Improve work-life balance for the whole family with this kids' guide to growing up.

How to Be a Person in the World

Ask Polly's Guide Through the Paradoxes of Modern Life *Anchor*

A New York Times Love and Relationships Bestseller A hilarious, frank, and witty collection of all-new responses, plus a few greatest hits, from the author of the beloved advice column "Ask Polly" in New York magazine's *The Cut*. Should you quit your day job to follow your dreams? How do you rein in an overbearing mother? Will you ever stop dating wishy-washy, noncommittal

guys? Should you put off having a baby for your career? Heather Havrilesky of the wildly popular Ask Polly advice column is here to guide you through the "what if's" and "I don't knows" of modern life with the signature wisdom and tough love her readers have come to expect. *How to Be a Person in the World* is a hilarious, frank, and witty collection of never-before-published material along with a few fan favorites. Whether she's responding to cheaters or loners, lovers or haters, the anxious or the down-and-out, Havrilesky writes with equal parts grace, humor, and compassion to remind you that even in your darkest moments you're not alone.

How Should a Person Be?

A Novel from Life *Henry Holt and Company*

Chosen as one of fifteen remarkable books by women that are shaping the way we read and write in the 21st century by the book critics of The New York Times "Funny...odd, original, and nearly unclassifiable...unlike any novel I can think of."—David Haglund, The New York Times Book Review "Brutally honest and stylistically inventive, cerebral, and sexy."—San Francisco Chronicle Named a Book of the Year by The New York Times Book Review, The New Yorker, San Francisco Chronicle, Salon, Flavorpill, The New Republic, The New York Observer, The Huffington Post A raw, startling, genre-defying novel of friendship, sex, and love in the new millennium—a compulsive read that's like "spending a day with your new best friend" (Bookforum) Reeling from a failed marriage, Sheila, a twentysomething playwright, finds herself unsure of how to live

and create. When Margaux, a talented painter and free spirit, and Israel, a sexy and depraved artist, enter her life, Sheila hopes that through close—sometimes too close—observation of her new friend, her new lover, and herself, she might regain her footing in art and life. Using transcribed conversations, real emails, plus heavy doses of fiction, the brilliant and always innovative Sheila Heti crafts a work that is part literary novel, part self-help manual, and part bawdy confessional. It's a totally shameless and dynamic exploration into the way we live now, which breathes fresh wisdom into the eternal questions: What is the sincerest way to love? What kind of person should you be?

How to Be a Better Person

How to Read a Person Like a Book *Barnes & Noble Publishing*

This unique program teaches listeners how to "decode" and reply

to non-verbal signals from friends and business associates when those signals are often vague and thus frequently ignored.

How to be a Person

The Stranger's Guide to College, Sex, Intoxicants, Tacos, and Life Itself

A practical survival guide to college and beyond by the writers and editors of *The Stranger* shares such advice as what majors to avoid, how to not contract an STD, how to do laundry, the basics of good manners and how to minimize drinking risks. Original.

How to Build a Person

A Prolegomenon *MIT Press*

Pollock describes an exciting theory of rationality and its partial implementation in OSCAR, a computer system whose descendants will literally be persons.

How to Be a Better Person *Atlantic Books*

Why is it so difficult to find the time to help others? When Seb Hunter became aware of a nagging ache in the place where his soul ought to be, he embarked on a two year odyssey of volunteering—with hilarious results. He collects litter, teaches pensioners how to use the internet, works at Oxfam (where he meets Gladys, his septuagenarian nemesis), mans a steam train line, becomes a star DJ on hospital radio, visits prisoners, and runs a very long way for charity. But will his quest for self-improvement be successful? *How to Be a Better Person* is the tale

of a cynic's attempt to become a better person by helping others. For nothing. It's a volunteering call-to-arms! Oh no it's not! Well it is, sort of . . .

How to Be a Normal Person *Dreamspinner Press LLC*

Gus plans to become a normal person for Casey, an asexual stoner hipster. After all, what could possibly go wrong?

