The Last Family in England *Canongate Books*

FROM THE NUMBER ONE SUNDAY TIMES BESTSELLING AUTHOR
Meet the Hunter family: Adam, Kate, and their children Hal and Charlotte. And Prince, their Labrador. Prince is an earnest young dog, striving hard to live up to the tenets of the Labrador Pact (Remain Loyal to Your Human Masters, Serve and Protect Your Family at Any Cost).

Other dogs, led by the Springer Spaniels, have revolted. As things in the Hunter family begin to go badly awry – marital breakdown, rowdy teenage parties, attempted suicide – Prince’s responsibilities threaten to overwhelm him and he is forced to break the Labrador Pact and take desperate action to save his Family.

How to Stop Time

A Novel *Penguin*

From the New York Times bestselling author of *The Midnight Library*. “A quirky romcom dusted with philosophical observations....A delightfully witty...poignant novel.” —The Washington Post
“She smiled a soft, troubled smile and I felt the whole world

slipping away, and I wanted to slip with it, to go wherever she was going... I had existed whole years without her, but that was all it had been. An existence. A book with no words." Tom Hazard has just moved back to London, his old home, to settle down and become a high school history teacher. And on his first day at school, he meets a captivating French teacher at his school who seems fascinated by him. But Tom has a dangerous secret. He may look like an ordinary 41-year-old, but owing to a rare condition, he's been alive for centuries. Tom has lived history--performing with Shakespeare, exploring the high seas with Captain Cook, and sharing cocktails with

Fitzgerald. Now, he just wants an ordinary life. Unfortunately for Tom, the Albatross Society, the secretive group which protects people like Tom, has one rule: Never fall in love. As painful memories of his past and the erratic behavior of the Society's watchful leader threaten to derail his new life and romance, the one thing he can't have just happens to be the one thing that might save him. Tom will have to decide once and for all whether to remain stuck in the past, or finally begin living in the present. How to Stop Time tells a love story across the ages—and for the ages—about a man lost in time, the woman who could save him, and the lifetimes it can take to learn how to

live. It is a bighearted, wildly original novel about losing and finding yourself, the inevitability of change, and how with enough time to learn, we just might find happiness. Soon to be a major motion picture starring Benedict Cumberbatch.

The Humans

THERE'S NO PLACE LIKE HOME. OR IS THERE? After an 'incident' one wet Friday night where Professor Andrew Martin is found walking naked through the streets of Cambridge, he is not feeling quite himself. Food sickens him. Clothes confound him. Even his loving wife and teenage son are repulsive to him. He feels lost amongst a crazy alien species and hates everyone on the planet. Everyone, that

is, except Newton, and he's a dog. What could possibly make someone change their mind about the human race. . . ?

The Midnight Library

A Novel *Penguin*

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits." —The Washington Post The dazzling reader-favorite about the

choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this

decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the *Midnight Library* to decide what is truly fulfilling in life, and what makes it worth living in the first place.

The Comfort Book *Penguin*

An instant New York Times Bestseller! The new uplifting book from Matt Haig, the #1 New York Times bestselling author of *The Midnight Library*, for anyone in search of hope, looking for a path to a more meaningful life, or in need of a little encouragement.

Named by The Washington Post as one of the best feel-good books of 2021. "It is a strange paradox, that many of the clearest, most comforting life lessons are learnt while we are at our lowest. But then we never think about food more than when we are hungry and we never think about life rafts more than when we are thrown overboard." THE COMFORT BOOK is Haig's life raft: it's a collection of notes, lists, and stories written over a span of several years that originally served as gentle reminders to Haig's future self that things are not always as dark as they may seem. Incorporating a diverse array of sources from across the world, history,

science, and his own experiences, Haig offers warmth and reassurance, reminding us to slow down and appreciate the beauty and unpredictability of existence.

