The Bell Jar

A Novel HarperCollins

A realistic and emotional look at a woman who falls into the grips of insanity written by the iconic American writer Sylvia Plath “It is this perfectly wrought prose and the freshness of Plath’s voice in The Bell Jar that make this book enduring in its appeal.” — USA Today The Bell Jar chronicles the crack-up of Esther Greenwood: brilliant, beautiful, enormously talented, and successful, but slowly going under—maybe for the last time. Sylvia Plath masterfully draws the reader into Esther’s breakdown with such intensity that Esther’s insanity becomes completely real and even rational, as probable and accessible an experience as going to the movies. Such deep penetration into the dark and harrowing corners of the psyche is an extraordinary accomplishment and has made The Bell Jar a haunting American classic. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

The Bell Jar e-artnow

This carefully crafted ebook: "The Bell Jar" is formatted for your eReader with a functional and detailed table of contents. Esther Greenwood, a young woman from the suburbs of Boston, gains a summer internship at a prominent magazine in New York City, under editor Jay Cee; however, Esther is neither stimulated nor excited by either the big city or the glamorous culture and lifestyle that girls her age are expected to idolize and emulate. She instead finds her experience to be frightening and disorienting. From hereafter her mental state keeps deteriorating until she starts feeling helpless as if being kept inside a glass bell jar! The Bell Jar is the only novel written by the American writer and poet Sylvia Plath. Originally published under the pseudonym "Victoria Lucas" in 1963, the novel is semi-autobiographical, with the names of places and people changed. The book is often regarded as a roman à clef because the protagonist's descent into mental illness parallels Plath's own experiences with what may have been clinical depression or bipolar II disorder. Plath died by suicide a month after its first UK publication. The novel was published under Plath's name for the first time in 1967 and was not published in the United States until 1971, in accordance with the wishes of both Plath's husband, Ted Hughes, and her mother.

The Bell Jar

The story, scarcely disguised autobiography, covers six months in a young girl's life, beginning when she goes to New York to serve on a fashion magazine's college-editorial board. It ends when she emerges from a mental hospital after a breakdown.

The Bell Jar, a Novel of the Fifties Twayne Publishers

"Though her life was brief, the American poet and novelist Sylvia Plath (1932-63) exerted a profound influence on contemporary writers, particularly women writers of the sixties and seventies. Just as to her Pulitzer Prize-winning poetry Plath brought a decidedly feminist perspective, so too did she

etch in her novel The Bell Jar a disturbing vision of life for young women in America at midcentury. The Bell Jar - based on Plath's own experiences as a student at Smith College, an intern at Mademoiselle, and a young woman battling for her own sanity amid societal mores of the times - was initially published in England under a pseudonym, its American publication stifled for years by the writer's family. When, however, the 1963 novel was finally released to U.S. audiences in 1971, it achieved both critical and popular success, and has since become a classic of feminist literature and a unique vehicle for better appreciating Plath's gifts." "It is through a multifaceted lens that Linda Wagner-Martin examines The Bell Jar in this new study. Whereas past critical attention has centered on The Bell Jar as autobiography, Wagner-Martin transcends that approach, looking as well at the novel in its larger context of the social and historical forces shaping women's lives in America during the fifties and sixties. Thus eschewing a simplistic reading of the novel, the author plumbs issues of gender, genre, and narrative voice. Arguing that Plath's troubled personal history was the product of her struggle against contemporary social forces, Wagner-Martin reviews the writer's prior work and inspects earlier, partial versions of the novel; explores Plath's use of humor and sarcasm; traces the writer's representation of patriarchal structures in the novel; and ultimately places the novel squarely in the tradition of works about women at odds with a society dominated by patriarchal values. A brilliantly argued, eminently readable approach to this masterpiece, The Bell Jar: A Novel of the Fifties is certain to be lauded by scholars and students alike."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Depression in Sylvia Plath's The Bell Jar Greenhaven Publishing LLC

