Techniques of the Impressionists by Anthea Callen

The Impressionist Movement's unique and distinctive painting techniques - which were considered radical at the time - received hostile criticism from academics, who envisioned fine detail and historic scenes. Impressionists revolutionised the Art World from the area of Normandy, France; they painted real world scenes and landscapes, composing them with small and thin but still visible ...

Impressionism: Impressionist Painting Techniques - USEUM

This is a very intense study of the Impressionists. It contains samples of all the major impressionists from 1860 to 1905. It lists the palette colors used and goes into great detail about the specific brush strokes used and different techniques the artist used to achieve the desired result.

Broken color refers to a painting technique 'invented' by the Impressionists that is still used today by some artists. Technically speaking, it goes like this: suppose I have an index card that is a permanent light green color. You can see it from across the room easily enough.

Broken Color Painting Techniques of the Impressionists

The thing is, impressionist artists were not trying to paint a reflection of real life, but an 'impression' of what the person, light, atmosphere, object or landscape looked like to them. And that's why they were called impressionists! They tried to capture the movement and life of what they saw and show it to us as if it were happening ...

Techniques of the Impressionists by Callen Anthea - AbeBooks

Impressionism is a 19th-century art movement characterized by relatively small, thin, yet visible brush strokes, open composition, emphasis on accurate depiction of light in its changing qualities (often accentuating the effects of the passage of time), ordinary subject matter, inclusion of movement as a crucial element of human perception and experience, and unusual visual angles.

Impressionism - Wikipedia

An exploration of Impressionist techniques. Focusing on the easel-painted work of Monet, Pissarro, Renoir, Cezanne, Cassatt, Morisot, Caillebotte, Sisley and Degas in the period before 1900, it places their methods and materials in a historical perspective and evaluates their origins.
