Working hard to be a contributing member of her family, Sadie accepts blame for her sister's drug deal to keep the latter out of prison and finds everything she worked for threatened by a six-month sentence that tests her sister's character

Juvie, Steve Watkins

I'm a fan of Steve Watkins. His writing style brings the story alive. I was unable to put Juvie down until I read the final word. The war on drugs is a necessary war, but instead of targeting and punishing the people who are truly at fault, it's more likely the poor, young people like Sadie who are going to jail.
