Impunity Human Rights And Democracy

Complementing the vast body of scholarship focusing on human rights violence in Chile and Argentina, Thomas Wright's *Impunity, Human Rights, and Democracy: Chile and Argentina, 1990-2005* draws on well-known themes to examine the demise of impunity. Despite inordinately high levels of state terror in both countries in the 1970s, and almost complete impunity in the early period of democratic rule, a reversal took place by 2005 and impunity for past human rights abuses crumbled.

The goal of the campaign is to highlight the injustices that these individual went through whether when it comes to not receiving their legal rights[...]

Home | Americans for Democracy & Human Rights in Bahrain

In July 2011, the Bahraini government established the Bahrain Independent Commission of Inquiry (BICI), which was charged with investigating allegations of human rights abuses in connection with the government's suppression of pro-democracy demonstrations that erupted in February 2011. Later that year, the BICI published a report which confirmed that government officials employed excessive force discriminatory tactics in the execution of their official duties.
