The Beginnings Of Jewishness Boundaries

The peculiar combination of ethnicity, nationality, and religion that would characterize Jewishness through the centuries first took shape in the second century B.C.E. This brilliantly argued, accessible book unravels one of the most complex issues of late antiquity by showing how these elements were understood and applied in the construction of Jewish identity—by Jews, by gentiles, and by the state.

The Beginnings of Jewishness: Boundaries, Varieties ...

This is an excellent book that reviews the historical origin of the concept of Jewishness between the first century B.C. and the second century C.E. The author's thesis is that Jewishness is a psychological category and does not really correspond to any identifiable combination of religion, ethnicity, nationality and so on.
