Interpersonal relationship refers to a strong association amongst individuals with similar tastes, aspirations and interests in life. It is essential for individuals to share a healthy relationship with each other not only for quicker delivery of results but also for a positive ambience at the workplace.

### **Theories of Interpersonal Relationship**

Focusing on the concept of 'relational depth', the authors describe a form of encounter in which therapist and client experience profound feelings of contact and engagement with each other, and in which the client has an opportunity to explore whatever is experienced as most fundamental to her or his existence.