The Possession of Mr Cave *Canongate Books*

FROM THE NUMBER ONE SUNDAY TIMES BESTSELLING AUTHOR Terence Cave, owner of Cave Antiques, has already experienced the tragedies of his mother's suicide and his wife's murder when his teenage son, Reuben, is killed in a grotesque accident. His remaining child, Bryony, has always been the family's golden girl and Terence comes to realise that his one duty in life is to protect her from the world's

malign forces, whatever that may take. But as he starts to follow his grieving daughter's movements and enforce a draconian set of rules, his love for Bryony becomes a possessive force that leads to destruction.

murdered him. Arming himself with weapons from the school chemistry cupboard, Philip vows to carry out the ghost's relentless demands for revenge. But can the words of a ghost be trusted any more than the lies of the living?

The Dead Fathers Club *Canongate Books*

FROM THE NUMBER ONE SUNDAY TIMES BESTSELLING AUTHOR Philip Noble is an eleven-year-old in crisis. His pub landlord father has died in a road accident, and his mother is succumbing to the greasy charms of her dead husband's brother, Uncle Alan. The remaining certainties of Philip's life crumble away when his father's ghost appears in the pub and declares Uncle Alan

Echo Boy *Random House*

Audrey's father taught her that to stay human in the modern world, she had to build a moat around herself; a moat of books and music, philosophy and dreams. A moat that makes Audrey different from the echoes: sophisticated, emotionless machines, built to resemble humans and to work for human masters. Daniel is an echo "but he's not like the others. He feels a

connection with Audrey; a feeling Daniel knows he was never designed to have, and cannot explain. And when Audrey is placed in terrible danger, he's determined to save her. *ECHO BOY* is a powerful story about love, loss and what makes us truly human.

Reasons to Stay Alive *Penguin*

From the #1 New York Times bestselling author of *The Midnight Library*. "Destined to become a modern classic."

—Entertainment Weekly
WHAT DOES IT MEAN TO FEEL TRULY ALIVE? At the age of 24, Matt Haig's world caved in. He could see no way to go on living. This is the true story of how he came through

crisis, triumphed over an illness that almost destroyed him and learned to live again. A moving, funny and joyous exploration of how to live better, love better and feel more alive, *Reasons to Stay Alive* is more than a memoir. It is a book about making the most of your time on earth. "I wrote this book because the oldest clichés remain the truest. Time heals. The bottom of the valley never provides the clearest view. The tunnel does have light at the end of it, even if we haven't been able to see it . . . Words, just sometimes, really can set you free."

Touch *Redhook*

Touch is an electrifying thriller by the author of The First Fifteen Lives of Harry August and 84K. He tried to take my life. Instead, I took his. It was a long time ago. I remember it was dark, and I didn't see my killer until it was too late. As I died, my

hand touched his. That's when the first switch took place. Suddenly, I was looking through the eyes of my killer, and I was watching myself die. Now switching is easy. I can jump from body to body, have any life, be anyone. Some people touch lives. Others take them. I do both. Super Extra Grande
Simon and Schuster

With playfulness and ingenuity in the tradition of Douglas Adams, the Cuban science fiction master Yoss delivers a space opera of intergalactic proportions with Super

Extra Grande, the winner of the 20th annual UPC Science Fiction Award in 2011. Set in a distant future, after the invention of faster-than-light space travel has propelled a still-immature mankind into the far corners of the Milky Way, the novel features creatures of immense variety. With his vast curiosity and wild imagination, Yoss brings us a rare specimen in the richly parodic tradition of Cuban science fiction.

Samuel Blink and the Forbidden Forest *Penguin*

Accompanied by his aunt's Norwegian elkhound, Ibsen, twelve-year-old Samuel ventures into a weird forest filled with strange and dangerous creatures to rescue his

younger sister, Martha, who has been mute since their parents' recent death.

