Troy Nelson - Guitar Aerobics download - FastStrings.com

I'm still working on the book, it appears to contain what I learned after 11 months of guitar instruction and then some. The book contains a lot of

information and the suggested 15 minutes of practice for each section is a great idea. The book is easy to understand. I have had no issues with the audio & have purchased several of Troy Nelson's books because I really like his method.
