A business with a shareholder primacy structure may be majority controlled by an altruistic shareholder, who uses their power to ensure it behaves like a social enterprise.

People and Planet before Profit? A framework to compare ...

People, Planet, Profit focuses on three ways that companies can grow their business while transforming their values: by defining a purpose to their business beyond profit -- what it does for people's lives and society in general; by translating that into a compelling proposition for customers; and by aligning the whole business to deliver this proposition practically and more profitably.

People, Planet, Profit: How to Embrace Sustainability for ...

In a truly sustainable business, “people, planet, profit” is not a triple bottom line – it is a math equation and it looks like this: People + Planet = Profit The profit is an inherent result of providing value to the people, value to the planet. In a sustainable business, profit should never exceed value, nor should it be less.

“People, Planet, Profit” - It’s not a triple bottom line ...

The triple bottomline of people, planet and profit is 25 years old. As its originator John Elkington suggests, it is time for a revisit. This is what the 3Ps really mean.

What The 3Ps Of The Triple Bottom Line Really Mean

Sustainability benefits: A people, planet and profit business strategy ... a triple bottom line of people, profits and the planet drives sustainable organizations and their operating strategies.

Sustainability benefits: A people, planet and profit ...

The Triple Bottom Line approach (Profit, People and Planet) arose out of frustration with traditional, financially-focused measures of business performance, which have tended to emphasise profit as the key metric. Businesses are usually assumed to be profit-maximisers; Profit is the traditional measure of business success

Elkington's Triple Bottom Line (CSR) | Business | tutor2u

People. Planet. Profit. The so-called triple bottom line has become modus operandi for businesses large and small that want to do more than make the biggest possible profits. Instead, building ways to also benefit the people in their community and the planet overall has become the recognized way for businesses to become good citizens.

People, Planet, Profit: Satisfying the Triple Bottom Line ...

How doing more for the Planet can create more for People and more for Profit. Innovation is about making new connections, and that is what this book is about, and why sustainability is the biggest catalyst, for more enlightened innovation, and more enduring growth.

People Planet Profit - GeniusWorks

Profit. While every business pursues financial profitability, triple bottom line businesses see it as one part of a business plan. Sustainable organizations also recognize that “profit” isn’t diametrically opposed to “people” or “planet.” Swedish furniture giant IKEA reported sales of \$37.6 billion in 2016.

A Simple Explanation of the Triple Bottom Line ...

The phrase, "people, planet, and profit" to describe the triple bottom line and the goal of sustainability, was coined by John Elkington in 1994 while at SustainAbility, and was later used as the title of the Anglo-Dutch oil company Shell's first sustainability report in 1997. As a result, one country in which the 3P concept took deep root was The Netherlands.
