Review article: the genetics of the human leucocyte ...

I want to describe, in non-technical terms, what I believe the
 human genome project and modern genetics are. I will leave it to
 you to see where the ramifications of this presentation go.
 Because, although I will give you a few current examples, most of
 the returns from this new era in human genetics will be reaped in
 the future, not the present. Indeed, the challenge of connecting
 the ...
