Bridge of Birds

The Steerswoman *Rosemary Kirstein*

FREEDOM OF INFORMATION If you ask, she must answer. A steerswoman's knowledge is shared with any who request it; no steerswoman may refuse a question, and no steerswoman may answer with anything but the truth. And if she asks, you must answer. It is the other side of tradition's contract -- and if you refuse the question, or lie, no steerswoman will ever again answer even your most casual question. And so, the steerswomen - always seeking, always investigating - have gathered more and more knowledge about the

world they travel, and they share that knowledge freely. Until the day that the steerswoman Rowan begins asking innocent questions about one small, lovely, inexplicable object... Her discoveries grow stranger and deeper, and more dangerous, until suddenly she finds she must flee or fight for her life. Or worse -- lie. Because one kind of knowledge has always been denied the steerswomen: Magic. "If you haven't read Kirstein's Steerswoman books I envy you the chance to read them now for the first time.... I think they have a very good claim to be my favorite thing still being written. [...] If you like science, and if you like watching someone work out mysteries, and if you like detailed weird alien worlds and human cultures, if really good prose appeals... you're really

in luck." - Jo Walton, Hugo and Nebula Awards winner, author of *Among Others* and *Farthing*. "[Kirstein] walks the tightrope between fantasy and science fiction with precision and grace... [her] compassion for even minor characters is evident on every page, and her prose is measured and alluring without being overworked." -- Damien Broderick & Paul Di Filippo, in *Science Fiction: The 101 Best Novels 1985-2010*

fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro's romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke's case, it is both. "Locke's raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones" (Publishers Weekly), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. *From Scratch* is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious.

A Wind in the House of Islam *Wigtake Resources LLC*

A Wind in the House of Islam investigates the phenomenon of millions of Muslims who are turning to faith in Jesus Christ today. Over the course of Islamic history tens of millions of

Christians were absorbed into the House of Islam. But what about the opposite? Have there ever been movements of Muslim communities who voluntarily turned to Jesus Christ and were baptized? The first 13 centuries of Islam's history saw only three movements numbering at least a thousand Muslims turning to Christianity, apart from those that were coerced through wars, Crusades and Inquisitions. Today, the story is changing. Over the past two decades there have been 69 additional movements of Muslims to Christ scattered across the Muslim world from West Africa to Indonesia. In an unprecedented global survey, Dr. David Garrison, Ph.D. University of Chicago, traveled a quarter-million miles throughout the House of Islam to find

out why and how this is happening today. His research took him into every corner of the Muslim world where he gathered more than a thousand interviews of Muslim-background followers of Jesus Christ. His core question: What did God use to bring you to faith in Jesus Christ? *A Wind in the House of Islam* reveals their stories, and David Garrison's journey through all nine Rooms in the House of Islam, where he discovered that the Wind of God's Spirit is blowing through every one of them. *A Wind in the House of Islam* is a 328-page book written in an engaging style, but also includes a glossary of Islamic terms, a bibliography for further reading, endnotes, 11 maps with data tables of Muslim populations, 46 photographs, and excerpts from more than a thousand

interviews. Each of the book's 15 chapters conclude with discussion questions to facilitate small group dialogue and discovery. Learn more about the book at: www.WindintheHouse.org

Unfettered is an anthology of original fantasy fiction by some of the very biggest names in fantasy fiction, and it also features deleted scenes from *A MEMORY OF LIGHT*, the final book in Robert Jordan's *Wheel of Time* series. This collection is not only a fantastic anthology in its own right, but it's a testament to the generosity found in the science fiction and fantasy community. He also suggested he ask the same of his other writer friends, and Unfettered is the incredible result. Twenty-four tales comprise this superb collection, and as the title suggests, the writers were free to contribute whatever they wished. Alligator Bayou *Wendy Lamb Books*

An unforgettable novel, based on a true story, about racism against Italian Americans in the South in 1899. Fourteen-year-old Calogero, his uncles, and his cousins are six Sicilians living in the small town of Tallulah, Louisiana, miles from any of their countrymen. They grow vegetables and sell them at their stand and in their grocery store. Some people welcome the immigrants; most do not. Calogero's family is caught in the middle of tensions between the black and white communities. As Calogero struggles to adapt to Tallulah, he is startled and thrilled by the danger of midnight gator hunts in the bayou and by his powerful feelings for Patricia, a sharp-witted, sweet-natured black girl. Meanwhile, every day, and every

misunderstanding between the white community and the Sicilians, bring Calogero and his family closer to a terrifying, violent confrontation. In this affecting and unforgettable novel, Donna Jo Napoli's inspired research and spare, beautiful language take the classic immigrant story to new levels of emotion and searing truth. Alligator Bayou tells a story that all Americans should know.

The Redemption of Althalus *Del Rey*

David and Leigh Eddings were mythmakers and world builders of the first order. With *The Redemption of Althalus*, the authors of the Belgariad and Malloreon sagas created a thrilling stand-alone epic—boldly written and brilliantly imagined. It would be sheer folly to try to conceal the true nature of Althalus, for his flaws are the stuff of

legend. He is, as all men know, a thief, a liar, an occasional murderer, an outrageous braggart, and a man devoid of even the slightest hint of honor. Yet of all the men in the world, it is Althalus, unrepentant rogue and scoundrel, who will become the champion of humanity in its desperate struggle against the forces of an ancient god determined to return the universe to nothingness. On his way to steal The Book from the House at the End of the World, Althalus is confronted by a cat--a cat with eyes like emeralds, the voice of a woman, and the powers of a goddess. She is Dweia, sister to The Gods and a greater thief even than Althalus. She must be: for in no time at all, she has stolen his heart. And more. She has stolen time itself. For when Althalus leaves the House at the End of

the World, much wiser but not a day older than when he'd first entered it, thousands of years have gone by. But Dweia is not the only one able to manipulate time. Her evil brother shares the power, and while Dweia has been teaching Althalus the secrets of The Book, the ancient God has been using the dark magic of his own Book to rewrite history. Yet all is not lost. But only if Althalus, still a thief at heart, can bring together a ragtag group of men, women, and children with no reason to trust him or each other. Praise for The Redemption of Althalus "Highly recommended . . . Featuring a cast of engaging characters, some fanciful plot twists, and a light-hearted atmosphere that should appeal strongly to fans and first-time readers alike."—Library Journal

"The story takes off. The interactions between characters, straightforward plotting, and doses of wry humor keep the tale humming."—Booklist "An engaging young reprobate hero . . . [A] magical realm of good-natured fun."—Publishers Weekly "A compelling, involving story."—Science Fiction Chronicle