A Mouse Called Miika *Knopf Books for Young Readers*

Ratatouille meets Roald Dahl in the funny and fantastical story of a determined mouse on a mission to procure the world's tastiest cheese. From the author of *A Boy Called Christmas*—now a Netflix movie starring Kristen Wiig, Maggie Smith and Henry Lawfull! When Nikolas left the only home he had ever known, it was a mouse named Miika who kept him company, and it was Miika who accompanied him on his journey to the Far North, in search of his father. But before the events of *A Boy Called*

Christmas, this little mouse was the hero of his own story. A Mouse Called Miika is an epic adventure story on a miniature scale. It's a tale of mice and men (and more mice). It is about one independent mouse who gets fed up with the other mice, and sets out on a quest of his own to prove that cheese exists, and learns to appreciate other creatures. It is also a tale of great love (of cheese) and great danger. And learning the lesson that, with cheese, as with life, what matters most is not how strongly you smell, but how strong you are on the inside. Funny, cheeky, wise, and packed full of Matt Haig's signature warmth. This is set to become a year-round children's favorite.

The Papyrus Trilogy

A series of mysterious deaths in the Papyrus Bookstore brings literature-loving police inspector Dejan Luki to investigate. Together with the attractive owner, Vera Gavrilovi, they discover the elusive Last Book is responsible. Seemingly causeless deaths multiply, the National Security Agency, a secret apocalyptic sect, and others are drawn in, and the secrets of immortality, death, and reality itself are revealed in a masterful trilogy that demonstrates the magical and ultimately benevolent power of literature. Includes The Last Book, The Grand Manuscript, and The Compendium of the Dead. Serbian master fantasist Zivkovic has written what may be

the most delicious mystery by a speculative-fiction specialist since Stanislaw Lem's mind-boggling "The Investigation" (1974). Unlike Lem's novel, it is also a discreet, witty love story.-Publishers Weekly, USA"

The Last Theorem

A Novel *Del Rey*

Two of science fiction's most renowned writers join forces for a storytelling sensation. The historic collaboration between Frederik Pohl and his fellow founding father of the genre, Arthur C. Clarke, is both a momentous literary event and a fittingly grand farewell from the late, great visionary author of 2001: A Space Odyssey. The Last Theorem is a story

of one man's mathematical obsession, and a celebration of the human spirit and the scientific method. It is also a gripping intellectual thriller in which humanity, facing extermination from all-but-omnipotent aliens, the Grand Galactics, must overcome differences of politics and religion and come together . . . or perish. In 1637, the French mathematician Pierre de Fermat scrawled a note in the margin of a book about an enigmatic theorem: "I have discovered a truly marvelous proof of this proposition which this margin is too narrow to contain." He also neglected to record his proof elsewhere. Thus began a search for the Holy Grail of mathematics—a search

that didn't end until 1994, when Andrew Wiles published a 150-page proof. But the proof was burdensome, overlong, and utilized mathematical techniques undreamed of in Fermat's time, and so it left many critics unsatisfied—including young Ranjit Subramanian, a Sri Lankan with a special gift for mathematics and a passion for the famous “Last Theorem.” When Ranjit writes a three-page proof of the theorem that relies exclusively on knowledge available to Fermat, his achievement is hailed as a work of genius, bringing him fame and fortune. But it also brings him to the attention of the National Security Agency and a shadowy

United Nations outfit called Pax per Fidem, or Peace Through Transparency, whose secretive workings belie its name. Suddenly Ranjit—together with his wife, Myra de Soyza, an expert in artificial intelligence, and their burgeoning family—finds himself swept up in world-shaking events, his genius for abstract mathematical thought put to uses that are both concrete and potentially deadly. Meanwhile, unbeknownst to anyone on Earth, an alien fleet is approaching the planet at a significant percentage of the speed of light. Their mission: to exterminate the dangerous species of primates known as

homo sapiens.

