Has anyone been able to find the user guide for the Sprint HTC Hero? I realize this mobile marvel has not been released to us yet, but I was wondering if anyone has found even a "leaked" copy of the User Guide, as happened with the Palm Pre several weeks before its release. I tried a search for it, but came up empty.

Concerning the Palm
Pre, i would have also
preferred the
landscape keyboard,
but i can look past that
because i used to own
Blackberry phones and
i am kinda used to the
qwerty portait
keyboard. You gota
love the "card" concept
on the Palm Pre. It
seems to make
switching apps very
easy by flicking it away

and to the side.
