Kim Thuy on writing Ru and the Immigrant Experience - YouTube

The novel's title, Ru, has meaning in both Kim's native and adoptive languages: in Vietnamese, ru is a lullaby; in French, a stream. And it provides the perfect name for this slim yet potent novel. With prose that soothes and sings, Ru weaves through time, flows and transports: a river of sensuous memories gathering power. It's a classic immigrant story told in a breathtaking new way.
