The Malformed Fetus and Stillbirth: A Diagnostic Approach ...

A stillbirth is when a baby is born dead after 24 completed weeks of pregnancy. It happens in around 1 in every 200 births in England. If the baby dies before 24 completed weeks, it's known as a miscarriage or late foetal loss. Contact your midwife or doctor straightaway if you're pregnant and worried about your baby – for example, if you've noticed your baby moving less than usual.