Because wherever I sat, on the deck of a ship or at a street café in Paris or Bangkok, I would be sitting under the same glass bell jar, stewing in my own sour air. Readers who are familiar with Sylvia Plath's work may recognize this well-known quotation from her first and only novel, The Bell Jar, which tackles issues of depression, mental illness, and the search for individuality. This compelling volume examines Sylvia Plath's life and writings, with a specific look at key ideas related to The Bell Jar. A collection of twenty-three essays offers readers context and insight to discussions centering around the pervasive impact of illness, the novel as a search for personal identity, and the autobiographical nature of the work. The book also examines contemporary perspectives on depression, such as the sometimes deadly pressure of perfectionism on gifted teens, and the idea that depression and risk of suicide run in families.

Ariel

Perennial Classics Edition Harper Collins

"In these poems...Sylvia Plath becomes herself, becomes something imaginary, newly, wildly and subtly created." -- From the Introduction by Robert Lowell

The 100 Best Novels

In the English Language

Everybody loves a list but this is a list of major ambition: namely, to select the best 100 novels in the English language, published from the late 17th century to the present day. This list has been built up week by week in The Observer since September 2013, and selected by writer and Observer editor Robert McCrum. With a short critique on each book, this is a real delight for literary lovers.

The Bell Jar

Special Edition Createspace Independent Publishing Platform

Sylvia Plath's shocking, realistic, and intensely emotional novel about a woman falling into the grip of insanity. Esther Greenwood is brilliant, beautiful, enormously talented, and successful, but slowly going under-maybe for the last time. In her acclaimed and enduring masterwork, Sylvia Plath brilliantly draws the reader into Esther's breakdown with such intensity that her insanity becomes palpably real, even rational-as accessible an experience as going to the movies. A deep penetration into the darkest and most harrowing corners of the human psyche, The Bell Jar is an extraordinary accomplishment and a haunting American classic. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

The Lightness

A Novel HarperCollins

“A teen thriller in the vein of the ‘90s horror movie The Craft . . . A beautiful meditation on meditation . . . Frequently hilarious, and thoughtful throughout.” —The New York Times Book Review “The Lightness could be the love child of Donna Tartt and Tana French, but its savage, glittering magic is all Emily Temple's own.” —Chloe Benjamin, New York Times bestselling author of The Immortalists A Belletrist Book Club Pick! A Most Anticipated Novel by Entertainment Weekly • USA Today • Marie Claire • Elle • WSJ. Magazine • Glamour • Vulture • Bustle • Buzzfeed • The Millions

• The Philadelphia Inquirer • Minneapolis Star Tribune • The Daily Beast • Refinery 29 • Publishers Weekly • Literary Hub • Electric Literature • and more! A stylish, stunningly precise, and suspenseful meditation on adolescent desire, female friendship, and the female body that shimmers with rage, wit, and fierce longing—an audacious, darkly observant, and mordantly funny literary debut for fans of Emma Cline, Ottessa Moshfegh, and Jenny Offill. One year ago, the person Olivia adores most in the world, her father, left home for a meditation retreat in the mountains and never returned. Yearning to make sense of his shocking departure and to escape her overbearing mother—a woman as grounded as her father is mercurial—Olivia runs away from home and retraces his path to a place known as the Levitation Center. Once there, she enrolls in their summer program for troubled teens, which Olivia refers to as “Buddhist Boot Camp for Bad Girls”. Soon, she finds herself drawn into the company of a close-knit trio of girls determined to transcend their circumstances, by any means necessary. Led by the elusive and beautiful Serena, and her aloof, secretive acolytes, Janet and Laurel, the girls decide this is the summer they will finally achieve enlightenment—and learn to levitate, to defy the weight of their bodies, to experience ultimate lightness. But as desire and danger intertwine, and Olivia comes ever closer to discovering what a body—and a girl—is capable of, it becomes increasingly clear that this is an advanced and perilous practice, and there’s a chance not all of them will survive. Set over the course of one fateful summer that unfolds like a fever dream, The Lightness juxtaposes fairy tales with quantum physics, cognitive science with religious fervor, and the passions and obsessions of youth with all of these, to explore concepts as complex as faith and as simple as loving people—even though you don’t, and can’t, know them at all. “A suspenseful debut.” –People Pick

