Creating Manga Characters *Crowood*

Manga is an emotive and expressive form of storytelling that has become popular worldwide; vivid and fascinating characters make a large contribution to its appeal. Characters are an essential component of a good story, crucial to the plot and vital for engaging the reader's interest and emotions. They are also enormous fun to imagine and to draw, but it is not always easy to fit your characters, your world and your plot together to create a seamless, convincing whole. Written and illustrated by five artists from Sweatdrop Studios, this book starts with drawing in the manga style before going on to describe the process of character creation and how your character could express their personality and emotions. Five original characters help to explain every topic, including character traits, from personalities and typical roles all the way down to the individual details important to make your character unique. The book also looks at the creation of side characters to complement your main character, and world-building. Packed with tips, it describes how to make your world realistic and intriguing, no matter how fantastical or everyday its basis.

How to Draw Manga: Basics and Beyond *Manga University*

You want to draw manga, and Manga University will show you how. You'll get VERY good at this. After all, we've been teaching people just like you for more than 20 years. "How to Draw Manga: Basics and Beyond!" is the latest in Manga University's lineup of best-selling instructional books. The book features more than 1,000 illustrations drawn by Japanese manga artists whose work has appeared in leading publications, including Shonen Sunday and Young Jump. You will learn how to draw like a professional because your teachers are professionals. We've divided the book into four easy-to-follow chapters that will have you drawing original characters from head to toe in no time at all: Heads First! We begin at the top, with a chapter on how to draw heads. After all, heads are the first thing most people notice, in both art and out in the real world. And in art, just like in the real world, you want to make sure your characters make a vivid first impression ... whether they're completely human, or totally out-of-this-world. Let's Make Faces! The expression the eyes are the window to the soul is particularly true when it comes to manga. You can tell a lot about a character's personality by peering into their eyes. In this chapter, we explain the basics of drawing eyes. But we don't stop there. We also cover noses, mouths, ears, and hair. All About Bodies! Once we've covered faces, we move on to teaching you all all about drawing bodies. We go over the differences between male and female body proportions, count heads to determine the heights of our characters, and learn how to draw hands, arms, feet, and legs. Strike a Pose! Our book's final chapter is all about making a physical statement. We show characters standing tall,
