Walking Papers

The Accident that Changed My Life, and the Business that Got Me Back on My Feet *Hachette Books*

Walking Papers is the incredibly inspiring story of a young man who wouldn't give up. Francesco Clark was a twenty-four-year-old with a bright future when he went to Long Island for the weekend--but a nocturnal dive into the pool's shallow end changed everything, forever. Paralyzed from the neck down, Francesco was told by his doctors that he would never move from his bed or even breathe without assistance. But Francesco fought back. Within days, he was breathing on his own. His father, a doctor himself, investigated every opportunity for experimental treatment, and Francesco used every resource available to speed his recovery. To avoid having his lungs painfully suctioned, he sang, loudly, for hours--and that was just the beginning. Francesco moved back home with his parents and began the long process toward recovery. Many doctors discourage patients with spinal cord injury from pursuing physical therapy beyond very basic movements, but Francesco embarked on a five-hour daily regimen, including the treadmill program that Christopher Reeve had made famous. Soon he astounded the medical establishment with his progress. Francesco's accident also left him unable

to sweat out toxins, leaving his complexion poor. He and his father began to experiment, and the Clark's Botanicals skin-care line was born. Now CB products are sold worldwide in stores such as Saks Fifth Avenue, and the company has won many major fashion awards and is enjoyed by a host of celebrities. The lessons Francesco learned about persistence from his recovery process, and the loving support of his amazing family, have both contributed to his incredible business success. Seven years after the accident, Francesco continues to improve and to surprise his doctors--for instance, he can now work on a computer. *Walking Papers* is the inspiring story of how, with individual determination and unconditional family support, Francesco Clark overcame extreme adversity and achieved an extraordinary triumph.

The Next Thing You Know

A Novel *St. Martin's Press*

A musician facing the untimely end of his career. An end-of-life doula with everything, and nothing, to lose. A Star Is Born meets *Me Before You* in this powerful novel by the author of *A Million Reasons*. Why. "Unflinching and unforgettable, this one will crack your heart open and slowly stitch it back together." —Christina McDonald, bestselling author of *The Night Olivia Fell* As an end-of-life doula, Nova Huston's job—her calling, her purpose, her life—is to help terminally ill people make peace with their impending death. Unlike her business partner, who swears by her system of checklists, free-spirited Nova doesn't shy away from difficult clients: the ones who are heartbreakingly young, or prickly, or desperate for a caregiver or companion. When Mason Shaylor shows up at her door, Nova doesn't recognize

him as the indie-favorite singer-songwriter who recently vanished from the public eye. She knows only what he's told her: That life as he knows it is over. His deteriorating condition makes playing his guitar physically impossible—as far as Mason is concerned, he might as well be dead already. Except he doesn't know how to say goodbye. Helping him is Nova's biggest challenge yet. She knows she should keep clients at arm's length. But she and Mason have more in common than anyone could guess... and meeting him might turn out to be the hardest, best thing that's ever happened to them both. Jessica Strawser's *The Next Thing You Know* is an emotional, resonant story about the power of human connection, love when you least expect it, hope against the odds, and what it really takes to live life with no regrets.

I Owe You One

A Novel Dial Press

NEW YORK TIMES BESTSELLER • “A gem of a novel.”—Jodi Picoult, #1 New York Times bestselling author of *A Spark of Light* and *Small Great Things* From the author of *Surprise Me* comes an irresistible story of love and empowerment about a young woman with a complicated family, a handsome man who might be “the one,” and an IOU that changes everything. Fixie Farr has always lived by her father's motto: “Family first.” And since her dad passed away, leaving his charming housewares store in the hands of his wife and children, Fixie spends all her time picking up the slack from her siblings instead of striking out on her own. The way Fixie sees it, if she doesn't take care of her father's legacy, who will? It's simply not in Fixie's nature to say no to

people. So when a handsome stranger in a coffee shop asks her to watch his laptop for a moment, she not only agrees—she ends up saving it from certain disaster. To thank Fixie for her quick thinking, the computer's owner, Sebastian, an investment manager, scribbles an IOU on a coffee sleeve and attaches his business card. Fixie laughs it off—she'd never actually claim an IOU from a stranger. Would she? But then Fixie's childhood crush, Ryan, comes back into her life, and his lack of a profession pushes all of Fixie's buttons. As always, she wants nothing for herself—but she'd love Seb to give Ryan a job. No sooner has Seb agreed than the tables are turned once more and a new series of IOUs between Seb and Fixie—from small favors to life-changing moments—ensues. Soon Fixie, Ms. Finit for everyone else, is torn between her family and the life she really wants. Does she have the courage to take a stand? Will she finally grab the life, and love, she really wants? Praise for *I Owe You One* “This book is a shot of pure joy!”—Jenny Colgan, author of *The Bookshop on the Corner* “A humorous exploration of family life, finding love and the difficulties of coming into one's own as a young professional woman . . . The entertaining cast of characters . . . will certainly remind readers why nineteen years after her first hit *Kinsella* remains one of the reigning queens of women's fiction.”—*The Washington Post* “*I Owe You One* is another impossibly delightful story by Sophie Kinsella, a must-read for her die-hard fans and new readers alike.”—PopSugar

From the New York Times bestselling author of *Me Before You* and *One Plus One*, in an earlier work available in the U.S. for the first time, a surprising and moving romance set in an old-fashioned seaside town on the verge of unwelcome change Liza McCullen will never fully escape her past. That is, until Mike Dormer arrives as a guest in her aunt's hotel. The mild-mannered Englishman with his too-smart clothes and distracting eyes could destroy everything Liza has worked so hard to protect: not only the family business and the bay that harbors her beloved whales, but also her conviction that she will never love—never deserve to love—again. For his part, Mike Dormer is expecting just another business deal—an

easy job kick-starting a resort in a small seaside town ripe for development. But he finds that he doesn't quite know what to make of the eccentric inhabitants of the ramshackle Silver Bay Hotel, especially not enigmatic Liza McCullen, and their claim to the surrounding waters. As the development begins to take on a momentum of its own, Mike's and Liza's worlds collide in this hugely affecting and irresistible tale full of Jojo Moyes's signature humor and generosity.
