Ulrich, in a celebrated article, talked of the need for HR personnel to play 4 roles in organizations: strategic partner, change agent, administrative expert and employee champion.

What is HR-personnel's educational background and competence?

The role of HRM has changed altogether from a traditional (popularly called personnel management) to a strategic one. Most medium and large scale organisations spend large amounts of money and reserves on HR software, but unfortunately many of them utilise it only for HR administrative purposes rather than for effective and efficient human resource planning (true HRP).