The Crane Wife
Penguin

A magical novel, based on a Japanese folk tale, that imagines how the life of a broken-hearted man is transformed when he rescues an injured white crane that has landed in his backyard. George Duncan is an American living and working in London. At forty-eight, he owns a small print shop, is divorced, and lonelier than he realizes. All of the women with whom he has relationships eventually leave him for being too nice. But one night he is woken by an astonishing sound—a terrific keening, which is coming from somewhere in his garden. When he investigates he finds a

great white crane, a bird taller than even himself. It has been shot through the wing with an arrow. Moved more than he can say, George struggles to take out the arrow from the bird's wing, saving its life before it flies away into the night sky. The next morning, a shaken George tries to go about his daily life, retreating to the back of his store and making cuttings from discarded books—a harmless, personal hobby—when through the front door of the shop a woman walks in. Her name is Kumiko, and she asks George to help her with her own artwork. George is dumbstruck by her beauty and her enigmatic nature, and begins to fall desperately in love

with her. She seems to hold the potential to change his entire life, if he could only get her to reveal the secret of who she is and why she has brought her artwork to him. Witty, magical, and romantic, *The Crane Wife* is a story of passion and sacrifice, that resonates on the level of dream and myth. It is a novel that celebrates the creative imagination, and the disruptive power of love.

The Truth Pixie

The Genius Plague

Pyr

WINNER of the 2018 Campbell Award for Best Novel A WALL STREET JOURNAL Best Science Fiction Book of 2017 In this science

fiction thriller, brothers are pitted against each other as a pandemic threatens to destabilize world governments by exerting a subtle mind control over survivors. Neil Johns has just started his dream job as a code breaker in the NSA when his brother, Paul, a mycologist, goes missing on a trip to collect samples in the Amazon jungle. Paul returns with a gap in his memory and a fungal infection that almost kills him. But once he recuperates, he has enhanced communication, memory, and pattern recognition.

Meanwhile, something is happening in South America; others, like Paul, have also fallen ill and recovered with abilities they didn't have before. But that's

not the only pattern--the survivors, from entire remote Brazilian tribes to American tourists, all seem to be working toward a common, and deadly, goal. Neil soon uncovers a secret and unexplained alliance between governments that have traditionally been enemies. Meanwhile Paul becomes increasingly secretive and erratic. Paul sees the fungus as the next stage of human evolution, while Neil is convinced that it is driving its human hosts to destruction. Brother must oppose brother on an increasingly fraught international stage, with the stakes: the free will of every human on earth. Can humanity use this force for good, or are we becoming the pawns of

an utterly alien intelligence?

Evie and the Animals

She promises to keep it top secret, but then an evil pet-thief strikes. Every animal in town is in danger and only by DARING TO BE HERSELF can Evie save her furry and feathered friends.

Rabbit Hole

A Novel of Suspense

Atlantic Monthly Press

A gripping standalone thriller from the "first-rate British crime writer" and internationally bestselling author of

the Tom Thorne novels (The Washington Post). Alice Armitage is a police officer. Or she was. Or perhaps she just imagines she was. Whatever the truth is, following a debilitating bout of PTSD, self-medication with drink and drugs, and a psychotic breakdown, Alice is now a long-term patient in an acute psychiatric ward. When one of her fellow patients is murdered, Alice becomes convinced that she has identified the killer and that she can catch them. Ignored by the police, she begins her own investigation. But when her prime suspect becomes the second victim, Alice's life begins to unravel still further as she realizes that she cannot trust anyone, least of all herself.

Praise for Mark Billingham and the Tom Thorne novels "Morse, Rebus, and now Thorne. The next superstar detective is already with us—don't miss him." —Lee Child, author of the Jack Reacher series "Billingham is a world-class writer and Tom Thorne is a wonderful creation. Rush to read these books." —Karin Slaughter, international bestselling author "With each of his books, Mark Billingham gets better and better. These are stories and characters you don't want to leave." —Michael Connelly, author of the Harry Bosch series "Mark Billingham has brought a rare and welcome blend of humanity, dimension, and excitement to the genre." —George

Pelecanos, writer and producer of *The Wire* “Tom Thorne is one of the most credible and engaging heroes in contemporary crime fiction.” —Ian Rankin, author of the Inspector Rebus novels and *The Travelling Companion*

Humans *St. Martin's Press*

Brandon Stanton's new book, *Humans*—his most moving and compelling book to date—shows us the world. Brandon Stanton created *Humans of New York* in 2010. What began as a photographic census of life in New York City, soon evolved into a storytelling phenomenon. A global audience of millions began following HONY daily. Over the next several years, Stanton broadened his lens to

include people from across the world. Traveling to more than forty countries, he conducted interviews across continents, borders, and language barriers. *Humans* is the definitive catalogue of these travels. The faces and locations will vary from page to page, but the stories will feel deeply familiar. Told with candor and intimacy, *Humans* will resonate with readers across the globe—providing a portrait of our shared experience.

