Capture the flag : a political history of American ...

In Capture the Flag, historian Woden Teachout reveals that it has held vastly different meanings over time. It has been claimed by both the right and left; by racists and revolutionaries; by immigrants and nativists. In tracing the political history of the flag from its origins in the American Revolution through the present day, Teachout demonstrates that the shifting symbolism of the flag reveals a broader shift in the definition of American

patriotism.
