* invites you to return to a galaxy ... far, far away.

How Star Wars Conquered the Universe

The Past, Present, and Future of a Multibillion Dollar Franchise *Basic Books*

In 1973, a young filmmaker named George Lucas scribbled some notes for a far-fetched space-fantasy epic. Some forty years and 37 billion later, *Star Wars* -- related products outnumber human beings, a growing stormtrooper army spans the globe, and "Jediism" has become a religion in its own right. Lucas's creation has grown into far more than a cinematic classic; it is, quite simply, one of the most lucrative, influential, and interactive franchises of all time. Yet incredibly, until now the complete history of *Star Wars* -- its influences and impact, the controversies it has spawned, its financial growth and long-term prospects -- has never been told. In *How Star Wars Conquered the Universe*, veteran journalist Chris Taylor traces the series from the difficult birth of the original film through its sequels, the franchise's death and rebirth, the prequels, and the preparations for a new trilogy. Providing portraits of the friends, writers, artists, producers, and marketers who labored behind the scenes to turn Lucas's idea into a legend, Taylor also jousts with modern-day Jedi, tinkers

with droid builders, and gets inside Boba Fett's helmet, all to find out how *Star Wars* has attracted and inspired so many fans for so long. Since the first film's release in 1977, Taylor shows, *Star Wars* has conquered our culture with a sense of lightness and exuberance, while remaining serious enough to influence politics in far-flung countries and spread a spirituality that appeals to religious groups and atheists alike. Controversial digital upgrades and poorly received prequels have actually made the franchise stronger than ever. Now, with a savvy new set of bosses holding the reins and Episode VII on the horizon, it looks like *Star Wars* is just getting started. An energetic, fast-moving account of this creative and commercial phenomenon, *How Star Wars Conquered the Universe* explains how a young filmmaker's fragile dream beat out a surprising number of rivals to gain a diehard, multigenerational fan base -- and why it will be galvanizing our imaginations and minting money for generations to come.

The Art and Making of Star Wars

The Force Unleashed *Welcome Books*

A guide to the video game documents its making and the technology involved and describes its plot, locations, and characters, in a volume that includes ten character cards.

All Up *Permuted Press*

“With its fascinating personalities that only Rinzler could describe, All Up can’t be put down.”—David Mandel, Veep executive producer All Up plunges its readers into the cloak-and-dagger espionage and blitzkrieg battles of World War II that swirled around rocketry; it introduces them to extraterrestrial phenomena, secret organizations, and the nail-biting missions launched from Cape Canaveral—as well as the secrets and unknown history behind Apollo 11’s legendary trip to the Moon. All Up tells the incredible true story of Nazi Germany’s Wernher von Braun, Soviet Russia’s Sergei Korolev, and America’s Robert Goddard as they work feverishly to fulfill their countries’ technological, military, and geopolitical objectives while satisfying their own personal obsessions. Alongside the Space Age history is the strange but well-documented trail of UFOs—one that leads to a desperate struggle in the highest corridors of power. Who will control the alien technology for their hidden agendas during the Cold War? Secret services compete worldwide in that ruthless game—and no one is a more deadly player than the mysterious agent named Rachel, hot on the trail of war criminal, former SS Brigadeführer Hans Kammler.