A Boy Called Christmas *Knopf Books for Young Readers*

Before there was Santa Claus, there was a young boy who believed in the impossible. . . . Lemony Snicket meets Klaus in

this warmhearted Christmas caper. Eleven-year-old Nikolas—nicknamed “Christmas”—has received only one toy in his life: a doll carved out of a turnip. But he’s happy with his turnip doll, because it came from his parents, who love him. Then one day his father goes missing, and Nikolas must travel to the North Pole to save him. Along the way, Nikolas befriends a surly reindeer, bests a troublesome troll, and discovers a hidden world of enchantment in the frozen village of Elfhelm. But the elves of Elfhelm have troubles of their own: Christmas spirit and goodwill are at an all-time low, and Nikolas may be the only person who can fix things—if only he can reach his

father before it’s too late. . . . Sparkling with wit and warmth, *A Boy Called Christmas* is a cheeky new Christmas classic-in-the-making from acclaimed author Matt Haig and illustrator Chris Mould. “Irresistibly readable. Destined to become a Christmas and anytime-before-or-after-Christmas classic!” --Chris Grabenstein, New York Times bestselling author of *Escape from Mr. Lemoncello's Library* “The definitive (and funny) history of ho, ho, ho! My children loved it.” —Yann Martel, bestselling author of *Life of Pi* “The most evergreen, immortal Christmas story to be published for decades.” —Stephen Fry “Humorous and heartfelt, *A Boy Called*

Christmas will grow your heart three sizes and make you believe in magic." --Liesl Shurtliff, New York Times bestselling author of Rump "Matt Haig has an empathy for the human condition, the light and the dark of it, and he uses the full palette to build his excellent stories."—Neil Gaiman, Newbery-winning author of *The Graveyard Book*

The Runaway Troll

Random House

FANTASY & MAGICAL REALISM. Samuel's not allowed to enter Shadow Forest. But what's to stop the forest from coming to him? There's one thing every troll child dreads more than anything - and that's being sent to the Betterer. The Betterer is the most

evil troll in Shadow Forest who loves to punish his fellow trolls for their grubby and stupid habits in lots of horrible ways. When one troll boy escapes the forest to be with his favourite human, Samuel Blink, the Betterer is not very happy. Until he realizes that the most useful thing to have in his Bettering Tower would be a real life human child. So he places his Bettering Branch and Gripgrass Juice in his pockets and sets out on a quest into the human world beyond the forest to kidnap Samuel and the troll friend he's been hiding in his wardrobe. Ages 9+.

Battle of the Linguist Mages

Tordotcom

"It reads like Snow

Crash had a dance-off with Gideon the Ninth, in a world where language isn't a virus from outer space, it's a goddamn alien invasion." —Charles Stross In modern day Los Angeles, a shadowy faction led by the Governor of California develops the arcane art of combat linguistics, planting the seeds of a future totalitarian empire in Scotto Moore's Battle of the Linguist Mages. Isobel is the Queen of the medieval rave-themed VR game Sparkle Dungeon. Her prowess in the game makes her an ideal candidate to learn the secrets of "power morphemes"—unnaturally dense units of meaning that warp perception when skilfully pronounced. But Isobel's reputation

makes her the target of a strange resistance movement led by spellcasting anarchists, who may be the only thing stopping the cabal from toppling California over the edge of a terrible transformation, with forty million lives at stake. Time is short for Isobel to level up and choose a side—because the cabal has attracted much bigger and weirder enemies than the anarchist resistance, emerging from dark and vicious dimensions of reality and heading straight for planet Earth!
