Body Image Solutions Reviews - orrisrestaurant.com

Body Image is an international, peer-reviewed journal that publishes high-quality, scientific articles on body image and human physical appearance. Body image is a multi-faceted concept that refers to persons' perceptions and attitudes about their own body, particularly but not exclusively its appearance.

Body image can affect how a girl feels about herself. If your daughter doesn't live up to her ideal body image, she might begin to feel inadequate and ashamed of her body. This can increase the risk of low self-esteem, depression and eating disorders. A negative body image can harm girls' nutrition, causing them to skip meals or take diet pills.