The Person You Mean to Be

How Good People Fight Bias *HarperCollins*

"Finally: an engaging, evidence-based book about how to battle biases, champion diversity and inclusion, and advocate for those who lack power and privilege. Dolly Chugh makes a convincing case that being an ally isn't about being a good person—it's about constantly striving to be a better person." —Adam Grant, New York Times bestselling author of Give and Take, Originals, and Option B with Sheryl Sandberg Foreword by Laszlo Bock, the bestselling author of Work Rules! and former Senior Vice President of People Operations at Google An inspiring guide from Dolly Chugh, an award-winning social psychologist at the New York University Stern School of Business, on how to confront difficult issues including sexism, racism, inequality, and injustice so that you can make the world (and yourself) better. Many of us believe in equality, diversity, and inclusion. But how do we stand up for those values in our turbulent world? The Person You Mean to Be is the smart, "semi-bold" person's guide to fighting for what you believe in. Dolly reveals the surprising causes of inequality, grounded in the "psychology of good people". Using her research

findings in unconscious bias as well as work across psychology, sociology, economics, political science, and other disciplines, she offers practical tools to respectfully and effectively talk politics with family, to be a better colleague to people who don't look like you, and to avoid being a well-intentioned barrier to equality. Being the person we mean to be starts with a look at ourselves. She argues that the only way to be on the right side of history is to be a good-ish— rather than good—person. Good-ish people are always growing. Second, she helps you find your "ordinary privilege"—the part of your everyday identity you take for granted, such as race for a white person, sexual orientation for a straight person, gender for a man, or education for a college graduate. This part of your identity may bring blind spots, but it is your best tool for influencing change. Third, Dolly introduces the psychological reasons that make it hard for us to see the bias in and around us. She leads you from willful ignorance to willful awareness. Finally, she guides you on how, when, and whom, to engage (and not engage) in your workplaces, homes, and communities. Her science-based approach is a method any of us can put to use in all parts of our life. Whether you are a long-time activist or new to the fight, you can start from where you are. Through the compelling stories Dolly shares and the surprising science she reports, Dolly guides each of us closer to being the person we mean to be.

How to Be a Good Person and Make a Difference

11 Qualities of a Good Person, and 12 Inspirational Ideas for How to Make a Difference in Your World

If you want know what qualities it takes to be a good person and find out how to make a positive difference in your world, then this book is for you! If you were to ask thirty people about what they consider to be the qualities of a good person, you would probably receive thirty different answers - with a few common points, and a lot more poignant specifics. What you would also notice in those answers is that each answer allows that person to neatly categorize themselves as "good", rather than a "one-size-fits-all" response. This is the ultimate self-deception perpetuated by mankind. Throughout history, there have been several philosophical systems and masters that have objectively and impartially attempted to draw out the set of qualities that makes someone "good" or otherwise. And surprisingly, and unlike the thirty people that you would ask, their answers have been quite similar - even going so far as to admit that they themselves aren't perfectly "good" by the standards of their own discoveries. The compilation of their knowledge and beliefs, along with other common sense criteria and pearls of wisdom, is the reason for my writing this book. So, are you ready to gain a sense of direction that would better enable you to be "good" and make a positive difference in the world? Let's get started!

How to Break Your Addiction to a Person *Bantam*

A renowned psychotherapist explains how to evaluate a relationship and offers practical advice on how to get out of a relationship that is no longer satisfying, offering advice on understanding the difference between good and bad relationships, surviving the pain of breaking up, addictive behavior, and more. Reprint.

Year of Yes

How to Dance It Out, Stand In the Sun and Be Your Own Person *Simon and Schuster*

The creator of "Grey's Anatomy" and "Scandal" details the one-year experiment with saying "yes" that transformed her life, revealing how accepting unexpected invitations she would have otherwise declined enabled powerful benefits.

Read People Like a Book: How to Analyze, Understand, and Predict People's Emotions, Thoughts, Intentions, and Behaviors *PKCS Media*

Speed read people, decipher body language, detect lies, and understand human nature. Is it possible to analyze people without them saying a word? Yes, it is. Learn how to become a "mind reader" and forge deep connections. How to get inside people's heads without them knowing. Read People Like a Book isn't a normal book on body language or facial expressions. Yes, it includes all of those things, as well as new techniques on how to truly detect lies in your everyday life, but this book is more about understanding human psychology and nature. We are who we are because of our experiences and pasts, and this guides our habits and behaviors more than anything else. Parts of this book read like the most interesting and applicable psychology textbook you've ever read. Take a look inside yourself and others! Understand the subtle signals that you are sending out and increase your emotional intelligence. Patrick King is an internationally bestselling author and social skills coach. His writing draws on a variety of sources, from scientific research,

academic experience, coaching, and real life experience. Learn the keys to influencing and persuading others. •What people's limbs can tell us about their emotions. •Why lie detecting isn't so reliable when ignoring context. •Diagnosing personality as a means to understanding motivation. •Deducing the most with the least amount of information. •Exactly the kinds of eye contact to use and avoid Find shortcuts to connect quickly and deeply with strangers. The art of reading and analyzing people is truly the art of understanding human nature. Consider it like a cheat code that will allow you to see through people's actions and words. Decode people's thoughts and intentions, and you can go in any direction you want with them.