The Bell Jar by Sylvia Plath (Book Analysis)

Detailed Summary, Analysis and Reading Guide BrightSummaries.com

Unlock the more straightforward side of The Bell Jar with this concise and insightful summary and analysis! This engaging summary presents an analysis of The Bell Jar by Sylvia Plath, a semi-autobiographical novel which follows Esther Greenwood, a young woman who is undertaking an internship in New York when her mental health begins to decline, leading to stays in a series of psychiatric institutions. The novel is semi-autobiographical: Plath’s own struggles with depression are well-documented, and she underwent electroconvulsive therapy as part of her “treatment”. The Bell Jar is widely admired for its unsparing depiction of the paranoia, stifling conformism and gender inequality that characterised America during the 1950s, and its popularity has not waned in the decades since it was first published. Sylvia Plath was an American novelist and poet. Her best-known works are The Bell Jar and the poetry collection Ariel, which was published posthumously in 1965 (Plath committed suicide in 1963). Find out everything you need to know about The Bell Jar in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key themes and symbols • Questions for further reflection Why choose BrightSummaries.com? The clear and concise style makes for easy understanding, providing the perfect opportunity to improve your literary knowledge in no time. See the very best of literature in a whole new light with BrightSummaries.com!

The Collected Poems HarperCollins

Pulitzer Prize winner Sylvia Plath’s complete poetic works, edited and introduced by Ted Hughes. By the time of her death on 11, February 1963, Sylvia Plath had written a large bulk of poetry. To my knowledge, she never scrapped any of her poetic efforts. With one or two exceptions, she brought every piece she worked on to some final form acceptable to her, rejecting at most the odd verse, or a false head or a false tail. Her attitude to her verse was artisan-like: if she couldn’t get a table out of the material, she was quite happy to get a chair, or even a toy. The end product for her was not so much a successful poem, as something that had temporarily exhausted her ingenuity. So this book contains not merely what verse she saved, but—after 1956—all she wrote.—Ted Hughes, from the Introduction

The split identity of Esther Greenwood in Silvia Plath's "The Bell Jar" GRIN Verlag

Seminar paper from the year 2008 in the subject English Language and Literature Studies - Literature, grade: 2,0, Johannes Gutenberg University Mainz (Department of English and Linguistics), course: Madness in Literature, 7 entries in the bibliography, language: English, abstract: 1. Introduction Madness is an important aspect in literature - especially madness of female writers respectively madness of female chief characters is interesting to deal with concerning the social role of women in the cause of time. It [madness] is that state of mind where a person’s feelings or beliefs about himself [...] are completely disrupted, making him unable to function in whatever social role - husband, parent, friend, employee - he might expect to enjoy. It is the state where the sufferer passes beyond the bounds of reality, intelligibility, and rationality as defined by the bulk of society. The psychotic is a stranger among his own people. (Nettle 12) A character consistent to this definition of madness is Esther Greenwood in Silvia Plath’s autobiographical novel The Bell Jar which was published 1963. Being a young intelligent woman, Esther becomes mad as a result of the mental stress to conform to the traditional role of women or to break tradition. Esther Greenwood is passive and unable to be agent of her life. Never having learned how to develop herself as an independent individual, she is dependent on others and follows their ideals of a fulfilling life. She is torn between starting

a family and starting a career. According to this, The Bell Jar reveals the difficulty of becoming an adult, by breaking tradition to be able to realize one’s personal scheme of life. As Susan Bassnett points out, “The Bell Jar is a novel about a suicide attempt that fails; but it is also a novel about a woman who learns how to live with herself and how to come to terms with the world, that world of destruction and horror [...]” (Bassnett 122). As the story of Esther Greenwood’s madness is full of interesting symbols and motifs, it is unfortunately impossible to deal with the whole of them. Consequently this paper will focus on few aspects revealing the split identity of Esther Greenwood and show the process of her recovery as well. These basic motifs are: the fig-tree, the fake identity she builds up and the motif of the bell jar. They will be discussed in the context of Esther’s mental illness...

