(School Library Journal) Since the day her father's fishing boat returned without him, Peri and her mother have mourned his loss. Her mother sinks into a deep depression and spends her days gazing out at the sea. Unable to control her anger and sadness any longer, Peri uses the small magic she knows to hex the sea. And suddenly into her drab life come the King's sons—changelings with strange ties to the underwater kingdom—a young magician, and, finally, love. "McKillip is a master storyteller; her tale rings true as if it were being told from memory."—Kirkus Reviews, pointer review

Dark Moon

A Novel *Del Rey*
“Gemmell not only knows how to tell a story, he knows how to tell a story you want to hear. He does high adventure as it ought to be done.”—Greg Keyes, author of The Briar King One awesome night, the sadistic, seemingly invincible Daroth vanished from the face of the earth. Gone were their cities, their armies, their reigns of terror. Not a trace of this conquering race remained. Until a thousand years later. . . . With the rising of a dark moon above the Great Northern Desert, comes a black tidal wave that sweeps across the land. Suddenly, the desert vanishes beneath lush fields and forests and a great city glitters in the morning light. From this city reemerges the blood-hungry Daroth, powerful and immortal, immune to spear and sword. They have only one desire: to rid the world of humankind forever. Now the fate of the human race rests on the talents of three heroes: Karis, warrior-woman and strategist; Tarantio, the deadliest swordsman of the age; and Duvodas the Healer, who will learn a gruesome truth. “Gemmell’s great reading; the action never lets up; he’s several rungs above the good—right into the fabulous!”—Anne McCaffrey

Promise of the Wolves

A Novel *Simon and Schuster*
The first in The Wolf Chronicles trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, Promise of the Wolves is a historical adventure story in the tradition of Clan of the Cave Bear and Watership Down. Set 14,000 years ago in what is now Southern Europe, Promise of the Wolves is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time the two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind.

Carved in Ebony

Lessons from the Black Women Who Shape Us *Baker Books*

Elizabeth Freeman, Nannie Helen Burroughs, Maria Fearing, Charlotte Forten Grimké, Sarah Mapps Douglass, Sara Griffith Stanley, Amanda Berry Smith, Lucy Craft Laney, Maria Stewart, and Frances Ellen Watkins Harper These names may not be familiar, but each one of these women was a shining beacon of devotion in a world that did not value their lives. They worked to change laws, built schools, spoke to thousands, shared the Gospel around the world. And while history books may have forgotten them, their stories can teach us so much about what it means to be modern women of faith. Through the research and reflections of author Jasmine Holmes, you will be inspired by what each of these exceptional women can teach us about the intersections of faith and education, birth, privilege, opportunity, and so much more. Carved in Ebony will take you past the predominantly white, male contributions that seemingly dominate history books and church history to discover how Black women have been some of the main figures in defining the landscape of American history and faith. Join Jasmine on this journey of illuminating these women--God's image-bearers, carved in ebony.

Black Unicorn *Del Rey*

A year had passed since Ben Holiday bought the Magic Kingdom from the wizard Meeks, who had set a series of pitfalls against him. Outcasts United

An American Town, a Refugee Team, and One Woman's Quest to Make a Difference *Random House*

BONUS: This edition contains a reader's guide. The extraordinary tale of a refugee youth soccer team and the transformation of a small American town Clarkston, Georgia, was a typical Southern town until it was designated a refugee settlement center in the 1990s, becoming the first American home for scores of families in flight from the world’s war zones—from Liberia and Sudan to Iraq and Afghanistan. Suddenly Clarkston’s streets were filled with women wearing the hijab, the smells of cumin and curry, and kids of all colors playing soccer in any open space they could find. The town also became home to Luma Mufleh, an American-educated Jordanian woman who founded a youth soccer team to unify Clarkston’s refugee children and keep them off the streets. These kids named themselves the Fugees. Set against the backdrop of an American town that without its consent had become a vast social experiment, Outcasts United follows a pivotal season in the life of the Fugees and their charismatic coach. Warren St. John documents the lives of a diverse group of young people as they miraculously coalesce into a band of brothers, while also drawing a fascinating portrait of a fading American town struggling to accommodate its new arrivals. At the center of the story is fiery Coach Luma, who relentlessly drives her players to success on the soccer field while holding together their lives—and the lives of their families—in the face of a series of daunting challenges. This fast-paced chronicle of a single season is a complex and inspiring tale of a small town becoming a global community—and an account of the ingenious and complicated ways we create a home in a changing world.

The A to Z of Fantasy Literature *Scarecrow Press*

Once upon a time all literature was fantasy, set in a mythical past when magic existed, animals talked, and the gods took an active hand in earthly affairs. As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present, fantasy was temporarily marginalized until the late 20th century, when it enjoyed a spectacular resurgence in every stratum of the literary marketplace. Stableford provides an invaluable guide to this sequence of events and to the current state of the field. The chronology tracks the evolution of fantasy from the origins of literature to the 21st century. The introduction explains the nature of the impulses creating and shaping fantasy literature, the problems of its definition and the reasons for its changing historical fortunes. The dictionary includes cross-referenced entries on more than 700 authors, ranging across the entire historical spectrum, while more than 200 other entries describe the fantasy subgenres, key images in fantasy literature,

technical terms used in fantasy criticism, and the intimately convoluted relationship between literary fantasies, scholarly fantasies, and lifestyle fantasies. The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature, through bibliographies and accounts of the fantasy literature of different nations, to individual author studies and useful websites.

Animals in Young Adult Fiction *Scarecrow Press*

Of the many themes occurring in young adult literature, one that bears more extensive exploration is the adolescent-animal connection. Although substantial critical commentary has addressed

children's animal stories and animals in adult fiction, very few studies have been devoted to adolescent-animal encounters. In *Animals in Young Adult Fiction*, Walter Hogan examines several hundred novels and stories to explore the ways in which animals are represented in these works. In addition to providing an historical survey, Hogan looks at both realistic fiction and speculative works, including fantasy, supernatural, horror, and science fiction. Hogan reviews stories that feature wild animal encounters, stories centered on relationships with horses, dogs, and other working and performing animals, and those featuring relationships with pets. Drawing upon established scholarship, this book examines human-animal relationships from multiple angles, making it an invaluable resource for librarians, teachers, and students of children's and young adult literature.