How to Win Friends and Influence People *Manjul Publishing*

How to be a Real Person (in Just One Day) *Knopf Books for Young Readers*

Sixth grader Kara Biggs tries to conceal from her friends, her absent father, and the authorities that her mother is sliding deeper and deeper into mental illness. By the author of *Sort of Forever*.

Break in Case of Emergency

A novel *Vintage*

"A funny and moving commentary on that point in a woman's life when everything seems to come into question." —Camille Perri, *The New York Times* "It's the superb insights and penetrating writing that make this book remarkable... An extraordinary

debut." —*The Guardian* "Enthralling, sharply observed" —Marie Claire "Hilarious... The personal and workplace plots are woven together beautifully. Read, cringe, laugh, relate." —Lenny "In this cutting commentary on workplace toxicity and how its tendrils can strangle relationships, Winter uses humor to illuminate the state of modern work, family, and friendship." —*Elle.com* "Sassy, sarcastic and sleek, this is a wonderfully brash appraisal of how we live." —Colum McCann One of *Elle Magazine's* 19 Summer Books That Everyone Will Be Talking About One of *Cosmo's* Reads for July One of *Refinery29's* Two New Books to Read in July by Brilliant Debut Authors An irreverent and deeply moving comedy about friendship, fertility, and fighting for one's sanity in a toxic workplace. Jen has reached her early thirties and has all but abandoned a once-promising painting career when, spurred by the 2008 economic crisis, she takes a poorly defined job at a feminist nonprofit. The foundation's ostensible aim is to empower women, but staffers spend all their time devising acronyms for imaginary programs, ruthlessly undermining one another, and stroking the ego of their boss, the larger-than-life celebrity philanthropist Leora Infinitas. Jen's complicity in this passive-aggressive hellscape only intensifies her feelings of inferiority compared to her two best friends—one a wealthy attorney with a picture-perfect family, the other a passionately committed artist—as does Jen's apparent inability to have a baby, a source of existential panic that begins to affect her marriage and her already precarious status at the office. As *Break in Case of Emergency* unfolds, a fateful art exhibition, a surreal boondoggle adventure in Belize, and a devastating personal loss conspire to force Jen to reckon with some hard truths about herself and the

people she loves most. Jessica Winter's ferociously intelligent debut novel is a wry satire of celebrity do-goodism as well as an exploration of the difficulty of navigating friendships as they shift to accommodate marriage and family, and the unspoken tensions that can strain even the strongest bonds.

Disaster Preparedness

A Memoir *Penguin*

"Smart, hilarious, unique-- just terrific." --Anne Lamott A thoughtful, witty memoir from the author of *How to Be a Person in the World* and the popular advice column, *Ask Polly*. When Heather Havrilesky was a kid during the '70s, harrowing disaster films dominated every movie screen with earthquakes that destroyed huge cities, airplanes that plummeted towards the ground and giant sharks that ripped teenagers to shreds. Between her parents' dramatic clashes and her older siblings' hazing, Heather's home life sometimes mirrored the chaos onscreen. *Disaster Preparedness* charts how the most humiliating and painful moments in Havrilesky's past forced her to develop a wide range of defense mechanisms, some adaptive, some piteously ill-suited to modern life. From premature boxing lessons to the competitive grooming of cheerleading camp, from her parents' divorce to her father's sudden death, Havrilesky explores a path from innocence and optimism to self-protection and caution, bravely reexamining the injuries that shaped her, the lessons that sunk in along the way, and the insights that carried her through. *Disaster Preparedness* is a road map to the personal disasters we all face from an irresistible voice that gets straight

to the beauty and grace at the heart of every calamity.

