Book Review – Nourish: The Cancer Care Cookbook. Changing dietary habits is not for everyone, and for some, it may not be appropriate. However, for those who are able and willing to take an active role in supporting their bodies through cancer treatment and beyond, I would heartily recommend investing in a copy of Nourish. Nourish is much more than just a recipe book; it contains sections on the link between diet and cancer, managing treatment and side effects and the power of food.
