The Forgotten Girls I took a gamble with this book. It was a free download, I hadn't read anything before by the author Alexander Steele. But have to say, it was worth the gamble. I really enjoyed it. Yes, there were quite a few spelling and printing errors in the book, but that didn't deter me away from the story.

The Forgotten Girls (Suburban Murder, #1) by Alexa Steele

An unidentified woman's body was discovered in a local forest. A large, unique scar on one side of her face should have made the identification easy, but nobody has reported her missing. As the new commander of the Missing Persons Department, Louise risks involving the media by releasing a photo of the victim, hoping to find someone who knew her. Louise's gamble pays off: an older woman phones to say that she recognizes the woman as Lisemette, a child she once cared for in the state mental ...