Be a Perfect Person in Just Three Days! *Cadwallader and Stern*

Is it possible? Can an ordinary human being really become a perfect person in three short days? Milo Crinkley thought so. What gave him the idea was a book that fell on his head one day at the library--a book with the impressive title *Be a Perfect Person in Just Three Days!* The author, Dr. K. Pinkerton Silverfish, did look kind of weird, but he claimed to be the world's leading authority on perfection. Milo took the book home and followed its instructions. He liked the idea of being perfect. Perfect people never had their parents nag at them. Perfect people never had to take the blame for rotten tricks their sisters played. Perfect people never needed erasers. Perfect was obviously the perfect thing to be! Did Milo become a perfect person in just three days? More important, can you? Do you think we're going to answer all your questions here when we want you to read this hilarious book? A personal message from Dr. K. Pinkerton Silverfish, world's leading expert on perfection: ● Maybe you think it's all a lot of baloney. Maybe you think nobody can become perfect in three short days. Well, maybe you should think again! ● Here's my no-risk guarantee: Try this book for just three days. If you're not absolutely delighted with the results, you can go soak your head. Now, what could be fairer than that? ● I won't be satisfied until every man, woman, and child on the face of the earth completes my amazing crash course in perfection. So, remember: If you don't read this book, I'm going to tell on you! Winner of five kid-voted statewide awards! California Young Reader Medal

Charlie May Simon Award (Arkansas) Georgia Children's Book Award Nene Award (Hawaii) Sunshine State Award (Florida)

It Ends with Us

A Novel *Pocket Books*

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and

touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

How to Be Interesting

An Essential Guide to Becoming an Interesting, Engaging, Charismatic, and Likeable Person

If you'd like to improve your social skills by becoming more Interesting, Engaging, Charismatic, and Likeable in order to be someone that everybody wants to be around, then this book is for you! Everybody wants to be liked and accepted by other people, but it's not as easy as it sounds. The purpose of this book is to help you learn how to become more interesting, engaging, and charismatic, and I'll provide you with lots of information and tips that will help you to understand what actions are beneficial to your cause, and which to avoid. If you are willing to invest a little time to changing yourself for the better, this book will help you improve (not change) your personality to become a person that everybody wants to be around.

How I Tried to Be a Good Person *Fantagraphics Books*

Lust's follow-up to her first internationally lauded graphic memoir, *How I Tried to Be a Good Person*, picks up directly where its predecessor left off. Revealing and powerful, Lust recounts her life as a young, enthusiastic anarchist making her way in Vienna in the 1990s - and of her love for two men: the "perfect companion" Georg, an actor twenty years her elder, and the "perfect lover," Kimata, a Nigerian man-about-town. As her relationships with the two men evolve, jealousy increasingly

mounts and leads to emotional and violent outbreaks that threaten her life.

White Fragility

Why It's So Hard for White People to Talk About Racism
Beacon Press

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this “vital, necessary, and beautiful book” (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and “allows us to understand racism as a practice not restricted to ‘bad people’” (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

The Middle Stories *McSweeney's*

Wildly acclaimed in Canada, this book marks the debut of a remarkable young writer first published by McSweeney's when she was twenty-three and living at home with her dad and brother. The Middle Stories is a strikingly original collection of

stories, fables, and short brutalities that are alternately heartwarming, cruel, and hilarious. This edition, marking the 10th anniversary of The Middle Stories, will be designed in the newly iconic McSweeney's paperback style, and will be published shortly before Heti's newest novel, *How Should A Person Be?*, emigrates from Canada via Henry Holt & Co.

How to Win Friends and Influence People *Sristhi Publishers & Distributors*

Do you feel stuck in life, not knowing how to make it more successful? Do you wish to become more popular? Are you craving to earn more? Do you wish to expand your horizon, earn new clients and win people over with your ideas? *How to Win Friends and Influence People* is a well-researched and comprehensive guide that will help you through these everyday problems and make success look easier. You can learn to expand your social circle, polish your skill set, find ways to put forward your thoughts more clearly, and build mental strength to counter all hurdles that you may come across on the path to success. Having helped millions of readers from the world over achieve their goals, the clearly listed techniques and principles will be the answers to all your questions.

Atomic Habits

An Easy & Proven Way to Build Good Habits & Break Bad Ones *Penguin*

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic

Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

- make time for new habits (even when life gets crazy);
- overcome a lack of motivation and willpower;
- design your environment to make success easier;
- get back on track when you fall off course; ...and much more.

Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve

any other goal.