Grit

The Power of Passion and Perseverance Simon and Schuster

In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls “grit.” “Inspiration for non-geniuses everywhere” (People). The daughter of a scientist who frequently noted her lack of “genius,” Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In Grit, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she’s learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. “Duckworth’s ideas about the cultivation of tenacity have clearly changed some lives for the better” (The New York Times Book Review). Among Grit’s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-

rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, *Grit* is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (The Wall Street Journal).

Sounds from the Bell Jar

Ten Psychotic Authors *Palgrave Macmillan*
Madness and creativity - are they related? Two literary scholars and a psychologist bring a unique blend of professional skills to bear on this question, first reviewing the contemporary scientific evidence and then examining in detail the lives and works of ten authors - dating from the Middle Ages to the 20th century - who, as judged here by the latest diagnostic techniques, demonstrably suffered from a psychotic illness. For its material the book draws extensively on the subjects' own written words to illustrate the intimate connection that existed between the authors' creative expression and what they felt and perceived as psychotic persons.

Ariel: The Restored Edition

A Facsimile of Plath's Manuscript, Reinstating Her Original Selection and Arrangement *Harper Collins*
Sylvia Plath's famous collection, as she intended it. When Sylvia Plath died, she not only left behind a prolific life but also her unpublished literary masterpiece, *Ariel*. When her husband, Ted Hughes, first brought this collection to life, it garnered worldwide acclaim, though it wasn't the draft Sylvia had wanted her readers to see. This facsimile edition restores, for the first time, Plath's original manuscript -- including handwritten notes -- and her own selection and arrangement of poems. This edition also includes in facsimile the complete working drafts of her poem "Ariel," which provide a rare glimpse into the creative process of a beloved writer. This publication introduces a truer version of Plath's works, and will no doubt alter her legacy forever. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

The Bell Jar *Turtleback*
Chronicles one young woman's emotional breakdown as she journeys from the glamorous world of Manhattan publishing to the isolation of the asylum.

The Bell Jar, by Sylvia Plath *Salem PressInc*
The Bell Jar is a highly distinctive and unusual book, and although the era of the 1950's it represents has faded and disappeared into history, the power of this novel does not dissipate. The original essays in this volume each take on a specific angle from which to examine the work. One essay discusses the issue of nature vs. nurture in the novel, while another discusses the similarities between Plath's work and Susanna Kaysen's *Girl, Interrupted*. The older essays provide some of the finest scholarship on *The Bell Jar* that has been made available over the years, and offer a wide variety of critical approaches to this work.

Red Comet

The Short Life and Blazing Art of Sylvia Plath *Vintage*
With a wealth of never-before-accessed materials--including unpublished letters and manuscripts; court, police, and psychiatric records; and new interviews--Heather Clark brings to life the brilliant daughter of Wellesley, Massachusetts who had poetic ambition from a very young age and was an accomplished, published writer of poems and stories even before she became a star English student at Smith College in the early 1950s. Determined not to read Plath's work as if her every act, from childhood on, was a harbinger of her tragic fate, Clark evokes a culture in transition, in the shadow of the atom bomb and the Holocaust, as she explores Plath's world: her early relationships and determination not to become a conventional woman and wife; her conflicted ties to her well-meaning, widowed mother; her troubles at the hands of an unenlightened mental-health industry; her Cambridge years and thunderclap meeting with Ted Hughes, a marriage of true minds that would change the course of poetry in English; and much more. Clark's clear-eyed portraits of Hughes, his lover Assia Wevill, and other demonized players in the arena of Plath's suicide promotes a deeper understanding of her final days, with their outpouring of first-rate poems. Along with illuminating readings of the poems themselves, Clark's meticulous, compassionate research brings us closer than ever to the spirited woman and visionary artist who blazed a trail that still lights the way for women poets the world over.

