Accuphase Laboratory, Inc. E-250

With the E-250 Accuphase is presenting the new integrated
 youngster. Explosive power may not be expected by hi-fi fans,
 but perhaps all the more a sterling sound? Actually, the new amp
 from Accuphase should not merely be called E-250 but should
 rather be decorated - next to its type designation - with a title of
 nobility.

It's eleven years since I reviewed the Accuphase E-213 for this magazine. That was then the entry-level integrated amplifier; the next model up the line, the E-308, was similar in rated power output but a noticeably more accomplished performer, and represented quite a significant jump in performance, back in the day. So I approached this review of the current equivalent, the E-370, with high ...