Snappsy the Alligator (Did Not Ask to Be in This Book)
Penguin

Snappsy the alligator is having a normal day when a pesky narrator steps in to spice up the story. Is Snappsy reading a book ... or is he making CRAFTY plans? Is Snappsy on his way to the grocery store ... or is he PROWLING the forest for defenseless birds and fuzzy bunnies? Is Snappsy innocently shopping for a party ... or is he OBSESSED with snack foods that start with the letter P? What's the truth? Snappsy the Alligator (Did Not Ask to Be in This Book) is an irreverent look at storytelling, friendship, and creative differences, perfect for fans of Mo Willems.

The Curious Incident of the Dog in the Night-Time *Anchor Canada*

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and

turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

What If This Were Enough? *Anchor*

"Heather Havrilesky attempts to disrupt our cultural delusions and false dichotomies, to unearth moralistic interpretations of mundane human behaviors and interrogate so-called mistakes that we've slowly internalized, and to question the glorification of suffering, dishonesty, romantic fantasy, conquest, predation, and perfectionism"--

Occupational Outlook Handbook

The Highly Sensitive Person

How to Thrive When the World Overwhelms You *Kensington Publishing Corp.*

The 25TH ANNIVERSARY EDITION of the original ground-breaking book on high sensitivity with over 500,000 copies sold. ARE YOU

A HIGHLY SENSITIVE PERSON? Do you have a keen imagination and vivid dreams? Is time alone each day as essential to you as food and water? Are you noted for your empathy? Your conscientiousness? Do noise and confusion quickly overwhelm you? If your answers are yes, you may be a highly sensitive person (HSP) and Dr. Elaine Aron's *The Highly Sensitive Person* is the life-changing guide you'll want in your toolbox. Over twenty percent of people have this amazing, innate trait. Maybe you are one of them. A similar percentage is found in over 100 species, because high sensitivity is a survival strategy. It is also a way of life for HSPs. In this 25th anniversary edition of the groundbreaking classic, Dr. Elaine Aron, a research and clinical psychologist as well as an HSP herself, helps you grasp the reality of your wonderful trait, understand your past in the light of it, and make the most of it in your future. Drawing on her many years of study and face-to-face time spent with thousands of HSPs, she explains the changes you will need to make in order to lead a fuller, richer life. Along with a new Author's Note, the latest scientific research, and a fresh discussion of anti-depressants, this edition of *The Highly Sensitive Person* is more essential than ever for creating the sense of self-worth and empowerment every HSP deserves and our planet needs. "Elaine Aron has not only validated and scientifically corroborated high sensitivity as a trait—she has given a level of empowerment and understanding to a large group of the planet's population. I thank Dr. Aron every day for her having brought this awareness to the world." —Alanis Morissette, artist, activist, teacher

In *The 5 Love Languages*, you will discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman's proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner starting today.

What Every Person Should Know About War *Simon and Schuster*

Acclaimed New York Times journalist and author Chris Hedges offers a critical -- and fascinating -- lesson in the dangerous realities of our age: a stark look at the effects of war on combatants. Utterly lacking in rhetoric or dogma, this manual relies instead on bare fact, frank description, and a spare question-and-answer format. Hedges allows U.S. military documentation of the brutalizing physical and psychological consequences of combat to speak for itself. Hedges poses dozens of questions that young soldiers might ask about combat, and then answers them by quoting from medical and psychological studies.

- What are my chances of being wounded or killed if we go to war?
- What does it feel like to get shot?
- What do artillery shells do to you?
- What is the most painful way to get wounded?
- Will I be afraid?
- What could happen to me in a nuclear attack?
- What does it feel like to kill someone?
- Can I withstand torture?
- What are the long-term consequences of combat stress?
- What will happen to my body after I die?

This profound and devastating portrayal of the horrors to which we subject our armed forces stands as a ringing indictment of the glorification of war and the concealment of its barbarity.

5 Voices

How to Communicate Effectively with Everyone You Lead

John Wiley & Sons

"5 Voices helps leaders know themselves to lead their team. By discovering your voice and the voices of those around you, you will learn how to connect, communicate, and lead every kind of team member. Make Yourself Unforgettable

How to Become the Person Everyone Remembers and No One Can Resist *Simon and Schuster*

Make Yourself Unforgettable tells readers how to become someone whom other people really want to work with, work for, know, and help.

