Food As Medicine How To

The more we take into our body food closest to its original form, the more we can access nature's intelligence and turn it into the medicine we need for healthful living. According to Ayurveda, foods that are raw, fresh, locally sourced, and organic contain high amounts of prana, or vital life force, which animates all living beings. When you eat high pranic foods, you take in some of the natural healing intelligence of that food.
