Then he tries on his mom's clothes, and wow! The boy looks great. He looks through his mom's jewelry and makeup and tries that on, too. When he's discovered by his mother and father, the whole family (including the dog!) get in on the fun, and they all get dressed together. This charming and humorous story was inspired by bestselling and award-winning author Peter Brown's own childhood, and highlights nontraditional gender roles and self-expression.

A Psalm for the Wild-Built *Tordotcom*

In A Psalm for the Wild-Built, Hugo Award-winner Becky Chambers's delightful new Monk & Robot series gives us hope for the future. It's been centuries since the robots of Panga gained self-awareness and laid down their tools; centuries since they wandered, en masse, into the wilderness, never to be seen again; centuries since they faded into myth and urban legend. One day, the life of a tea monk is upended by the arrival of a robot, there to honor the old promise of checking in. The robot cannot go back until the question of "what do people need?" is answered. But the answer to that question depends on who you ask, and how. They're going to need to ask it a lot. Becky Chambers's new series asks: in a world where people have what they want, does having more matter? Expiration Day *Tor Teen*

It is the year 2049, and humanity is on the brink of extinction.... Tania Deeley has always been told that she's a rarity: a human child in a world where most children are sophisticated androids manufactured by Oxted Corporation. When a decline in global fertility ensued, it was the creation of these near-perfect human copies called teknoids that helped to prevent the utter collapse of society. Though she has always been aware of the existence of teknoids, it is not until her first day at The Lady Maud High School for Girls that Tania realizes that her best friend, Siân, may be one. Returning home from the summer holiday, she is shocked by how much Siân has changed. Is it possible that these changes were engineered by Oxted? And if Siân could be a teknoid, how many others in Tania's life are not real? Driven by the need to understand what sets teknoids apart from their human counterparts, Tania begins to seek answers. But time is running out. For everyone knows that on their eighteenth "birthdays," teknoids must be returned to Oxted—never to be heard from again. Told in diary format, Expiration Day is the powerful and poignant story of a young girl coming of age and discovering what it means to be truly human by a talented debut novelist. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM)

A Wolf Called Wander *HarperCollins*

“Don’t miss this dazzling tour de force.”—Katherine Applegate, Newbery Medal winning author of The One and Only Ivan This gripping novel about survival and family is based on the real story of one wolf’s incredible journey to find a safe place to call home. Illustrated throughout, this irresistible tale by award-winning author Rosanne Parry is for fans of Sara Pennypacker’s Pax and Katherine Applegate’s The One and Only Ivan. Swift, a young wolf cub, lives with his pack in the mountains learning to hunt, competing with his brothers and sisters for hierarchy, and watching over a new litter of cubs. Then a rival pack attacks, and Swift and his family scatter. Alone and scared, Swift must flee and find a new home. His journey takes him a remarkable one thousand miles across the Pacific Northwest. The trip is full of peril, and Swift encounters forest fires, hunters, highways, and hunger before he finds his new home. Inspired by the extraordinary true story of a wolf named OR-7 (or Journey), this irresistible tale of survival invites readers to experience and imagine what it would be like to be one of the most misunderstood animals on earth. This gripping and appealing novel about family, courage, loyalty, and the natural world is for fans of Fred Gipson’s Old Yeller and Katherine Applegate’s Endling. Includes black-and-white illustrations throughout and a map as well as information about the real wolf who inspired the novel.

Don't Worry, Little Crab *Candlewick Press (MA)*

From the award-winning creator of Shh! We Have a Plan comes a vibrantly colorful story about mustering the courage to try something new. Little Crab and Very Big Crab live in a tiny rock pool near the sea. Today they're going for a dip in the big ocean. "This is going to be so great," says Little Crab, splish-splashing and squelch-squelching along, all the way to the very edge. Then comes a first glance down at the waves. WHOOSH! Maybe it's better if they don't go in? With vivid colors, bold shapes, and his trademark visual humor, Chris Haughton shows that sometimes a gentle "don't worry, I'm here" can keep tentative little crabs sidestepping ahead -- and help them discover the brilliant worlds that await when they take the plunge.

What the World Needs Now Is Love *Penguin*

WINNER OF THE NEWBERY MEDAL • NEW YORK TIMES BESTSELLER WINNER OF THE ASIAN/PACIFIC AMERICAN AWARD FOR CHILDREN'S LITERATURE Would you make a deal with a magical tiger? This

uplifting story brings Korean folklore to life as a girl goes on a quest to unlock the power of stories and save her grandmother. Some stories refuse to stay bottled up... When Lily and her family move in with her sick grandmother, a magical tiger straight out of her halmoni's Korean folktales arrives, prompting Lily to unravel a secret family history. Long, long ago, Halmoni stole something from the tigers. Now they want it back. And when one of the tigers approaches Lily with a deal--return what her grandmother stole in exchange for Halmoni's health--Lily is tempted to agree. But deals with tigers are never what they seem! With the help of her sister and her new friend Ricky, Lily must find her voice...and the courage to face a tiger. Tae Keller, the award-winning author of *The Science of Breakable Things*, shares a sparkling tale about the power of stories and the magic of family. Think *Walk Two Moons* meets *Where the Mountain Meets the Moon*! "If stories were written in the stars ... this wondrous tale would be one of the brightest." --Booklist, Starred Review

Things That Are *Penguin*

Alicia may be blind, but that doesn't mean she can't see what's happening right in front of her eyes. Like how her parents try to give her freedom. Or how Bobby?now Robert?has returned to figure out their relationship. Or even the invisible man, William, and just how dangerous he is to Alicia, to Robert, to their whole family?or so the police say. Or is Alicia wrong this time? If her normally sharp instincts are wrong, the results could be disastrous. From award-winning author Andrew Clements, here is a novel full of adventure, romance, and mystery, which at its heart is about trusting?even things we know but cannot see.
