'L'art de la Simplicité' (2005) by Dominique Loreau is a book which came to me as highly recommended, which is sadly why it turned out to be all the more disappointing than anticipated. The subtitle and basic premise to Loreau's book is essentially - 'how to live more with less' - which is of course a laudable and admirable one.

I bought the book L'art de la Simplicité by Dominique Loreau on a whim because the cover and title caught my eye. It covered a broad range of topics so it wasn't as in-depth as I had hoped but overall, it was an enjoyable, easy read. I liked that, for the most part, Loreau focused on the power of the mind in shaping our reality.
