The Long Descent is one of the most highly anticipated peak oil books of the year, and it lives up to every ounce of hype. Greer is a captivating, brilliantly inventive writer with a deep knowledge of history, an impressive amount of mechanical savvy, a flair for storytelling and a gift for drawing art analogies.

The Long Descent: A User's Guide to the End of the ...

The Long Descent traces out the ragged course of decline that has brought every previous civilization to its end, and is doing the same with ours. It takes the

average civilization one to three hundred years to descend from its peak into a dark age out of which new civilizations will be born, and that same process is visibly under way in our own lives.
