Industrial Society and Social Welfare: the Impact of ...

The Welfare State in Post-Industrial Society is divided into two major sections: the first draws from a number of leading social welfare researchers from diverse countries who point to the nation-state as case studies; highlighting how it goes about establishing and revising social welfare provisions. The second portion of the volume then moves to a more global perspective in its analysis and questioning of the impact of globalisation on citizenship and marketization.

The Welfare State in Post-Industrial Society | SpringerLink

In 1919 the Boys' Welfare Association changed its name to the Industrial Welfare Society; this signified an extension of its activities. Much of the Society's work in the 1920s and 1930s involved the struggle for what is now considered very basic, such as employer-provided lunchrooms and restrooms.
