China's Super Consumers - Home | Facebook

China's retail sales continued a general recovery in October, official data showed Monday, on the back of a national holiday and policies aimed at boosting spending. Although China has largely brought the coronavirus under control, spending has been slower to recover as the world still grapples with the impact of the pandemic.

China's consumer spending picks up in October

(Bloomberg) -- JD.com Inc.'s revenue climbed a better-than-expected 29% after shoppers who shifted online during the pandemic continued to drive a modest recovery in Chinese consumer spending.Beijing-based JD.com's sales reached 174.21 billion yuan (\$26.5 billion) during the July-September quarter, versus the 170.5 billion yuan average of analysts' estimates. Its net income surged to 7.6 ...
