All About The Presidents Search

The president of the United States is the head of state and head of government of the United States, indirectly elected to a 4-year term by the people through the Electoral College. The officeholder leads the executive branch of the federal government and is the commander-in-chief of the United States Armed Forces. Since the office was established in 1789, there have been 45 presidencies, while 44 men have served as president. The first, George Washington, won a unanimous vote of the Electoral C