The Black Friend: On Being a Better White Person *Candlewick Press*

Writing from the perspective of a friend, Frederick Joseph offers candid reflections on his own experiences with racism and conversations with prominent artists and activists about theirs—creating an essential read for white people who are

committed anti-racists and those newly come to the cause of racial justice. “We don’t see color.” “I didn’t know Black people liked Star Wars!” “What hood are you from?” For Frederick Joseph, life as a transfer student in a largely white high school was full of wince-worthy moments that he often simply let go. As he grew older, however, he saw these as missed opportunities not only to stand up for himself, but to spread awareness to those white people who didn’t see the negative impact they were having. Speaking directly to the reader, *The Black Friend* calls up race-related anecdotes from the author’s past, weaving in his thoughts on why they were hurtful and how he might handle things differently now. Each chapter features the voice of at least one artist or activist, including Angie Thomas, author of *The Hate U Give*; April Reign, creator of #OscarsSoWhite; Jemele Hill, sports journalist and podcast host; and eleven others. Touching on everything from cultural appropriation to power dynamics, “reverse racism” to white privilege, microaggressions to the tragic results of overt racism, this book serves as conversation starter, tool kit, and invaluable window into the life of a former “token Black kid” who now presents himself as the friend many readers need. Backmatter includes an encyclopedia of racism, providing details on relevant historical events, terminology, and more.

The Chairs Are Where the People Go

How to Live, Work, and Play in the City *Farrar, Straus and Giroux*

Should neighborhoods change? Is wearing a suit a good way to

quit smoking? Why do people think that if you do one thing, you're against something else? Is monogamy a trick? Why isn't making the city more fun for you and your friends a super-noble political goal? Why does a computer last only three years? How often should you see your parents? How should we behave at parties? Is marriage getting easier? What can spam tell us about the world? Misha Glouberman's friend and collaborator, Sheila Heti, wanted her next book to be a compilation of everything Misha knew. Together, they made a list of subjects. As Misha talked, Sheila typed. He talked about games, relationships, cities, negotiation, improvisation, Casablanca, conferences, and making friends. His subjects ranged from the sublime to the ridiculous. But sometimes what had seemed trivial began to seem important—and what had seemed important began to seem less so. *The Chairs Are Where the People Go* is refreshing, appealing, and kind of profound. It's a self-help book for people who don't feel they need help, and a how-to book that urges you to do things you don't really need to do.

The Gaslight Effect

How to Spot and Survive the Hidden Manipulation Others Use to Control Your Life *Harmony*

A study of the “gaslight effect” discusses this form of manipulation that consistently puts the other person in the wrong and reveals what can be done to overcome this behavior and determine if an unhealthy relationship can be salvaged.

Lurking

How a Person Became a User *Picador*

A concise but wide-ranging personal history of the internet from—for the first time—the point of view of the user. In a shockingly short amount of time, the internet has bound people around the world together and torn us apart and changed not just the way we communicate but who we are and who we can be. It has created a new, unprecedented cultural space that we are all a part of—even if we don't participate, that is how we participate—but by which we're continually surprised, betrayed, enriched, befuddled. We have churned through platforms and technologies and in turn been churned by them. And yet, the internet is us and always has been. In *Lurking*, Joanne McNeil digs deep and identifies the primary (if sometimes contradictory) concerns of people online: searching, safety, privacy, identity, community, anonymity, and visibility. She charts what it is that brought people online and what keeps us here even as the social equations of digital life—what we're made to trade, knowingly or otherwise, for the benefits of the internet—have shifted radically beneath us. It is a story we are accustomed to hearing as tales of entrepreneurs and visionaries and dynamic and powerful corporations, but there is a more profound, intimate story that

hasn't yet been told. Long one of the most incisive, ferociously intelligent, and widely respected cultural critics online, McNeil here establishes a singular vision of who we are now, tells the stories of how we became us, and helps us start to figure out what we do now.

How to Be a Person

The Stranger's Guide to College, Sex, Intoxicants, Tacos, and Life Itself *Sasquatch Books*

From Dan Savage, Lindy West, and The Stranger staff comes this hilarious guide to life for college students and beyond. Here is all the information you actually need to know that no one else will tell you including: which majors to avoid, how to not get a STD, everything there is to know about philosophy (in a single paragraph!), what the music you like says about you, how to turn a crush into something more, how to come out (should you happen to be gay), how to binge drink and not die, how do laundry, how to do drugs (and which ones you should never do), good manners, tips on flirting with film nerds, how to write a great sentence, and a state-by-state guide to the U.S. of A. It's all here, along with Dan Savage's very best advice about sex and love. Hi! From the Trade Paperback edition.
