The "War over Water", also the Battle over Water, refers to a series of confrontations between Israel and its Arab neighbors from November 1964 to May 1967 over control of water sources in the Jordan River drainage basin

War over Water

(Jordan river) - Wikipedia

Water conflict is a term describing a conflict between countries, states, or groups over the rights to access water resources. The United Nations recognizes that water disputes result from opposing interests of water users, public or private. A wide range of water conflicts appear throughout history, though rarely are traditional wars waged over water alone. Instead, water has historically been a source of tension and a factor in conflicts that start for other reasons. However, water conflicts a