The Colossus
'The Colossus and other poems' is a collection of Sylvia Plath's poetry.Originally published in 1960, her 44 poems are an inspiring and intriguing read. Sylvia Plath was born on October 27, 1932 in Boston Massachusetts. She was an American poet, novelist, and short-story writer who studied at Smith College, and Newnham college at the University of Cambridge. She is the renowned author of 'the Bell Jar', and many other stories.

Fahrenheit 451

A Novel *Simon and Schuster*
A totalitarian regime has ordered all books to be destroyed, but one of the book burners, Guy Montag, suddenly realizes their merit.

Under the Bell Jar *GRIN Verlag*
Seminar paper from the year 2008 in the subject American Studies - Literature, grade: 1,0, Dresden Technical University (Institut fur Anglistik/Amerikanistik), course: The 1950s and 1960s in American Literature, 18 entries in the bibliography, language: English, comment: "An excellent paper that carefully investigates the sensitive spaces of interaction between the writer and her fictional protagonist." "An excellent paper that carefully investigates the sensitive spaces of interaction between the writer and her fictional protagonist.," abstract: 1 Introduction Sylvia Plath ended her Life by gassing herself in a stove on February 11th in 1963. This is not the most important fact about the poet and yet the best known detail of her life. Since her death, Plath's work and her life have been irrevocably interblended. Thus, she is either interpreted as a courageous but suppressed female writer or as a dark and mentally disordered summoner of death. In either case she had been mystified as a kind of tragic hero and some critics continue with this kind of blind "Plathophilia" (Bachner 2008) until today. Although her artistic work is mainly composed of poems, her only novel will be the object for the following interpretation of the protagonist's alienation in comparison to respective events in the author's life. Being so closely connected it is impossible to reflect on the novel without factoring her life into the described events of alienation in *The Bell Jar*. Thus, after introducing the influencing social circumstances of her time, the paper concentrates on Sylvia Plath's degree of authenticity in her writing. On the basis of these findings, two different stages of the protagonist's alienation are to be developed and afterwards her ambivalent relation towards the opposite sex is being discussed as a major consequence to her schizoid attitudes towards her desired social status. Finally, the analysis deals with Plath's strong symbolism, in which the mirror serves as frequ

Exploring race, identity and sexuality, Dean Atta shares his perspective on family, friendship, relationships and London life, from riots to one-night stands. Longlisted for the Polari First Book Prize 2014'Go Dean Atta. Speak the truth. Tweet the truth. Upload it. Let it ring out over the digital domain and strike at the heart of the offline wireless and disconnected.' Lemn Sissay 'Dean Atta's poetry is as honest as truth itself. He follows no trend; he seeks no favours ... Beyond black, beyond white, beyond straight, beyond gay, so I say. Love your eyes over these words of truth. You will be uplifted.' Benjamin Zephaniah 'Righteous and forceful' Peter Tatchell'I can do nothing but take my hat off to Dean Atta for speaking out, saying what he believed, and doing it so effectively and powerfully that countless people heard it who would never normally have done so. Poetry is a powerful tool, and I Am Nobody's Nigger is a perfect example of when that tool shows its full strength.' Huffington Post' Huffington Post 'Raconteur Dean Atta doing what he does best; articulating London's dark, deep-rooted social cancers through a beautiful and intricately personal narrative.' Clash

Birthday Letters

Poems *Macmillan*
A collection of poetry addressed to Hughes's late wife, poet Sylvia Plath, reexamines the psychological breakdown that led to both some of her greatest poems and to her untimely death. Reprint.

Sylvia and Ted

A Novel *Macmillan*
Recounts the turbulent relationship, courtship, and marriage of poets Sylvia Plath and Ted Hughes, in a novel of artistic struggles, passion, and betrayal.

The Cambridge Introduction to Sylvia Plath *Cambridge University Press*
Sylvia Plath is widely recognized as one of the leading figures in twentieth-century Anglo-American literature and culture. Her work has constantly remained in print in the UK and US (and in numerous translated editions) since the appearance of her first collection in 1960. Plath's own writing has been supplemented over the decades by a wealth of critical and biographical material. The Cambridge Introduction to Sylvia Plath provides an authoritative and comprehensive guide to the poetry, prose and autobiographical writings of Sylvia Plath. It offers a critical overview of key readings, debates and issues from almost fifty years of Plath scholarship, draws attention to the historical, literary, national and gender contexts which frame her writing and presents informed and attentive readings of her own work. This accessibly written book will be of great use to students beginning their explorations of this important writer.

Pain, Parties, Work

Sylvia Plath in New York, Summer 1953 *Harper Collins*
"I dreamed of New York, I am going there." On May 31, 1953, twenty-year-old Sylvia Plath arrived in New York City for a one-month stint at "the intellectual fashion magazine" *Mademoiselle* to be a guest editor for its prestigious annual college issue. Over the next twenty-six days, the bright, blond New England collegian lived at the Barbizon Hotel, attended Balanchine ballets, watched a game at Yankee Stadium, and danced at the West

Side Tennis Club. She typed rejection letters to writers from The New Yorker and ate an entire bowl of caviar at an advertising luncheon. She stalked Dylan Thomas and fought off an aggressive diamond-wielding delegate from the United Nations. She took hot baths, had her hair done, and discovered her signature drink (vodka, no ice). Young, beautiful, and on the cusp of an advantageous career, she was supposed to be having the time of her life. Drawing on in-depth interviews with fellow guest editors whose memories infuse these pages, Elizabeth Winder reveals how these twenty-six days indelibly altered how Plath saw herself, her mother, her friendships, and her romantic relationships, and how this period shaped her emerging identity as a woman and as a writer. Pain, Parties, Work—the three words Plath used to describe that time—shows how Manhattan's alien atmosphere unleashed an anxiety that would stay with her for the rest of her all-too-short life. Thoughtful and illuminating, this captivating portrait invites us to see Sylvia Plath before The Bell Jar, before she became an icon—a young woman with everything to live for.

Esther Greenwood's Struggle for Control in Sylvia Plath's The Bell Jar

Diary of an Oxygen Thief Simon and Schuster

Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer’s assistant and, somehow, they met in Bright Lights, Big City. He’s blinded by love. She by ambition. Diary of an Oxygen Thief is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

How to Catch a Mole

Wisdom from a Life Lived in Nature Greystone Books Ltd

“A wonderful memoir ... hands down the most charming book I read last year.” —Margaret Renkl, The New York Times In this charming, peaceful

memoir, a traditional molecatcher shares the mysterious tricks of his trade, alongside poignant moments from his personal life, including his experience as a homeless teenager, his work as a professional gardener, and all that he has learned about our own humanity from a life spent outdoors. Kneeling in a muddy field, clutching something soft and blue-black, Marc Hamer vows he will stop trapping moles—forever. In this earnest, understated, and sublime work of nonfiction literature, the molecatcher shares what led him to this strange career: from sleeping among hedges as a homeless teen, to toiling on the railway, to weeding windswept gardens in Wales. Hamer infuses his wanderings with radiant poetry and stark, simple observations on nature’s oft-ignored details. He also reveals how to catch a mole—a craft long kept secret by its masters—and burrows into the unusual lives of his muses. Moles, we learn, are colorblind. Their blood holds unusual amounts of carbon dioxide. Their vast tunnel networks are intricate and deceptive. And, like Hamer, they work alone. Beautifully written, life-affirming, and highly original, How to Catch a Mole offers a gorgeous portrait of one man's deep, unbreakable bond with his natural surroundings, and offers hope and inspiration for anyone looking to improve their relationship with the natural world.

Study Guide - the Bell Jar BookCaps Study Guides

The perfect companion to Sylvia Plath', "The Bell Jar," this study guide contains a chapter by chapter analysis of the book, a summary of the plot, and a guide to major characters and themes. BookCap Study Guides do not contain text from the actual book, and are not meant to be purchased as alternatives to reading the book. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.
